The Lost Keys Of Freemasonry (The Sacred Books) Manly P. Hall,2012 Freemasonry though not a religion is essentially religious Most of its legends and allegories are of a sacred nature much of it is woven into the structure of Christianity We have learned to consider our own religion as the only inspired one and this probably accounts for much of the misunderstanding in the world today concerning the place occupied by Freemasonry in the spiritual ethics of our race A religion is a divinely inspired code of morals A religious person is one inspired to nobler living by this code He is identified by the code which is his source of illumination Thus we may say that a Christian is one who receives his spiritual ideals of right and wrong from the message of the Christ while a Buddhist is one who molds his life into the archetype of morality given by the great Gautama or one of the other Buddhas All doctrines which seek to unfold and preserve that invisible spark in man named Spirit are said to be spiritual Those which ignore this invisible element and concentrate entirely upon the visible are said to be material There is in religion a wonderful point of balance where the materialist and spiritist meet on the plane of logic and reason

The Lost Key Robert Lomas,2011-06-09 Robert Lomas is the bestselling co author of The Hiram Key and other international bestsellers on Freemasonic mysteries Many say he is the model for Dan Brown's hero Robert Langdon The Lost Key contains revelations that only an initiate of the highest orders of esoteric Freemasonry is in a position to make Here is the truth behind the hints in Dan Brown's The Lost Symbol that Freemasonry is concerned to reawaken the hidden potentialities and powers of the human mind The thrilling narrative of this new book follows a candidate for initiation as he rises through the different grades of initiation taking part in ceremonies that are sometimes terrifying but always revealing of new knowledge and presenting new mysteries which will only be solved when the next stage of initiation has been achieved Dramatic episodes include the re enacting of an ancient murder from 3 000 years ago in full gory detail lowering the candidate on the end of a rope into a dark vault under the floor of the temple holding a dagger to the candidate's naked breast and making the

candidate attend his own funeral In the secret teachings revealed to some high level initiates there is a type of instruction which seems curiously similar to religious and mystical teachings Astrology angels chakras and the powers of the mind to operate independently of the body such as in remote viewing are all a part of Freemasonic lore Robert Lomas is both a physicist he teaches physics at Bradford University and a Freemason Here he reveals to a wider public and also explains these secret teachings for the first time He shows that while they are dismissed as superstitious by campaigners for atheism such as Richard Dawkins they are very much part of the strange paradoxical world opened up by the latest thinking in quantum physics This is why he prefers to call them Supranatural The Lost Key Ephrem St. Livingston,2011-12-06 Carbn is a normal cat He runs a normal life he eats normal food drinks normal water and loves catnip like any other cat What changes his normal life is when an elderly cat next door tells him about a dark society that is driving cats to destroy their enemy target Carbn soon finds himself in a race to beat the mysterious group before the destruction of the United States He also begins to learn more about his companions and even finds out about a secret about himself that is being shunned away from his reach to know more The Finding of Martha Lost Caroline Wallace,2016-03-10 Liverpool 1976 Martha is lost She s been lost since she was a baby abandoned in a suitcase on the train from Paris Ever since she s waited in lost property for someone to claim her It s been sixteen years but she s still hopeful Meanwhile there are lost property mysteries to solve a suitcase that may have belonged to the Beatles a stuffed monkey that keeps appearing But there is one mystery Martha has never been able to solve and now time is running out If Martha can t discover who she really is she will lose everything
