Making Of A Sino Marxist World View:

The Making of a Sino-Marxist World View Dorothea A.L. Martin,2019-07-25 Outlines the political pressures that have shaped the writing and interpretation of modern world history in post 1949 China and assesses the impact of these pressures and political themes through three case studies the 17th century English revolution the Paris Commune and the treatment of the Th The Making of a Sino-Marxist World View, Writing World History in the People's Republic of China ,1985

Bibliography leaves 158 175 **World History and National Identity in China** Xin Fan,2021-02-25 Nationalism is pervasive in China today Yet nationalism is not entrenched in China s intellectual tradition Over the course of the twentieth century the combined forces of cultural social and political transformations nourished its development but resistance to it has persisted Xin Fan examines the ways in which historians working on the world beyond China from within China have attempted to construct narratives that challenge nationalist readings of the Chinese past and the influence that these historians have had on the formation of Chinese identity He traces the ways in which generations of historians from the late Qing through the Republican period through the Mao period to the relative moment of opening in the 1980s have attempted to break cross cultural boundaries in writing an alternative to the national narrative **The Making of Sino-Marxist**

World View Dorothea A. L. Martin,1985 **Chinese Political Culture** Shiping Hua,Andrew J. Nathan,2016-07-08 Until this book there has been no comprehensive methodologically aware study of all aspects of Chinese political culture The book is organized into three major areas Chinese identities and popular culture regional identities anti politics attitudes Hong Kong identity public opinion surveys the Beijing area Chinese workers the Shanghai area and ideological debates the new Confucianism masculinity and Confucianism why authoritarianism is popular in China the decline of Chinese official ideology Here is the first work that reveals just how much how rapidly and how dramatically China is changing and why our perceptions of China must keep pace **Morning Sun** Laifong Leung,Jan Walls,2016-09-16 This is a collection of interviews with 26 writers of China s zhiqing generation relatively young artists who participated in the Cultural Revolution as teen age Red Guards suffered through the subsequent rustication of intellectual youth and eventually returned to relatively normal lives but always with a tragic hiatus haunting their formative years While one goal of Professor Leung is to introduce to the West an important group of writers little known outside China she also aims to succeed through the interviews in providing a special perspective on the devastating political history of China since the 1970s years through the eyes of its keenest observers and in offering a perspective on the social political and cultural milieu of the period **China in the Era of Deng**

Xiaoping: A Decade of Reform M.Y.M. Kau,Susan H. Marsh,Michael Ying-mao Kau,2016-09-16 This is a reference on the ten years 1978 to 1987 of Deng Xiaoping s power in China It also offers the views of Sinologists of the time The concluding section examines policy implications arising from Deng s rule for the four great East Asian powers **Local Government and Politics in China** Yang Zhong,2015-02-18 After over a decade of administrative and economic reform in mainland China

the center has become increasingly remote and less important for many localities In many ways the mobilization capacity of the central government has been weakened Central government policies are often ignored and local officials are often more interested in personal projects than in centrally directed economic plans In this study of local government and politics in China the author explores when and why local government officials comply with policy directives from above Drawing on interviews with government officials in various municipalities and a review of county records and other government documents he provides the first in depth look at policy implementation at the county and township levels in the PRC The book examines the impact of the Chinese cadre system on the behavior of local officials local party and government structure relationships among various levels of Chinese local government policy supervision mechanisms at local levels village governance of China and more

China's Automobile Industry Eric Harwit, 2016-09-16 The author presents an argument for a system of social insurance that replaces welfare with a Guaranteed Adequate Income The book reviews public assistance programmes and evaluates other plans that have been proposed

Chinese Provincial Leaders Alan M. Glassman, Deone Zell, Shari Duron, 2005 An emergent approach to organizational strategy making assumptions that few organizations actually realize the goal of deliberative top down strategic planning and that effective strategy making occurs on a continual basis and is a shared activity of the entire organization This innovative book provides the first in depth look at how real organizations are formulating and implementing strategic change under this new paradigm The authors have dug deep into three large and varied organizations Hewlett Packard the California State University system and the County of Los Angeles and identified each one's efforts to develop a new strategic planning process better suited to match the current pace of change and environmental unpredictability The book is filled with vignettes quotes and real world examples that illustrate the trend toward faster more adaptive strategic planning processes It is relevant for a wide range of business governmental and non profit settings and should be required reading in any course on strategic planning

Domestic Law Reforms in Post-Mao China Pitman B. Potter, Stanley Lubman, 2019-07-12 This volume explores various aspects of the law in transition in post Mao China Stanley Lubman's introduction places each of the substantive chapters in the larger context of Chinese legal studies Edward Epstein analyses the transplanting of European and Anglo American legal ideologies into China and the dilemmas this poses for the rule of law and legitimation in the reform period Murray Scot Tanner analyses reforms in the legislative process focusing particularly on the separation of the Communist Party from day to day legislative affairs and

more pluralistic tendencies in the legislative process William C Jones by addressing the opinion of the Supreme People's Court regarding implementation of the general principles of civil law raises compelling questions about legal interpretation in China in the context of social reform James Feinerman analyses developments in Chinese contract law raising the question as to whether in China it can form a basis for predictability and certainty in commercial transactions that are integral to the economic reforms Judy Polumbaum studies developing efforts to enact a press law reflecting the uses to which law has been put in pursuit of the political issue of press reform Finally Pitman Potter analyses the emerging concept of judicial review in the context of the Administrative Litigation Law of the PRC an important aspect of political reform in China By addressing these issues the authors aim to reveal the various aspects of the developing autonomy that is embodied in China's legal reforms

