**MAKE BETTER DECISIONS** BHANU SRIVASTAV,2022-07-07 Making decisions is something we do all the time We decide what we re going to wear for the day what we re going to eat and make so many other large and small decisions from moment to moment Decision making is how we survive but just because we do already do it doesn t necessarily mean we have the skills or fortitude to Make Better Decisions Sound decisions that are aligned with our values hopes dreams and aspirations require more than a rote response What we fail to understand are the fundamentals of making the right decision for ourselves and in some cases those who depend on us for some of life s most important decisions Make Better Decisions provides a road map to shoring up our decision making skills and helping us to follow a path that aligns with where we want to go Without these crucial skills we can inadvertently sabotage our efforts and create roadblocks to our success Here is a sampling of what you ll find in this book How to unlearn bad decision making skills Why it s important to not make rash decisions Creating realistic deadlines for yourself How to create and weigh better options When to see help from an outside source How to put what you ve learned into practice If you re ready to take your decision making skills to the next level read Make Better Decisions today

**Make Better Strategic Decisions** Jeremy N. White,2023-12-15 Every day we hear of serious errors of judgement that result in organisational disaster Why do seemingly successful businesses NGOs or even political parties fall prey to irrevocable governance breakdowns or worse still criminal malpractice By prompting readers to think deeply about strategic decision making human behaviour and cognitive biases this book offers a disciplined objective and thoughtful approach to making better decisions Every strategic problem is fundamentally a journey into the unknown which involves a unique combination of duration scale external and internal dynamics and personal motivations Rarely is a strategic decision solved by saying If a situation is A then the solution is B The book explores how to develop a strong foundation for problem resolving rather than simplistic problem solving by strengthening competence so that decisions are made wisely The case of Carillion plc the second largest construction group in the United Kingdom that went bankrupt in January 2018 is used to explore how a large and profitable company collapsed so dramatically when it was run by an experienced board and advised by three of the Big Four accounting firms Professor Jeremy N White presents a clear strategic toolkit for better strategic decision making This book will appeal to senior managers who are interested in techniques for making better strategic decisions The lessons from the failure of Carillion plc are applicable to corporate leaders in addition to politicians and those who run not for profit organisations
