

Victorian attitudes

- Many attitudes emerged in 18th century:
 - Fears of the dire effects of masturbation
 - Hospitals for sufferers of sexual transmitted diseases
 - Campaigns against prostitution
 - ‘Vice’ societies
 - Ideologies of male and female behaviour

Making Of Victorian Sexuality Sexual Behaviour And Its Understanding

Hilary Hinds

Making Of Victorian Sexuality Sexual Behaviour And Its Understanding:

The Making of English Popular Culture John Storey, 2016-05-20 The Making of English Popular Culture provides an account of the making of popular culture in the nineteenth century While a form of what we might describe as popular culture existed before this period John Storey has assembled a collection that demonstrates how what we now think of as popular culture first emerged as a result of the enormous changes that accompanied the industrial revolution Particularly significant are the technological changes that made the production of new forms of culture possible and the concentration of people in urban areas that created significant audiences for this new culture Consisting of fourteen original chapters that cover diverse topics ranging from seaside holidays and the invention of Christmas tradition to advertising music and popular fiction the collection aims to enhance our understanding of the relationship between culture and power as explored through areas such as race ethnicity class sexuality and gender It also aims to encourage within cultural studies a renewed historical sense when engaging critically with popular culture by exploring the historical conditions surrounding the existence of popular texts and practices Written in a highly accessible style The Making of English Popular Culture is an ideal text for undergraduates studying cultural and media studies literary studies cultural history and visual culture Women Writers and the Dark Side of Late-Victorian Hellenism T. Olverson, 2009-11-19 Examining the appropriation of transgressive violent female figures from ancient Greek literature and myth by late Victorian writers Olverson reveals the extent to which ancient antagonists like the murderous Medea and the sinister Circe were employed as a means to protest against and comment upon contemporary social and political institutions The Cambridge World History: Volume 7, Production, Destruction and Connection, 1750-Present, Part 2, Shared Transformations? J. R. McNeill, Kenneth Pomeranz, 2015-04-16 Since 1750 the world has become ever more connected with processes of production and destruction no longer limited by land or water based modes of transport and communication Volume 7 of the Cambridge World History series divided into two books offers a variety of angles of vision on the increasingly interconnected history of humankind The second book questions the extent to which the transformations of the modern world have been shared focusing on social developments such as urbanization migration and changes in family and sexuality cultural connections through religion science music and sport ligaments of globalization including rubber drugs and the automobile and moments of particular importance from the Atlantic Revolutions to 1989 *A Cultural History of Twin Beds* Hilary Hinds, 2020-05-11 A Cultural History of Twin Beds challenges our most ingrained assumptions about intimacy sexuality domesticity and hygiene by tracing the rise and fall of twin beds as a popular sleeping arrangement for married couples between 1870 and 1970 Modern preconceptions of the twin bed revolve around their use by couples who have no desire to sleep in the same bed space Yet for the best part of a century twin beds were not only seen as acceptable but were championed as the sign of a modern and forward thinking couple But what lay behind this innovation And why did so many married couples ultimately abandon the twin bed In this book Hilary Hinds presents a

fascinating insight into the combination of beliefs and practices that made twin beds an ideal sleeping solution Using nuanced close readings of marriage guidance and medical advice books furnishing catalogues novels films and newspapers this volume offers an accessible and rigorous account of the curious history of twin beds This is vital reading for those with an interest in cultural history sociology anthropology and psychology **Thicker Than Water** Leonore Davidoff,2012 A pioneering new study of nineteenth century kinship and family relations focusing on the British middle class and highlighting both the similarities and the differences in relations between brothers and sisters in the past and in the present

Nineteenth-Century British Literature Then and Now Simon Dentith,2016-05-06 Envisioning today's readers as poised between an impossible attempt to read texts as their original readers experienced them and an awareness of our own temporal moment Simon Dentith complicates traditional prejudices against hindsight to approach issues of interpretation and historicity in nineteenth century literature Suggesting that the characteristic aesthetic attitude encouraged by the backward look is one of irony rather than remorse or regret he examines works by Charles Dickens George Eliot Anthony Trollope William Morris and John Ruskin in terms of their participation in significant histories that extend to this day Liberalism class gender political representation and notions of progress utopianism and ecological concern as currently understood can be traced back to the nineteenth century Just as today's critics strive to respect the authenticity of nineteenth century writers and readers who responded to these ideas within their historical world so too do those nineteenth century imaginings persist to challenge the assumptions of the present It is therefore possible Dentith argues to conceive of the act of reading historical literature with an awareness of the historical context and of the difference between the past and the present while allowing that friction or difference to be part of how we think about a text and how it communicates His book summons us to consider how words travel to the reality of the reader's own time and how engagement with nineteenth century writers anticipation of the judgements of future generations reveal hindsight's capacity to transform our understanding of the past in the light of subsequent knowledge **Family Fortunes** Leonore Davidoff,Catherine Hall,2013-04-15 Family Fortunes has become a seminal text in class and gender history Published to wide critical acclaim in 1987 its influence in the field continues to be extensive It has cast new light on the perception of middle class society and gender relations between 1780 and 1850 This revised edition contains a substantial new introduction placing the original survey in its historiographical context Leonore Davidoff and Catherine Hall evaluate the readings their text has received and broaden their study by taking into account recent developments and shifts in the field They apply current perceptions of history to their original project and see new motives and meanings emerge that reinforce their argument **Search for a New Eden** J. E. M. Latham,1999 Alcott returned to New England with two of Greaves followers and with his family and Charles Lane set up the short lived experiment in communal living Fruitlands Alcott House meanwhile suffered from internal conflict and the community expired in 1848 BOOK JACKET **Butterfly's Sisters** Yoko Kawaguchi,2010-11-30 In this fascinating and wide ranging book Yoko

