Jacqueline has spent years taking note of what she has learned She wrote her book because of her love for the Lord and desire to teach others how to live a joyful Christian life that bears fruit bringing glory to our Lord Spiritual vitamins are examples of solutions taken from the Bible to handle every day trials that have been around since sin entered the world The excerpts listed below are only three of the 31 Jacqueline discusses She has had firsthand experience with successfully applying what she learned from the Word of God Are we angry with God because of our present situation Are we angry because someone has mistreated us Are we angry because of the injustice of an unfavorable court decision Are we justifying our anger by our thinking that God wants us to teach others a lesson Get rid of all bitterness rage anger harsh words and slander as well as all types of malicious behavior Ephesians 4:31 Sometimes we are offended by the remarks from these others and the offense is even more difficult to handle when we know it was a deliberate act Where do we even begin to start working our way through the complexity of loving people we find difficult The answer is simple the Holy Spirit teaches and enables us to do this He teaches us to move beyond the hurt and pain of the offense and to conquer evil by doing good Don't let evil get the best of you but conquer evil by doing well Romans 12:21 From the start to the finish line we need to utilize God's power We are not to be like those who choose to sit on the bleachers and criticize Is the race always an easy one No There may be many bumps in the road but our dedication determination perseverance and love for Jesus will help us run across the finish line as a winner for Him don't let this bad example influence you Follow only what is good III John 1:11

The Path Rev. Dr. Ebele Okonkwo Onuigbo,2016-06-23 Decision making is a fundamental aspect of our daily lives shaping our paths through the resolutions we reach after careful consideration From the simplest choices to the most complex dilemmas individuals continuously navigate the terrain of decision making throughout their lifetimes These decisions serve as compass points guiding us toward the fulfillment of our goals and aspirations whether they lead to positive outcomes or negative consequences How many individuals truly take the time to thoroughly consider the available facts before diving into the decision making process Engaging in wise deliberation of facts prior to making a decision is crucial for ensuring that the

resulting choice will have a meaningful impact whether on the individual themselves or the circumstances at hand So how does one go about making a wise decision It involves carefully weighing the available information considering potential consequences and evaluating the implications for both oneself and others in the surrounding community Ultimately the decisions we make not only shape our own lives but also have far reaching effects on the well being and experiences of those around us In the modern world we observe a striking dichotomy between Jesus purpose driven ethos and the prevalent self centered pursuits that often consume individuals Amidst the clamor for material possessions societal status and personal comfort many seem to lose sight of life s deeper significance While the pursuit of such desires is not inherently erroneous an excessive fixation on them can obscure individuals from fulfilling their higher calling
