**Six Major Prophets** Edwin Emery Slosson,2020-08-14 Reproduction of the original Six Major Prophets by Edwin Emery Slosson **Their Master's Voice** Chris Woodall,2020-11-03 Of the five books that make up the Major Prophets in the Old Testament three are amongst the largest of the Bible Isaiah Jeremiah and Ezekiel As if to underscore their Major status each one is significantly longer than the Minor Prophets combined Although the specific details of each prophet s contribution differ a more general overarching theme may be discerned in them all to remind their respective target audiences of their covenantal obligations The prevailing human condition throughout the ages ensures that while circumstances cultural development and technological advancements do change with time the underlying sinful disposition of mankind remains constant in every epoch Mercifully God s messages to both victim and perpetrator alike are similarly unchanging In the stream of progressive revelation it would be irresponsible simply to dip into the waters of the Old Testament and translate its lessons to our day without due process That process might include asking certain questions of the texts under consideration Are the lessons provided by these Old Testament saints applicable to us as Christians in the twenty first century Do their words still speak today Only if Christian believers are still prone to such folly as chasing disposable pleasures instead of choosing meaningful pursuits NIVAC Bundle 4: Major Prophets John N. Oswalt,J. Andrew Dearman,Iain M.

Duguid,Tremper Longman III,2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written **The Major Prophets** Charles M. Laymon,1983 **Twelve Prophets: Hosea, Joel, Amos, Obadiah, and Jonah** Peter C. Craigie,1984-01-01 Taken together the Twelve Prophets offer a panoramic view of Israel s religion

during one of the most critical periods in the Israelites history Hosea Joel Amos Obadiah and Jonah are the figures considered in this first of Peter C Craigie s two volume work Although differing in substance as well as style these prophetic books are united in their common purpose the declaration of the word of God to the people of God Carrying forward brilliantly the pattern established by Barclay s New Testament series the Daily Study Bible has been extended to cover the entire Old Testament as well Invaluable for individual devotional study for group discussion and for classroom use the Daily Study Bible provides a useful reliable and eminently readable way to discover what the Scriptures were saying then and what God is saying today

**All the Miracles of the Bible** Herbert Lockyer, 1988-09-26 This book discusses the supernatural in Scripture including the scope and significance of events and embodiments

The Major Prophets Big Dream Ministries, 2005 The Bible is simply a love letter compiled into sixty six books and written over a period of sixteen hundred years by more than forty authors living on three continents Although the authors came from different backgrounds there is one message one theme one thread that runs throughout the entire Bible from the first book Genesis to the last book Revelation That message is God s redeeming love for mankind a message that is as relevant for us today as it was two thousand years ago The five books of The Major Prophets Isaiah Jeremiah Lamentations Ezekiel and Daniel cover a significant time span and present a wide array of messages Isaiah spoke to the nation of Judah about 150 years before their exile into Babylonia and called them to be faithful to God Jeremiah cried out to those same people on the brink of that exile and pleaded for their repentance Lamentations written by Jeremiah presents a dirge as Judah went into exile The last two major prophets Ezekiel and Daniel spoke and wrote to the people in exile encouraging them to remember that God was still in control and would eventually restore the spiritual fortunes of His disciplined nation Three of these five books are quite long and all of them can at times be difficult to understand However the time and effort invested in striving to understand these writings will pay huge dividends It has been said that no other section of the Bible offers such a majestic and highly exalted picture of God His sovereignty is mindboggling His glory is breathtaking And in reading these books our faith finds new depths of confidence Get ready now to meet once again the God of the prophecies and to be amazed at the prophecies of God as they unfold in these first five prophetic books
