Jeffs, Maia Szalavitz, 2010-07-13 In the polygamous Fundamentalist Church of Jesus Christ of Latter day Saints FLDS girls can become valuable property as plural wives but boys are expendable even a liability In this powerful and heartbreaking account former FLDS member Brent Jeffs reveals both the terror and the love he experienced growing up on his prophet s compound and the harsh exile existence that so many boys face once they have been expelled by the sect Brent Jeffs is the nephew of Warren Jeffs the imprisoned leader of the FLDS The son of a prominent family in the church Brent could have grown up to have multiple wives of his own and significant power in the 10 000 strong community But he knew that behind the group s pious public image women in chaste dresses carrying babies on their hips lay a much darker reality So he walked away and was the first to file a sexual abuse lawsuit against his uncle Now Brent shares his courageous story and that of many other young men who have become lost boys when they leave the FLDS either by choice or by expulsion Brent experienced firsthand the absolute power that church leaders wield the kind of power that corrupts and perverts those who will do anything to maintain it Once young men no longer belong to the church they are cast out into a world for which they are utterly unprepared More often than not they succumb to the temptations of alcohol and other drugs Tragically Brent lost two of his brothers in this struggle one to suicide the other to overdose In this book he shows that lost boys can triumph and that abuse and trauma can be overcome and he hopes that readers will be inspired to help former FLDS members find their way in the world *Lost Boy Lost Girl* Peter Straub, 2004-09-28 A woman commits suicide for no apparent reason A week later her son fifteen year old Mark Underhill vanishes His uncle novelist Timothy Underhill searches his hometown of Millhaven for clues that might help unravel this horrible dual mystery He soon learns that a pedophilic murderer is on the loose in the vicinity and that shortly before his mother s suicide Mark had become obsessed with an abandoned house where he imagined the killer might have taken refuge No mere empty building the house whispers from attic to basement with the echoes of a long hidden true life horror story and Tim Underhill comes to fear that in investigating its unspeakable history Mark stumbled across its last and greatest secret a ghostly lost girl who may have coaxed the needy suggestible boy into her mysterious domain *The Lost Boy* Greg Ruth, 2013 Some mysteries are too dangerous to leave alone Nate s not happy about his family moving to a new house in a new town After all nobody asked him if he wanted to move in the first place But when he discovers a tape recorder and note addressed to him under the floorboards of his bedroom Nate is thrust into a dark mystery about a boy who went missing many many years ago Now as strange happenings and weird creatures begin to track Nate he must partner with Tabitha a local girl to find out what they want with him But time is running out for a powerful force is gathering strength in the woods at the edge of town and before long Nate and Tabitha will be forced to confront a terrifying foe and uncover the truth about the Lost Boy *The Lost Boy* Stead Jones, 1969 **The Lost Boy** Henry Van Dyke, 1914 Pete Scott Frank, 2009-01-12 This is anything but your ordinary Peter Pan story Through hilarious characters

their students in sociology through the prism of their own culture It involves students in critical thinking and classroom discussion through the book s many What Do You Think inserts and will inspire them to careers with the book s unique chapter Sociology s Place in Society Completing the Connection

Representations of Child Soldiers in Contemporary African Narratives Ademola Adesola,2024-09-11 In *Representations of Child Soldiers in Contemporary African Narratives* Ademola Adesola examines the dominant factors that writers privilege in their portrayals of child soldiering in sub Saharan Africa In his textual interpretive analyses of selected novels in the African child soldier genre Adesola contends that critical discussions of African child soldier literature have depended on the interpretive frameworks supplied by Western humanitarian discourses which oversimplify and de historicize experiences of war in Africa The author argues that such reductive decontextualization of war realities serve to champion a narrow vision of war in African contexts centered on a moral and humanitarian urge for Western intervention Regardless of whether the casus belli legitimating those wars are genuine or not those conflicts and children s involvement in them are understood within the same racist colonial and ethnocentric stereotypes about Africa that have been privileged in Western thought and the Western moral political imagination for centuries Thus in studying African child soldier narratives this book provides an alternative reading of novels whose settings feature African ethnopolitical conflicts such as in Sierra Leone Liberia Congo Brazzaville Nigeria notable for their exploitation of children for military ends The author maintains that these works are significant in the varying ways they reify and challenge the Western ideas of child and childhood as well as privilege child soldiers as social actors whose intricate makeups disavow being simply understood as innocent victims or irredeemable perpetrators of atrocities

Dialogic Formations Marie-Cécile Bertau,Miguel M. Gonçalves,Peter T. F. Raggatt,2013-01-01 This volume understands itself as an invitation to follow a fundamental shift in perspective away from the self contained I of Western conventions and towards a relational self where development and change are contingent on otherness In the framework of Dialogical Self Theory Hermans Hermans Gieser 2012 it is precisely the forms of interaction and exchange with others and with the world that determine the course of the self s development The volume hence addresses dialogical processes in human interaction from a psychological perspective bringing together previously separate theoretical traditions about the self and about dialogue within the innovative framework of Dialogical Self Theory The book is devoted to developmental questions and so broaches one of the more difficult and challenging topics for models of a pluralist self the question of how the dynamics of multiplicity emerge and change over time This question is explored by addressing ontogenetic questions directed at the emergence of the dialogical self in early infancy as well as microgenetic questions addressed to later developmental dynamics in adulthood Additionally development and change in a range of culture specific settings and practices is also examined including the practices of mothering of migration and cross cultural assimilation and of doing psychotherapy
