Foreword by Catherine R. Simpson

Making Of Masculinities The New Mens Studies

Brittany C. Slatton, Kamesha Spates

Making Of Masculinities The New Mens Studies:

The Making of Masculinities (Routledge Revivals) Harry Brod, 2018-10-24 This book first published in 1987 is both simple in conception and ambitious in intention. It aims at legitimating the new interdisciplinary field of men's studies as one of the most significant and challenging intellectual and curricular developments in academia. The fourteen essays included here are drawn from such diverse disciplines as men's studies, philosophy, psychology, sociology, history, anthropology, Black studies, biology, English literature, and gay studies.

The Making of Masculinities (Routledge Revivals) Harry Brod, 2015-02-09 This book first published in 1987 is both simple in conception and ambitious in intention. It aims at legitimating the new interdisciplinary field of men's studies as one of the most significant and challenging intellectual and curricular developments in academia. The fourteen essays included here are drawn from such diverse disciplines as men's studies, philosophy, psychology, sociology, history, anthropology, Black studies, biology, English literature, and gay studies.

The Making of Masculinities Harry Brod, 1987-01-01 *The Oxford Handbook of Gender, Sex, and Crime* Rosemary Gartner, Bill McCarthy, 2014-05-14 Research on gender, sex, and crime today remains focused on topics that have been a mainstay of the field for several decades, but it has also recently expanded to include studies from a variety of disciplines, a growing number of countries, and on a wider range of crimes. *The Oxford Handbook of Gender, Sex, and Crime* reflects this growing diversity and provides authoritative overviews of current research and theory on how gender and sex shape crime and criminal justice responses to it. The editors, Rosemary Gartner and Bill McCarthy, have assembled a diverse cast of criminologists, historians, legal scholars, psychologists, and sociologists from a number of countries to discuss key concepts and debates central to the field. The Handbook includes examinations of the historical and contemporary patterns of women's and men's involvement in crime, as well as biological, psychological, and social science perspectives on gender, sex, and criminal activity. Several essays discuss the ways in which sex and gender influence legal and popular reactions to crime. An important theme throughout *The Handbook* is the intersection of sex and gender with ethnicity, class, age, peer groups, and community as influences on crime and justice. Individual chapters investigate both conventional topics such as domestic abuse and sexual violence, and topics that have only recently drawn the attention of scholars such as human trafficking, honor killing, gender violence during war, state rape, and genocide. *The Oxford Handbook of Gender, Sex, and Crime* offers an unparalleled and comprehensive view of the connections among gender, sex, and crime in the United States and in many other countries. Its insights illuminate both traditional areas of study in the field and pathways for developing cutting-edge research questions.

Queering the Subversive Stitch Joseph McBrinn, 2021-04-08 The history of men's needlework has long been considered a taboo subject. This is the first book ever published to document and critically interrogate a range of needlework made by men. It reveals that since medieval times, men have threaded their own needles, stitched and knitted, woven lace, handmade clothes, as well as other kinds of textiles, and generally delighted in the pleasures and possibilities offered by all

sorts of needlework Only since the dawn of the modern age in the eighteenth and the nineteenth centuries did needlework become closely aligned with new ideologies of the feminine Since then men s needlework has been read not just as feminising but as queer In this groundbreaking study Joseph McBrinn argues that needlework by male artists as well as anonymous tailors sailors soldiers convalescents paupers prisoners hobbyists and a multitude of other men and boys deserves to be looked at again Drawing on a wealth of examples of men s needlework as well as visual representations of the male needleworker in museum collections from artist s papers and archives in forgotten magazines and specialist publications popular novels and children s literature and even in the history of photography film and television he surveys and analyses many of the instances in which needlemen have contested resisted and subverted the constrictive ideals of modern masculinity This audacious original carefully researched and often amusing study demonstrates the significance of needlework by men in understanding their feelings agency identity and history Gender and Justice Ngaire Naffine,2017-07-05 The leading articles on gender and justice within Anglo American legal theory are assembled in this volume The essays are drawn primarily from the writings of lawyers working in the common law tradition and they mainly examine the justice of legal institutions Due to the close kinship between political and legal theories of justice the book also includes a selection of the work of the more prominent political theorists of justice and gender **Hyper Sexual, Hyper Masculine?** Brittany C. Slatton,Kamesha Spates,2016-05-13 This book provides critical insights into the many often overlooked challenges and societal issues that face contemporary black men focusing in particular on the ways in which governing societal expectations result in internal and external constraints on black male identity formation sexuality and black masculine expression Presenting new interview and auto ethnographic data and drawing on an array of theoretical approaches methodologies **Hyper Sexual Hyper Masculine** explores the formation of gendered and sexual identity in the lives of black men shedding light on the manner in which these are affected by class and social structure It examines the intersecting oppressions of race gender and class while acknowledging and discussing the extent to which black men s social lives differ as a result of their varying degrees of cumulative disadvantage A wide ranging and empirically grounded exploration of the intersecting roles of race masculinity and sexuality on the lives of black men this volume will appeal to scholars across the social sciences with interests in race and ethnicity gender and sexuality social stratification and intersectionality **Hombres Y Machos** Alfredo Mirande,2018-02-12 Although patriarchy machismo and excessive masculine displays are assumed to be prevalent among Latinos in general and Mexicans in particular little is known about Latino men or macho masculinity **Hombres y Machos Masculinity and Latino Culture** fills an important void by providing an integrated view of Latino men masculinity and fatherhood in the process refuting many common myths and misconceptions Examining how Latino men view themselves Alfredo Mirand rgues that prevailing conceptions of men masculinity and gender are inadequate because they are based not on universal norms but on limited and culturally specific conceptions Findings are