Dialogues Across Civilizations Roxann Prazniak, 2018-05-04 *Dialogues Across Civilizations* sets the histories of China and Europe alongside one another Each chapter stands as an essay that imaginatively places historical individuals and events in proximity to one another and explores a specific topic gender relations rural politics artistic renderings of nature to name a few through the stories of persons who reflected on similar questions but in different social and cultural settings Through this juxtaposition Chinese and European civilizations illuminate each other's achievements problems and limitations in a range of areas from urban history to religious faith Privileging neither Europe nor China this work offers an innovative move away from relativism and multiculturalism towards an analysis that focuses on relationships between social choices and consequences As a result both common and divergent perspectives on the human condition emerge for discussion Drawing upon a rich literature of cross societal studies *Dialogues Across Civilizations* generates reflection on themes central to the study of world history as well as European and Asian history

Inventing China through History Q. Edward Wang, 2001-01-01 A critical examination of the rise of national history in early twentieth century China

A Global History of Modern Historiography Georg G Iggers, Q. Edward Wang, Supriya Mukherjee, 2013-09-13 So far histories of historiography have concentrated almost exclusively on the West This is the first book to offer a history of modern historiography from a global perspective Tracing the transformation of historical writings over the past two and half centuries the book portrays the transformation of historical writings under the effect of professionalization which served as a model not only for Western but also for much of non Western historical studies At the same time it critically examines the reactions in post modern and post colonial thought to established conceptions of scientific historiography A main theme of the book is how historians in the non Western world not only adopted or adapted Western ideas but also explored different approaches rooted in their own cultures

Area Bibliography of China Richard T. Wang, 1997 A combination of scholarly commercial and popular interests has generated a large quantity of literature on every aspect of Chinese life during the past two decades This bibliography reflects these combined interests it is broken up into sections by subject headings and cross references refer the researcher to related topics

Global History in China Xin Fan, 2024-06-30 This book explores global

history as an emerging field of scholarly studies in China today Readers are invited to rethink the origin of global history in China and to examine its current state Chinese scholarship is rooted in a warm appreciation of globalization in the age of Opening up and Reform and presented as a trendy transnational intellectual movement at the opening of the twenty first century On the one hand global history claims an identity of the new eager to criticize the Eurocentric bias embedded in the narratives of the old ones from world history on the other hand as an emerging field it is yet to face competitions from national histories and area studies which are nurtured by latest state initiatives with outspoken political agendas As a whole global history captures Chinese scholars tenacious interest in studying globalization through the lens of history This book will interest historians China scholars and those trying to grasp the Chinese perspective on the world *Lessons in Being Chinese* Mette Halskov Hansen, 2011-10-01 Open access edition DOI 10.6069/9780295804125 Two very different ethnic minority communities the Naxi of the Lijiang area in northern Yunnan and the Tai Dai of Sipsong Panna Xishuangbanna along Yunnan's border with Burma and Laos are featured in this comparative study of the implementation and reception of state minority education policy in the People's Republic of China Based on field research and historical sources *Lessons in Being Chinese* argues that state policy which is intended to be applied uniformly across all minority regions in fact is much more successful in some than in others In Lijiang elite members of the Naxi ethnic group minzu have a centuries old connection with Chinese state educational systems as avenues to social mobility and have continued this tradition under Communist rule They participate enthusiastically in the present system using education to gain official and professional positions In contrast to the Lijiang area Sipsong Panna functioned in many ways as a separate kingdom until 1950 with its own script and a separate educational system centered in Theravada Buddhist monasteries Today many Tai in that area still prefer monastic education for their sons and most parents are indifferent to state education This study finds that standardized homogenizing state education is in itself incapable of instilling in students an identification with the Chinese state ironically often increasing ethnic identity *Lessons in Being Chinese* enhances our understanding of how state policy toward minorities works in many areas of life and its conclusions can be extended well beyond the sphere of education It will be of interest to both anthropologists and educators

Modern China Geeta Kochhar, 2019-02-12 This book looks at the transition of modern Chinese society in terms of its culture and literature Since the economic reforms and open door policy in 1978 the Chinese society has undergone a drastic transformation It is headed towards becoming an ultra modern advanced society and a world superpower Among the pillars of great change are the advances in technology and communication that have reshaped Chinese society This volume explores China's march towards modernity in the 21st century as defined by its own terms It discusses China's social structure ageing population gender stratification marriages cultural identity cosmopolitanism its history of communism law economic reforms financial institutions and challenges of the global markets The book sheds light on Chinese literature and media and brings out various facets of social changes across time With its topical debates and

issues this volume will be useful to scholars and researchers of Chinese studies East Asian studies geopolitics area studies international relations politics and foreign policy along with think tanks and those in media and journalism

The Top Books of the Year Making Of A Sino Marxist World View The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
