Making Minnesota Territory1849 1858:

Making Minnesota Territory, 1849-1858 Anne R. Kaplan, Marilyn Ziebarth, 1999 In this lively collection of essays historians reassess the events and meaning of Minnesota Territory 150 years after its creation They describe how its birth in 1849 during the growing national conflict over slavery forever changed the lives of Minnesota's native and mixed blood residents Reinterpreting the rush to statehood in 1858 these writers offer fresh insights into the roles played by wildly optimistic territorial promoters and the no holds barred newspapers of the time Back cover Minnesota Territory. **1849-1858**, 1999 Activities and stories about Minnesota in the years before it became a state Home page Minnesota Holly Day, Sherman Wick, 2016-10-10 The riverfront always drew people to Stillwater The Ojibwe and Dakota first settled here later striking a treaty with Europeans who quickly realized the St Croix River's potential as an ideal way to move lumber One of the first to float logs down the river was Captain Stephen Hanks cousin to Abraham Lincoln The lumber business gave birth to Minnesota's first millionaire as the city grew and Stillwater received one of the state's first Carnegie grants for a free public library Meanwhile the state prison saw notorious gangster Cole Younger found the Prison Mirror in 1887 now the nation's oldest continuously operated offender newspaper Authors Holly Day and Sherman Wick celebrate the history and charm of one of Minnesota's finest cities from the frontier to today The Origin Story of Fort Road/West Seventh Street, the Township/City of Saint Paul, the Territory/State of Minnesota: Glacial Age Forward Joseph Landsberger, 2025-08-01 The relationship of a people to the lands where they live is crucial for understanding their history and culture From Bdote to Imnizha ska from Fort Snelling to Seven Corners the West End in Saint Paul Minnesota has had a complex geologic and demographic history These origins elucidate settlement patterns beginning with Native peoples particularly the eastern Dakota Successive evolution dates from extractive European colonialism beginning with French explorers traders and missionaries However a m tis population is soon displaced by East Coast claimants and speculators following acquisition of Native lands With the opening of those lands to settlement early working class European settler immigrants from Bavaria Bohemia and Baden W rttemberg drained swamps and cleared the Big Woods who worked and built who organized and socialized Successive waves included Italians Irish Blacks Jews et al They built what has become the oldest housing stock and commercial strip of the State of Minnesota Fast forward to post World War II times the stresses of these same inner city neighborhoods are reclaimed by a dynamic activist group of neighbors who resist urban renewal plans While neighborhoods from east to west from Irvine Park to Kipps Glenn were saved historic sites including the Schmidt Brewery complex and Czech and Slovak hall achieved national historic prominence parks community centers schools churches streetscapes were restored often in response to destructive efforts that diminished not only their cultural importance but also environmental as relates to the Mississippi River its bluffs and terraces Minnesota guilts Helen Kelley, Lee Sandberg, Greg Winter, Minnesota Quilts Creating Connections with Our Past is a unique treasury of exceptional

quilts fascinating quilters and their stories from the Minnesota Quilt Project whose members traveled the state for nearly twenty years photographing and documenting quilts and interviewing quiltmakers. The result is a collection as varied and expressive as the makers themselves From early pioneer days to the 1970s these quilts showcased in glorious full color photographs span a significant era of Minnesota and reflect our distinctive heritage. Whether you re a quilter or someone who has a love of quilts and their history this collection of Minnesota's extraordinary patchworks will help you create connections with your past. The Civil War and the West Carol L. Higham, 2013-10-01 Between 1800 and the Civil War the American West evolved from a region to territories to states. This book depicts the development of the antebellum West from the perspective of a resident of the Western frontier What happened in the West in the lead up to and during the American Civil War. The Civil War and the West The Frontier Transformed provides a clear and complete answer to this question. The work succinctly overviews the West during the antebellum period from 1800 to 1862 supplying thematic chapters that explain how key elements and characteristics of the West created conflict and division that differed from those in the East during the Civil War. It looks at how these issues influenced the military settlement and internal territorial conflicts about statehood in each region and treats the Cherokee and other Indian nations as important actors in the development of a national narrative