presented from in depth personal interviews with Latino men specifically fathers with at least one child between the ages of four and eighteen living at home from four geographical regions and from a broad cross section of the Latino population working and middle class foreign born and native born Topics range from views on machos and machismo to beliefs regarding masculinity and fatherhood In addition to reporting research findings and placing them within a historical context Mirand raws important insights from his own life Hombres y Machos calls for the development of Chicano Latino men s studies and will be a significant and provocative addition to the growing literature on gender masculinity and race It will appeal to the general reader and is bound to be an important supplementary text for courses in ethnic studies women s studies men s studies family studies sociology psychology social work and law

Masculinity in Medieval Europe Dawn Hadley,2015-12-14 An original and highly accessible collection of essays which is based on a huge range of historical sources to reveal the realities of mens lives in the Middle Ages It covers an impressive geographical range including essays on Italy France Germany and Byzantium and will span the entire medieval period from the fourth to the fifteenth century The collection is divided into four main sections attaining masculinity lay men and churchmen sources of tension sexuality and the construction of masculinity and written relationships and social reality The contributors are Dawn Hadley Jenny Moore William M Aird Jeremy Goldberg Matthew Bennet Janet Nelson Conrad Leyser Robert Swanson Patricia Cullum Ross Balzaretti Shaun Tougher Julian Haseldine Marianne Ailes and Mark Chinca

Gender Violence Laura L. O'Toole,Jessica R. Schiffman,1997-03 How gender and sexuality can be life threatening Though violence against women has received increasing attention from scholars and the general public alike much of the literature on the subject is scattered in monographs journals and books focusing on specific forms of gender violence In their path breaking anthology Gender Violence Interdisciplinary Perspectives editors Laura L O Toole and Jessica Schiffman have brought together central articles and authors to construct a remarkably broad understanding of the gender related manifestations of violence Gender Violence is composed of three sections one examining the roots of male violence and victimization of women another exploring forms of sexual coercion and violence and a third offering a number of perspectives on promoting nonviolence in the context of gender relations Chapters consider topics including sexual harassment rape children and gender violence battering in intimate relationships and pornography The list of contributors includes such diverse and well known scholars as Friedrich Engels bell hooks Diana Scully Harry Brod and Linda Gordon and poets such as Audre Lorde and Margaret Randall The book also contains a number of original pieces with novel approaches to subjects such as domestic violence and its effects on children With its interdisciplinary perspective and wide ranging subject matter Gender Violence is an excellent primary text as well as an invaluable reference for scholars in the field of women and violence

Women in Society Magdalena E. Thorne,2005 The path of women to achieve equal rights has been and remains a deeply uphill climb The recent Martha Stewart case is a prime example of unfair treatment of women Here is a women who could lose her business and go to prison for lying The same act

Clinton Bush and Blair practice on a global scale If all the Wall Street titans and politicians went to jail for lying we would have to build a prison on every street Women are moving upward in rockets against great resistance This book presents some of the achievements risk and challenges women are trying to deal with at the beginning of the 21st century **Rethinking Masculinity** Robert Strikwerda, Patrick D. Hopkins, 1996-10-24 The new edition of this popular book is reorganized to present pairs of contrasting views on what it means to be a man in contemporary Western culture Addressing such issues as sex differences fatherhood intimacy homosexuality and oppression the collection also includes new discussions of paternity pornography mixed race marriage impotence and violence Rethinking Masculinity is an excellent text for gender studies ethics and social philosophy courses Men, Masculinity and the Beatles Martin King, 2016-04-22 Drawing on methodologies and approaches from media and cultural studies sociology social history and the study of popular music this book outlines the development of the study of men and masculinities and explores the role of cultural texts in bringing about social change It is against this backdrop that The Beatles as a cultural phenomenon are set and their four live action films spanning the years 1964 1970 are examined as texts through which to read changing representations of men and masculinity in the Sixties Dr Martin King considers ideas about a male revolt predating second wave feminism The Beatles as inheritors of the possibilities of the 1950s and The Beatles emergence as men of ideas a global cultural phenomenon that transgressed boundaries and changed expectations about the role of popular artists in society King further explores the chosen Beatle texts to examine discourses of masculinity at work within them What emerges is the discovery of discourses around resistance non conformity feminized appearance pre metrosexuality the male star as object of desire and the emergence of The Beatles themselves as a text that reflected the radical diversity of a period of rapid social change King draws valuable conclusions about the legacy of these discourses and their impact in subsequent decades **Forging the Male Spirit** W. Merle Longwood, William C. Schipper, Philip Culbertson, Gar Kellom, 2011-12-08 Young men undergo significant changes during their years in college They wrestle with big questions which are essentially spiritual questions as they ponder who they are what they believe what kind of persons they want to become and how they might shape the world into something they can feel comfortable being themselves in Those who participate in men s groups realize that their involvement can nurture their inner lives as they explore these questions and connect to transcendent values and a vision of a larger whole This book includes historical and sociological perspectives on men and spirituality and an expanded case study of how one campus pioneered in the development of men s spirituality groups which became a model for other campuses It includes quantitative empirical research that explores college men s openness to spirituality and their interest in men s groups The book s most extensive discussion is based on a qualitative analysis of thirty six interviews with male college students focusing on their understanding of the relationship between their masculinity and their spirituality and how spirituality groups provided a venue in which they could begin to engage what it means to be spiritual and what it means to be a man

