**The Old Way** Elizabeth Marshall Thomas, 2006 Publisher description Gifts from the Thunder Beings Roland Bohr, 2014-05-01 Gifts from the Thunder Beings examines North American Aboriginal peoples use of Indigenous and European distance weapons in big game hunting and combat Beyond the capabilities of European weapons Aboriginal peoples ways of adapting and using this technology in combination with Indigenous weaponry contributed greatly to the impact these weapons had on Aboriginal cultures This gradual transition took place from the beginning of the fur trade in the Hudson s Bay Company trading territory to the treaty and reserve period that began in Canada in the 1870s Technological change and the effects of European contact were not uniform throughout North America as Roland Bohr illustrates by comparing the northern Great Plains and the Central Subarctic two adjacent but environmentally different regions of North America and their respective Indigenous cultures Beginning with a brief survey of the subarctic and Northern Plains environments and the most common subsistence strategies in these regions around the time of contact Bohr provides the context for a detailed examination of social spiritual and cultural aspects of bows arrows quivers and firearms His detailed analysis of the shifting usage of bows and arrows and firearms in the northern Great Plains and the Central Subarctic makes Gifts from the Thunder Beings an important addition to the canon of North American ethnology The Far Tribes Richard S. Wheeler, 2007-07-31 There are many legends of great mountain men hunters and trappers who manage to survive on their own in the harsh landscapes and forests of the West The frontier is full of adversity from blood hungry natives to the vicious beasts of the mountains and the one name that all men of the frontier praise and whisper as if in prayer is Barnaby Skye Elkanah Morse came west from Lowell Massachusetts with one goal in mind to study the ways of the far tribes But entrance into their world is not easy Only one man is capable of bringing him to the natives safely only one man who knows exactly what to bring for trade But Skye s advice is not enough When rumors begin to spill that Morse is being held captive by one of the most vicious tribes in the mountains Barnaby Skye feels compelled to take to the mountains and rescue the man but he must face his most brutal battle yet Lakota Texts Regina Pustet, 2021-04 Lakota Texts is a treasure trove of stories told in the original language by modern Lakota women who make their home in Denver Colorado Sometimes witty often moving and invariably engaging and fascinating these stories are both autobiographical and cultural The stories present personal experiences along with lessons the women have learned or were taught about Lakota history culture and legends The women