Anderson, Dag Blanck, 2001 A collection of essays by scholars from both the United States and Sweden investigate various facets of Swedish life and culture in the Twin Cities **38 Nooses** Scott W. Berg, 2013-09-10 A Kirkus Reviews Best Book of the Year In August 1862 after suffering decades of hardship broken treaties and relentless encroachment on their land the Dakota leader Little Crow reluctantly agreed that his people must go to war After six weeks of fighting the uprising was smashed thousands of Indians were taken prisoner by the US army and 303 Dakotas were sentenced to death President Lincoln embroiled in the most devastating period of the Civil War personally intervened to save the lives of 265 of the condemned men but in the end 38 Dakota men would be hanged in the largest government sanctioned execution in U S history Writing with uncommon immediacy and insight Scott W Berg details these events within the larger context of the Civil War the history of the Dakota people and the subsequent United States Indian wars and brings to life this **Conflicted Mission** Linda M. Clemmons, 2014 From the mid 1830s overlooked but seminal moment in American history to the 1860s the missionaries sent to Minnesota by the American Board of Commissioners for Foreign Missions ABCFM wrote thousands of letters to their supervisors and supporters claiming success in converting the Dakota people But author Linda M Clemmons reveals that the reality of the situation was far more conflicted than what those written records would suggest In fact in the rough Minnesota territory missionaries often found themselves looking to the Dakota for support The missionaries and their wives struggled to define what it meant to convert and civilize Dakota people And although many scholars depict missionaries as working hand in hand with the federal government Clemmons reveals discord over the Dakota people's treatment especially after the U.S. Dakota War of 1862 when many missionaries spoke out against exile The missionaries found that work with the Dakota was rarely as heroic romantic or successful as what they read about in the evangelical press but at the same time they themselves painted a rosier picture of their own work American Indian History Day by Day Roger M. Carpenter, 2012-10-02 This unique day by day compilation of important events helps students understand and appreciate five centuries of Native American history Encompassing more than 500 years American Indian History Day by Day A Reference Guide to Events is a marvelous research tool Students will learn what occurred on a specific day read a brief description of events and find suggested books and websites they can turn to for more information The guide s unique treatment and chronological arrangement make it easy for students to better understand specific events in Native American history and to trace broad themes across time The book covers key occurrences in Native American history from 1492 to the present It discusses native interactions with European explorers missionaries and colonists as well as the shifting Indian policies of the U S government since the nation s founding Contemporary events such as the opening of Indian casinos are also covered In addition to accessing comprehensive information about frequently researched topics in Native American

history students will benefit from discussions of lesser known subjects and events whose causes and significance are often misunderstood The North Star State Anne J. Aby, 2002 Culled from the best of Minnesota History magazine these essays on 200 years of Minnesota history encompass a wide range of its past from frontier life to the age of technological innovation from Dakota and Ojibwe history to the story of a Chinese family in St Paul from lumber workers and truckers strikes to the women s suffrage movement State Names, Seals, Flags, and Symbols Benjamin F. Shearer, Barbara S. Shearer, 2001-10-30 This must have third revised and newly expanded edition of the only single reference source for information about state symbols features over 300 information updates plus three new chapters updated license plate illustrations and a newly formatted design for ease of use Libraries that hold earlier editions of this work need this edition to keep their information on the states and territories current With the addition of new chapters on state and territory universities state and territory governors throughout U S history state professional sports teams and a complete revision of the chapter on state and territory fairs and festivals the work now totals 17 chapters of essential information that is a treasure trove for students This completed redesigned reference work features chapters on state and territory names and nicknames mottoes seals flags capitals flowers trees birds songs legal holidays and observances license plates postage stamps miscellaneous designations fairs and festivals universities governors professional sports teams and a bibliography of state and territory histories The work features full color illustrations of every state and territory seal flag flower tree bird commemorative postage stamp and license plate updated for this edition The Making of the Populist Movement Adam Slez, 2020-08-11 When it comes to explaining the origins of electoral populism in the United States we often look to the characteristics and conditions of voters overlooking the reasons why populist candidates emerge in the first place In The Making of the Populist Movement Adam Slez argues that the rise of electoral populism in the American West was a strategic response to a political environment in which the configuration of positions was literally locked in place precluding the success of new contenders or otherwise marginal competitors Combining traditional forms of historical inquiry with innovations in network analysis and spatial statistics he shows how the expansion of state and market drove the push for market regulation in southern Dakota where an insurgent farmers movement looked to third party alternatives as a means of affecting change In the context of western settlement the struggle for political power was synonymous with the struggle for position in an emerging urban hierarchy As inequities in the spatial distribution of resources became more pronounced appeals to agrarian populism became a powerful political tool with which to wage partisan war Offering a fresh take on the origins of electoral populism in the United States The Making of the Populist Movement contributes to our understanding of political action by explicitly linking the evolution of the political field to the transformation of physical space through concerted action on the part of elites Female Husbands Jen Manion, 2020-03-26 Long before people identified as transgender or lesbian there were female husbands and the women who loved them Female husbands people assigned

female who transed gender lived as men and married women were true queer pioneers Moving deftly from the colonial era to just before the First World War Jen Manion uncovers the riveting and very personal stories of ordinary people who lived as men despite tremendous risk danger violence and threat of punishment Female Husbands weaves the story of their lives in relation to broader social economic and political developments in the United States and the United Kingdom while also exploring how attitudes towards female husbands shifted in relation to transformations in gender politics and women s rights ultimately leading to the demise of the category of female husband in the early twentieth century Groundbreaking and influential Female Husbands offers a dynamic varied and complex history of the LGBTQ past The Bourgeois Frontier Iav Gitlin, 2009-12-01 Histories tend to emphasize conquest by Anglo Americans as the driving force behind the development of the American West In this fresh interpretation Jay Gitlin argues that the activities of the French are crucial to understanding the phenomenon of westward expansion The Seven Years War brought an end to the French colonial enterprise in North America but the French in towns such as New Orleans St Louis and Detroit survived the transition to American rule French traders from Mid America such as the Chouteaus and Robidouxs of St Louis then became agents of change in the West perfecting a strategy of middle grounding by pursuing alliances within Indian and Mexican communities in advance of American settlement and re investing fur trade profits in land town sites banks and transportation The Bourgeois Frontier provides the missing French connection between the urban Midwest and western expansion
