Written in a coffee talk format this is a VERY helpful book for both the seeker and Bible student Pastor Greg writes in a style as if he's sitting across from you talking one to one fielding your questions about Jesus as well as controversial topics A must read aid for everyone's library In everyone's life there comes a time when they go on a God search which usually involves listening to religious experts You watch CNN's Larry King Live show and a supposed religious expert says one thing about what the Bible really says and the very next night a different expert states just the opposite Most people think O.K. What's up with that You read about Christians being put in Roman coliseums with lions because they refuse to denounce their King missionaries in third world countries dying for their faith study martyrs over the last twenty centuries being killed for the cause only to watch stories of TV preachers living lavish lifestyles of jets limousines and mansions and say to yourself What's wrong with this picture The Biblical insights to all these relevant questions especially in a crazy confusing 9/11 violent world are in this no non sense straight ahead pull no punches examination of Christianity by Greg Haage a successful professional musician and recording artist who's now in ministry called to counsel and train others in the faith with one goal in mind Getting people free from religious works or denominational duties and pointing them to the One who made the footprints in the sand [www.UpFrontMinistries.com](http://www.UpFrontMinistries.com)      Make Me Merry Marie Johnston, From Marie Johnston comes a holiday age gap boss's daughter romance Dear Santa All I want for Christmas is a quiet week on my mom's ranch while she's gone and to watch my nieces and nephews open presents on Christmas morning I'd also like to be rescued from a power outage in a snowstorm and be thrown into the warm bed of a hot man Even better if I've had a major thing for that guy for most of my life If I walk in on him doing laundry when every stitch of his clothing is in the wash I'll consider that the best present ever What I'd really like for Christmas is for him to get over our age difference and the fact that he works for my mom and finally admit he has feelings for me But that might be a Christmas miracle I won't receive Christmas wishes Nora Barron Make Me Merry is a standalone read in the Coal Haven series formerly titled the Oil Barrons series Topics contemporary romance series romantic suspense series mystery modern romance urban romance wealthy city romance smart romance mystery lighthearted romance hot romance sexy heartwarming heart warming family love love books kissing books emotional journey contemporary contemporary romance romance series wealthy hero sassy strong heroine captivating romance hot hot romance sparks loyalty swoon contemporary bodyguard forced marriage marriage arrangement morally gray hero beach read romantic vacation found family strong heroine caretaker protective hero steamy spicy holiday romance age gap Other readers enjoyed books by Riley Edwards Cat Johnson Alexis Abbott Lori Ryan Meghan March Kristin Ashley Brittney Sahin Sharon Hamilton Catherine Cowles Lexi Blake Piper Davenport Abbie Zanders Lani Lynn Vale Kristen Proby Vanessa Vale Denver Perry Corinne Michaels K Bromberg Melanie Harlow      The Works of G. Edward Spann, Michael Edward Williams, 2008 Presidential Praise Our Presidents and Their Hymns offers the most comprehensive coverage ever written of the influence of hymns on the lives and administrations of America's presidents Each chapter begins with Michael Williams's concise presentation of each president's path to the White House and his accomplishments and failures as president C Edward Spann then introduces how each

president regarded music whether or not he was musical and music in the White House during each president's administration. These hymns may be related to developments in the life of the president including his spiritual journey, major decisions he had to make as president or even his selection of the inaugural Scripture. Spann then tells the story of how the hymn was written, both the words and the music. Presenting this scholarly material in an inspiring manner is part of the delight of the book. In doing so, the book covers a panorama of hymnody from 1614 to the 1980s. After an interpretation of the words, it is demonstrated why the chosen hymns were meaningful to each president. The format of each chapter reveals this special emphasis that can't be found elsewhere.
