BOOK JACKET *The Canadian Encyclopedia* James H. Marsh, 1999

This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford

Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Naresh K. Malhotra,2021-01-25 God has a unique calling for every individual that fits His special plan and purpose for your life This calling is the way you are to live on the earth and encompasses all your being and doing Essentially calling refers to belonging to Christ and participating in His redemptive work in the world in the special way He has called you The two books in this series will help you to discern your calling from God and then pursue that calling with passion and obedience relying on the Lord Jesus Christ to fulfill the calling by doing His work in you and through you In the process you will experience miracles from God all to the glory of the Lord Jesus Christ You will benefit by getting to know God in a personal way deepening your daily walk with Him and fulfilling your calling By discerning responding and fulfilling your calling you will experience the abundant life God intends you to have John 10 10 In his books Dr Naresh Malhotra thoroughly explains the various callings of God with great insight from the Scriptures Whether you are trying to discern and respond to the calling of God on your life I encourage you to read both books starting with *God is Calling You* Discerning the Calling of God and following it up with his second book *God is Calling You Responding to the Calling of God* Dr Charles Stanley Senior Pastor First Baptist Church Atlanta Founder and President of In Touch Ministries These powerful and compelling volumes will not only inspire and challenge you to greater Christian living but could very well bring spiritual renewal and revival to the Christian Church Dr J Gerald Harris Pastor and retired editor of *The Christian Index* **Center Church** Timothy Keller,2012-09-04 Practical and Gospel centered thoughts on how to have a fruitful ministry by one of America s leading and most beloved pastor Many church leaders are struggling to adapt to a culture that values individuality above loyalty to a group or institution There have been so many church growth and effective ministry books in the past few decades that it s hard to know where to start or which ones will provide useful and honest insight Based on over twenty years of ministry in New York City Timothy Keller takes a unique approach that measures a ministry s success neither by numbers nor purely by the faithfulness of its leaders but on the biblical grounds of fruitfulness Center Church outlines a balanced theological vision for ministry organized around three core commitments Gospel centered The gospel of grace in Jesus Christ changes everything from our hearts to our community to the world It completely reshapes the content tone and strategy of all that we do City centered With a positive approach toward our culture we learn to affirm that cities are wonderful strategic and underserved places for gospel ministry Movement centered Instead of building our own tribe we seek the prosperity and peace of our community as we are led by the Holy Spirit Between a pastor s doctrinal beliefs and ministry practices should be a well conceived vision for how to bring the gospel to bear on the particular cultural setting and historical moment This is something more practical than just doctrine but much more theological than how to steps for carrying out a ministry Once this vision is in place it leads church leaders to make good decisions on how to worship disciple evangelize serve and engage
