obtain finances so you may continue with your addiction to gamble thus leading you closer to the gates of prison or worse yet death I came much too close to getting arrested for a felony like a few of my sisters I have tried and failed at committing suicide on three different occasions There are those brothers and sisters in the fellowship who have succeeded at suicide You just might go so far as to embezzle funds from your employer There are those sisters who have spent time incarcerated for their crimes and yet others are still in prison A quote taken from my Gamblers Anonymous handbook states The persistence of this illusion is astonishing Many pursue it into the gates of prison insanity or death My choice was life over death sanity over insanity and the thought of prison scares me My life free from gambling the love of God and family is far more important to me to ignore After seven plus years of frenzied uncontrollable insanity I have turned my life over to my Higher Power my God Jesus Christ He has helped me through all my adversity above all else He has restored my love for Him and family Gambling is described as one of the most baffling and insidious addictions that can never be cured but it can most definitely be arrested through diligent hard work in the Gamblers Anonymous Program Two words in my vocabulary baffling and insidious remind me what gambling will do to you The word baffle in my dictionary is described as frustrate thwart foil and perplex The meaning of the word insidious enthralls me the most ambush sly treacherous seductive and the meaning that tears at my heart the most is having a gradual and cumulative effect subtle As the snake slithers through the grass seeking its prey for food so does gambler seek funds to feed their addiction to gamble Unfortunately the gamblers addiction is a slow subtle and treacherous deterioration unbeknownst especially to the gambler herself Gambling will perplex you it will frustrate you and above all it will thwart every emotion you possess It will turn you into that slithering snake You will become enthralled by anger greed and hatred You will destroy everything good in you If you are suffering from a gambling addiction reach out for help through Gamblers Anonymous grasp the program with all your might and take it to heart for it may just save your life

The Gambler's Daughter Annette Dunlap, 2012-10-01 In exploring her father's own gambling addiction the author uncovers a hidden history of gambling in the Jewish community. Screening calls from her father's creditors hiding his mail from her mother being the child of a compulsive gambler wasn't easy and Annette B Dunlap thought for years that her experience was a singular one. In early adulthood she was fortunate enough to learn that she was not unique that other children had grown up with parents usually fathers addicted to gambling. But when she learned shortly before her mother died that her grandfather had also been involved in gambling she realized the extent to which gambling was a part of her family history. As she delved further into the subject she also discovered the extent to which gambling is in her words a peculiarly Jewish addiction. Framing the issue of gambling in both historical and sociological terms Dunlap examines the struggle between the official Jewish community. Jewish leaders have long either condemned or ignored the evils of gambling and the significant number of everyday Jews who continue to gamble many at a level that would be considered addictive. Gambling continues to be a serious problem within the Jewish community Dunlap argues regardless of whether the person is Orthodox or a Jew in name only. *The Gambler's Daughter* is both a personal story of a father's gambling addiction and a more general inquiry into the hidden history of gambling in the Jewish community. Readers who either live or have lived with an addictive family member will find the book useful as will those students of Jewish social history interested in a long ignored facet of American Jewish life.
