[From El Dorado to Lost Horizons](#) Ken Windrum, 2019-03-25 Investigates how musicals, war films, sex comedies, and Westerns dealt with contentious issues during a time of change in Hollywood. The era, known as the Hollywood Renaissance, is celebrated as a time when revolutionary movies broke all the rules of the previous classical era, as part of the ferment of the late 1960s and early 1970s. Yet many films during this era did not overtly smash the system but provided more traditional entertainment based on popular genres for a wider audience than the youth culture who flocked to more transgressive fare. Ken Windrum focuses on four genres of traditionalist movies: big budget musicals, war spectacles, naughty sex comedies, and Westerns. *From El Dorado to Lost Horizons* shows how even seemingly innocuous, family-oriented films still participated in the progressive aspects of the time while also holding a conservative point of view. Windrum analyzes representations of issues including gender roles, marriage, sexuality, civil rights, and Cold War foreign policy, revealing how these films dealt with

changing times and reflected both status quo positions and new attitudes He also examines how the movies continued or deviated from classical principles of structure and style Windrum provides a counter history of the Hollywood Renaissance by focusing on a group of important films that have nevertheless been neglected in scholarly accounts This book is detailed and insightful in discussing the traditional classical and maverick but ultimately recuperative qualities of the mainstream films of the period Windrum s discussion of the narrative structure and stylistic elements of the films both classical and innovative is a highlight of the book Glenn Man author of *Radical Visions American Film Renaissance 1967 1976* *Lost Horizon* James Hilton,1957 *Bestseller British Classics of James Hilton : Time and Time Again/Lost Horizon/Random Harvest/Good-Bye Mr. Chips* James Hilton,2024-06-24 Book 1 Embark on a mesmerizing journey through time with *Time and Time Again* by James Hilton Hilton s eloquent prose and imaginative storytelling transport readers to the intersection of past and present In this British classic explore the complexities of time travel fate and the profound impact of one man s quest to alter the course of history Book 2 Discover the enchanting utopia of *Lost Horizon* by James Hilton Hilton s masterpiece introduces readers to Shangri La a hidden paradise nestled in the Himalayas As the characters explore the mysteries of this idyllic sanctuary Hilton weaves a tale that transcends time offering reflections on human nature spirituality and the pursuit of an ideal life Book 3 Experience the poignant love story of *Random Harvest* by James Hilton Hilton skillfully crafts a narrative that spans continents and amnesia stricken years as two souls find each other lose each other and rediscover the true meaning of love This classic British novel explores the enduring power of the human heart and the twists of fate that shape our lives Book 4 Bid farewell to an era with *Good Bye Mr Chips* by James Hilton In this heartwarming classic Hilton introduces readers to Mr Chipping an endearing schoolteacher whose life unfolds through the decades With wit and warmth Hilton explores the impact of one man s presence on generations of students and the lasting legacy of a dedicated educator Indulge in the timeless allure of James Hilton s British classics Whether it s the temporal complexities of *Time and Time Again* the utopian dreams in *Lost Horizon* the poignant romance of *Random Harvest* or the nostalgic farewell in *Good Bye Mr Chips* Hilton s works continue to captivate readers with their rich storytelling and enduring themes
