The Dialogical Spirit II Amos Yong, 2024-09-05 The Dialogical Spirit II is a second collection of essays that demonstrates the dialectical contours of Amos Yong's critical pentecostal theology It is a montage of constructive engagements with various thinkers and ideas in the promotion of theological plurality for the third millennium With essays on Hegelian dialectics Buddhist Christian dialogue pneumatic missiology etc voice is generated for the renewal of relationality and the revival of imagination Free from the imposition of traditional boundaries Yong makes his way across differing landscapes of truth in a global environment gleaned from the activities of reflection and understanding therein Providing snapshots of Yong's theological development over decades of work The Dialogical Spirit II further evidences the vitality of pentecostal theology to emerging conversations in constructive and comparative venues
