Child support while good in concept and theory is a flawed system filled with a wealth of biases and unfair child support laws that many times aren't reasonable for the non custodial parent to honor. Child support enforcement has gotten more strenuous over the years and doesn't put forth much consideration of the obligations that non custodial parents may have to support themselves. While there are many parents who choose not to financially support their children, there are many who do. Nevertheless, the child support courts and the Office of Child Support Enforcement (CSE) have geared unfair child support laws to battle against deadbeat parents. Consequently, all non custodial parents, even those who are actively involved in their children's lives, are faced with a downward spiral of actions taken against them, making it almost impossible to recover from. Some of these atrocities include Warrants issued for arrest and imprisonment, Licenses suspended and/or passport revoked, Income taxes offset, Garnished paychecks, Difficulty finding employment. Therefore, this child support for dummies guide is intended to give parents with unfair and unreasonable child support payments information to determine fair monetary payments and how to set up a system that will force the state to honor those agreements. The goal is to not only protect the interests of children but to also prevent destruction of the non custodial parent's assets, capital, and livelihood. **Deadbeats** Simone Spence, 2000. If you're tired of excuses, fed up with the checks in the mail, and sick of seeing your kids go without, Deadbeats will take you step by step through the process of collecting every penny of child support you are owed. Don't just complain about your situation; take action. Make the system work for you and make that Deadbeat Pay Book jacket.

Deadbeat Dads Carl Hoffman, 1996. From wage withholding to seizure of personal property, Deadbeat Dads offers effective legal and inexpensive steps to locating and collecting from delinquent fathers. **Deadbeat Dad Buster** Roxanne Reiley, 1998-08-01. **Deadbeat Dad** Charles Fockaert, 2014-11-21. Do you have a son, a brother, or a friend who is planning to get married or divorced? Make sure he reads this book. DBD warns the reader of what can and often does happen during an American divorce. Blow by blow, watch the fight between the author and the corrupt judges in a corrupt legal system. Learn how the judges at the local, state, and federal level ignore laws and trample on the God-given inalienable rights of children and their fathers. Discover how the family legal system manufactures deadbeat dads to exploit and why so many so-called deadbeat dads can't or won't pay child support. This is an unbelievable but true story. Learn how the US family legal system creates criminals out of the children they separate from their dads and why so many divorced dads end up destitute. Save yourself money and heartache. The cost of this book is a small price to pay to learn from the author's experiences and be prepared.
