endure the feeling like they don't have a simple straightforward reference to teach them the basics of reading the Bible. Others may think some explanations are apparent yet a lot of people don't understand some of the smallest details. The goal of the author is to reach out and have the opportunity to save those who otherwise wouldn't have the opportunity to hear the Good News because they weren't given the chance of a proper explanation.

Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20. In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only. For example, in 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was "O Come O Come Emmanuel." Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent. Do you know what the words really mean that you are singing? In 1878 Edward Hine wrote an article titled "Seven Eighths of the Bible Misunderstood" wherein he explains that seven eighths of the Bible is about national salvation i.e. the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation. Did you know that? In the 1960s Pastor Sheldon Emery wrote an article titled "An Open Letter to Any Minister Who Teaches the Jews Are Israel" wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998 Arnold E. Kennedy wrote a book titled "The Exclusiveness of Israel" wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples i.e. the Gospel of the Kingdom. So where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic then translated into Greek. The New Testament was written in Greek and Greek. Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible. So what was the original meaning of the words used in the original languages i.e. the etymology of the words? Once that is determined then we can go onto the next phase and discuss types in the Bible. From there what is the Law of First Mention? How should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes: Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes: Who was Yahshuah sent to? All of these questions and more will be answered as you read this book.

Anna Wierzbicka, 2001 Linguist Anna Wierzbicka casts new light on the words of Jesus by taking her theory of universal human concepts and bringing it to bear on Jesus parables and the Sermon on the Mount Her approach results in strikingly novel interpretations **The Role and Function of Repentance in Luke-Acts** Guy D. Nave, 2002-01-01 This book explores the central function of the concept repentance in the narrative structure and implied social world of the Gospel of Luke and the Acts of the Apostles and provides an excellent synthesis and analysis of the usage of repent and repentance in Classical Hellenistic Hellenistic Jewish and early Christian literature Paperback edition is available from the Society of Biblical Literature www.sbl-site.org *Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions
