

THE MAKING OF **MODERN RUSSIA**

LIONEL KOCHAN AND
RICHARD ABRAHAM

Making Modern Russia

Peter France

Making Modern Russia:

The Making of Modern Russia Lionel Kochan, Richard Abraham, 1983 **The Making Modern Russia** Lionel Kochan, 1977 Myth Making in the Soviet Union and Modern Russia Vicky Davis, 2017-11-30 The 1943 battle to free the Soviet Black Sea port of Novorossiisk from German occupation was fought from the beach head of Malaia zemlia where the young Colonel Leonid Brezhnev saw action Despite widespread scepticism of the state's appropriation and inflation of this historical event the heroes of the campaign are still commemorated in Novorossiisk today by an amalgam of memoir monuments and ritual Through the prism of this provincial Russian town Vicky Davis sheds light on the character of Brezhnev as perceived by his people and on the process of memory for the ordinary Russian citizen Davis analyses the construction and propagation of the local war myth to link the individual citizens of Novorossiisk with evolving state policy since World War II and examines the resultant social and political connotations Her compelling new interdisciplinary evidence reveals the complexity of myth and memory challenging existing assumptions to show that there is still scope for the local community and even the individual in memory construction in an authoritarian environment This book represents a much needed departure from the study of myth and memory in larger cities of the former Soviet Union adding nuance to the existing portrait of Brezhnev and demonstrating the continued importance of war memory in Russia today *The Making of Modern Russia* Lionel Kochan, 1973 **Power in modern Russia** Andrew Monaghan, 2017-09-20 The book explores the Russian leadership's strategic agenda and illuminates the range of problems it faces in implementing it Given these difficulties and the Russian leadership's concerns about an unstable and increasingly competitive world the Russian official and expert community often use the term mobilisation to describe the measures that Moscow is increasingly resorting to in order to implement its agenda The book explores what this means and concludes that many of the terms used in the Western debate about Russia both misdiagnose the nature of the challenge and misrepresent the situation in Russia At a time when many of the books about Russia are focused specifically on the war in Ukraine and the deterioration in relations between the Euro Atlantic community and Russia or are biographies of Vladimir Putin it offers a new and unique lens through which to understand how Russia works and how Russian domestic and foreign politics are intimately linked *The Making of Holy Russia* John Strickland, 2013-09-01 This book is a critical study of the interaction between the Russian Church and society in the late 19th and early 20th century While other studies exist that draw attention to the voices in the Church typified as liberal in the years leading up to the Revolution this work introduces a wide range of conservative opinion that equally strove for spiritual renewal and the spread of the Gospel Grounded in original research conducted in the newly accessible libraries and archives of post Soviet Russia this study is intended to reveal the wider relevance of its topic to an ongoing discussion of the relationship between national or ethnic identities on the one hand and the self understanding of Orthodox Christianity as a universal and transformative faith on the other **The Making of Modern Russia** Lionel Kochan, John L. H. Keep, 1997

Drawing on documentation only recently made available in the West this extensively revised and updated edition reflects current views in Russia and abroad on the country's past as it approaches the new millennium **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved *Thinking Orthodox in Modern Russia* Patrick Lally Michelson, Judith Deutsch Kornblatt, 2014-07-31 This collection of essays on Russian religious thought focuses on the extent to which Russian culture and ideology has been informed by the nation's roots in Orthodox Christianity Russia, 1855-1991 Peter Oxley, 2001 Written for the AS A2 examinations this book focuses on exam board selected topics It covers almost 150 years of Russian history from Alexander II through Glasnost to the modern times It deals the period 1895-1941 with separate chapters on the Russian Revolution Lenin and Stalin **A HISTORY OF MODERN RUSSIA** Robert Service, 2013-02-04 Russia had an extraordinary twentieth century undergoing upheaval and transformation Updating his acclaimed History of Modern Russia Robert Service provides a panoramic perspective on a country whose Soviet past encompassed revolution civil war mass terror and two world wars He shows how seven decades of communist rule which penetrated every aspect of Soviet life continue to influence Russia today This new edition takes the story from 2002 through the entire presidency of Vladimir Putin to the election of his successor Dmitri Medvedev *Poets of Modern Russia* Peter France, 1982 A serious and detailed study of modern Russian poetry aimed at readers with little or no Russian

Succession to the Throne in Early Modern Russia Paul Bushkovitch, 2021-03-18 This revisionist history explores how the tsar's power was transferred in Russia over three centuries as cultural practices and customs evolved *Sophia, Regent of Russia, 1657-1704* Lindsey Hughes, 1990-01-01 Om Sof ja 1657-1704 der som formynder for sine yngre br dre Fedor 1661-1682 og Ivan 1666-1696 var Ruslands f rste kvindelige regent **Imperial Russia** J. Paxton, 2000-11-17 Imperial Russia provides an accessible reference tool for students researchers historians and Russian history enthusiasts It covers the period from Ivan IV to the death of Nicholas II There are chronologies for each of the reigns and the handbook covers important political and administrative changes the influence of the West religion serfdom and economic progress Wars and international relations are succinctly explained as is the rise of radicalism and the revolutions of 1905 and 1917 Other sections deal with education the arts law press and censorship It is essential reading for anyone interested in Soviet and East European history **Misinterpreting Modern Russia** Bruno S. Sergi, 2011-10-27 When President Vladimir Putin ascended to the Kremlin at the end of the 1990s he had to struggle with the after effects of Boris Yeltsin's political agenda outrageous corruption endless social injustice and deeply entrenched interests dating back to Gorbachev and beyond From the outset Putin saw his task as leveling out the political scenery Discontent had been building up among ordinary Russians on these consequences of the dramatically unstable 1990s Stabilization of the political system and cleaning up the widespread corruption were Putin's aims and the Russian people supported him wholeheartedly Many observers in the West were quick to condemn Putin and depict him as an authoritarian dishonest leader who was still linked to the KGB When asked why

Russians were supporting the new Kremlin many experts explained that it was a paradox that combined the country's supposed history of tyranny and its people's inclination towards it. These explanations shaped the West's understanding of modern Russia and they appear to be unshakeable in cultural circles today. Bruno Sergi argues in this new study that the way to know the complete story behind how Putin's presidency has been viewed in Russia is to examine closely the hard realities that conditioned Putin's policies and responses. *Misinterpreting Modern Russia: Western Views of Putin and his Presidency* looks beyond the stereotypes to the hard logic of the 1990s and asks a range of provocative questions about the disintegration of the old Soviet empire and the extraordinary riches that have caused so much opportunity and turmoil in recent years.

Russia's Hero Cities Ivo Mijnsen, 2021-05-04 World War II known as the Great Patriotic War to Russians ravaged the Soviet Union and traumatized those who survived. After the war, memory of this anguish was often publicly repressed under Stalin. But that all changed by the 1960s. Under Brezhnev, the idea of the Great Patriotic War was transformed into one of victory and celebration. In *Russia's Hero Cities*, Ivo Mijnsen reveals how contradictory national recollections were revised into an idealized past that both served official needs and offered a narrative of heroism. This triumphant narrative was most evident in the creation of 13 Hero Cities now located across Russia, Belarus and Ukraine. These cities, which were host to some of the fiercest and most famous battles, were named champions. Brezhnev's government officially recognized these cities with awards, financial contributions and ritualized festivities. Their citizens also encountered the altered history at every corner: on manicured battlefields in war memorials and through stories at the kitchen table. Using a rich tapestry of archival material, oral history interviews and newspaper articles, Mijnsen provides a thorough exploration of two cities in particular: Tula and Novorossiysk. By exploring the significance of Hero Cities in Soviet identity and the enduring but conflicted importance they hold for Russians today, *Russia's Hero Cities* exposes how the Great Patriotic War no longer has the power to mask the deep rifts still present in Russian society.

Russian Writers and Society in the Nineteenth Century Ronald Hingley, 2021-06-15 This book, first published in 1977, begins with a close look at the lives of nineteenth-century Russian writers and at the problems of their profession. It then examines their environment in its broader aspects: the Russian empire being considered from the point of view of geography, ethnography, economics and the impact of individual Tsars on writers and society. A discussion of the main social estates follows and concluding is an analysis in their literary context of the activities of the competing forces of cohesion and disruption in imperial society: the civil service, law, courts, police, army, schools, universities, press, censorship, revolutionaries and agitators. This book makes possible a fuller understanding of the works of Pushkin, Dostoyevsky, Chekhov and the other great Russian writers.

The Politics of Security in Modern Russia Mark Galeotti, 2016-03-03 The Putin era saw a striking securitization of politics, something that he has bequeathed to his chosen successor, Dmitry Medvedev. The omens from the early days of the Medvedev presidency have been mixed, marked both by less confrontational rhetoric towards the West and by war with Georgia and continued re

armament Has the Medvedev generation learned the lessons not just from the Soviet era but also from the Yeltsin and Putin presidencies or will security remain the foundation of Russian foreign and domestic policy Fully up to date to reflect the evolving Medvedev presidency the 2008 Georgian war and the impact of the economic downturn this volume is a much needed objective and balanced examination of the ways in which security has played and continues to play a central role in contemporary Russian politics The combination of original scholarship with extensive empirical research makes this volume an invaluable resource for all students and researchers of Russian politics and security affairs *Russia and Eastern Europe, 1789-1985* Raymond Pearson, 1989 Russia in the Making John Lawrence, 2025-07-01 In *Russia in the Making* originally published in 1957 John Lawrence presents the long and complicated history of Russia as a living and intelligible whole from the very beginning Based on a wide knowledge of Russian history and a considerable experience of Soviet ways his book provides an admirable starting point for wider reading The author gives a clear outline which demonstrates how authoritarianism is in the tradition of Russian history Full value is given to the immense changes brought about by the revolution and the book ends with an analysis of the changes in social structure that forced Stalin's work into another mould This book demands no previous knowledge of its subject The author has used his knowledge of Soviet ways to produce from a complicated and confusing record a most readable and easily digestible narrative

As recognized, adventure as skillfully as experience just about lesson, amusement, as capably as understanding can be gotten by just checking out a ebook **Making Modern Russia** as well as it is not directly done, you could acknowledge even more in relation to this life, in the region of the world.

We meet the expense of you this proper as capably as easy mannerism to acquire those all. We have the funds for Making Modern Russia and numerous book collections from fictions to scientific research in any way. accompanied by them is this Making Modern Russia that can be your partner.

Making Modern Russia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Making Modern Russia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Modern Russia has opened up a world of possibilities. Downloading Making Modern Russia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Modern Russia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Modern Russia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Modern Russia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Modern Russia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making Modern Russia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Making Modern Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Modern Russia is one of the best book in our library for free trial. We provide copy of Making Modern Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Modern Russia. Where to download Making Modern Russia online for free? Are you looking for Making Modern Russia PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Making Modern Russia. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Making Modern Russia are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Making Modern Russia. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our

ebook online or by storing it on your computer, you have convenient answers with Making Modern Russia To get started finding Making Modern Russia, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Making Modern Russia So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Making Modern Russia. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Making Modern Russia, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Making Modern Russia is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Making Modern Russia is universally compatible with any devices to read.