Contributors include W Merle Longwood William Schipper O S B Philip Culbertson and Gar Kellom **Suffrage and Beyond** Caroline Daley, Melanie Nolan, 1994-12 Bringing together such eminent scholars as Nancy Cott Ellen Dubois and Carole Pateman this book offers a comprehensive look at the political history of suffrage on a global scale Dangerous Sexualities Frank Mort, 2002-09-11 Dangerous Sexualities takes a look at how our ideas of health and disease are linked to moral and immoral notions of sex Beginning in the 1830s Frank Mort relates his social historical narratives to the sexual choices and possibilities facing us now This long awaited second edition has been thoroughly updated to include new discussions of eugenics race hygiene and social imperialism in the late nineteenth and early twentieth centuries With a new and extended bibliography introduction and illustrations this second edition brings a classic into the 21st Century Gender Inclusive Adam Jones, 2008-12-02 Gender Inclusive offers a challenging and unconventional reinterpretation of gender and mass violence Compiling essays and excerpts drawn from nearly two decades of Adam Jones s writing on gender and politics this stimulating and diverse collection of essays explores vital issues surrounding gendercide gender selective mass killing including How gender shapes men and women as victims and perpetrators of mass violence including genocide The range of gender selective atrocities inflicted upon males especially the gendercidal killing of civilian men of battle age The victimization of women and girls worldwide including the structural forms of violence gendercidal institutions directed against them Genocidal violence throughout modern history with a particular focus on the Balkans and Rwanda In depth critiques of prevailing gender framings in academic scholarship mass media and the policy sphere Adam Jones recently selected as one of fifty key thinkers in Holocaust and genocide studies contests prevailing interpretations of gender and violence arguing that they fail to capture the broad range of gendered experience His global historical treatment is essential reading for anyone with an interest in genocide human rights and gender studies **The Handbook of Gender, Sex, and Media** Karen Ross, 2013-12-04 The Handbook of Gender Sex and Media offers original insights into the complex set of relations which exist between gender sex sexualities and the media and in doing so showcases new research at the forefront of media and communication practice and theory Brings together a collection of new cutting edge research exploring a number of different facets of the broad relationship between gender and media Moves beyond associating gender with man woman and instead considers the relationship between the construction of gender norms biological sex and the mediation of sex and sexuality Offers genuinely new insights into the complicated and complex set of relations which exist between gender sex sexualities and the media Essay topics range from the continuing sexism of TV advertising to ways in which the internet is facilitating the re invention of our sexual selves **Rhetoric of Masculinity** Donnalyn Pompper, 2022-01-31 Rhetoric of Masculinity Male Body Image Media and Gender Role Stress Conflict lends depth and global nuance to discourse associated with the masculinity concept as it brings to bear on males self image role in society media representations of them and the gender role stress conflict experienced when they fail to measure up to social standards associated with what it means to be

manly Even though the concept of masculine gender role stress conflict has received substantial scholarly attention in psychology social learning effects of masculinity as it plays out in media warrant further study given that representations offer audiences restrictive male gender roles that may contribute to toxic masculinity Men and boys are taught to be self sufficient to act tough to be muscular heterosexual and to use aggression to resolve conflicts Such contexts provide restrictive images that can result in self harm and an inflexible social milieu Scholars and students of communication rhetoric and gender studies will find this book particularly interesting **Sociology of Sport and Social Theory** Earl Smith,2010 Sociology of Sport and Social Theory presents current research perspectives from major sport scholars and leading sociologists regarding issues germane to the sociology of sport while addressing traditional and contemporary sociological theories

Making Of Masculinities The New Mens Studies Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Making Of Masculinities The New Mens Studies free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Making Of Masculinities The New Mens Studies free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Making Of Masculinities The New Mens Studies free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure

that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Making Of Masculinities The New Mens Studies. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Making Of Masculinities The New Mens Studies any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Making Of Masculinities The New Mens Studies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks?