Kawaguchi explores the Western portrayal of Japanese women and geishas in particular from the mid nineteenth century to the present day She argues that in the West Japanese women have come to embody certain ideas about feminine sexuality and she analyzes how these ideas have been expressed in diverse art forms ranging from fiction and opera to the visual arts and music videos Among the many works Kawaguchi discusses are the art criticism of Baudelaire and Huysmans the opera *Madama Butterfly* the sculptures of Rodin the Broadway play *Teahouse of the August Moon* and the international best seller *Memoirs of a Geisha* *Butterfly's Sisters* also examines the impact on early twentieth century theatre drama and dance theory of the performance styles of the actresses Madame Hanako and Sadayakko both formerly geishas

Women's Studies

Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women's studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women's studies is a must purchase for academic libraries that support women's studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women's studies in the last decades of the 20th century The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject Most reviews cite and describe similar and contrasting titles substantially extending the coverage Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women's studies It is a must purchase for academic libraries that support women's studies programs and a welcome addition to any academic or public library that endeavors to represent the field

Histories of Sexuality

Stephen Garton, 2014-12-18 This book presents the first assessment of one of the most rapidly expanding fields of research the history of sexuality From the early efforts of historians to work out a model for sexual history to the extraordinary impact of French philosopher Michel Foucault to the vigorous debates about essentialism and social constructionism to the emergence of contemporary debates about historicism queer theory embodiment gender and cultural history we now have vast and diverse historical scholarship on sex and sexuality *Histories of Sexuality* highlights the key historical moments and issues pederasty and cultures of male passivity in ancient

Greece and Rome the impact of early Christianity and ideals of renunciation on the sexual cultures of late antiquity the sustained existence of homosexual cultures in medieval and renaissance Europe the invention of homosexuality and heterosexuality in eighteenth century Europe and America the truth behind Victorian sexual repression the work of reformers and scientists such as Havelock Ellis Marie Stopes Stella Browne Margaret Sanger Alfred Kinsey William Masters and Virginia Johnson

Birth Control, Sex, and Marriage in Britain 1918-1960 Kate Fisher, 2006-07-13 The first half of the twentieth century witnessed a revolution in contraceptive behaviour as the large Victorian family disappeared This book offers a new perspective on the gender relations sexual attitudes and contraceptive practices that accompanied the emergence of the smaller family in modern Britain Kate Fisher draws on a range of first hand evidence including over 190 oral history interviews in which individuals born between 1900 and 1930 described their marriages and sexual relationships By using individual testimony she challenges many of the key conditions that have long been envisaged by demographic and historical scholars as necessary for any significant reduction in average family size to take place Dr Fisher demonstrates that a massive expansion in birth control took place in a society in which sexual ignorance was widespread that effective family limitation was achieved without the mass adoption of new contraceptive technologies that traditional methods such as withdrawal abstinence and abortion were often seen as preferable to modern appliances such as condoms and caps that communication between spouses was not key to the systematic adoption of contraception and above all that women were not necessarily the driving force behind the attempt to avoid pregnancy Women frequently avoided involvement in family planning decisions and practices whereas the vast majority of men in Britain from the interwar period onward viewed the regular use of birth control as a masculine duty and obligation By allowing this generation to speak for themselves Kate Fisher produces a richer understanding of the often startling social attitudes and complex conjugal dynamics that lay behind the vast changes in contraceptive behaviour and family size in the twentieth century

A Companion to Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2008-04-15 A Companion to Gender History surveys the history of women around the world studies their interaction with men in gendered societies and looks at the role of gender in shaping human behavior over thousands of years An extensive survey of the history of women around the world their interaction with men and the role of gender in shaping human behavior over thousands of years Discusses family history the history of the body and sexuality and cultural history alongside women's history and gender history Considers the importance of class region ethnicity race and religion to the formation of gendered societies Contains both thematic essays and chronological geographic essays Gives due weight to pre history and the pre modern era as well as to the modern era Written by scholars from across the English speaking world and scholars for whom English is not their first language

Shame Bogdan Popa, 2017-04-28 Shame has often been considered a threat to democratic politics and was used to degrade and debase sex radicals and political marginals But certain forms of shame were also embraced by 19th century activists in an attempt to reverse entrenched

power dynamics Bogdan Popa brings together Ranciere's techniques of disrupting inequality with a queer curiosity in the performativity of shame to show how 19th century activists denaturalised conventional beliefs about sexuality and gender This study fills a glaring absence in political theory by undertaking a genealogy of radical queer interventions that predate the 20th century Microhistories Barry Reay, 2002-11-07 Microhistories Demography Society and Culture in Rural England 1800-1930 uses a local study of the Blean area of Kent in the nineteenth and early twentieth centuries to explore some of the more significant societal changes of the modern western world Drawing on a wide range of research techniques including family reconstitution and oral history Barry Reay aims to show that the implication of the micro study can range way beyond its modest geographical and historical boundaries Combining cultural demographic economic and social history in a way rarely encountered in historical literature Professor Reay examines a range of topics including marriage and fertility health and mortality the work of women and children and illegitimacy and sexuality This 1996 book demonstrates the challenging potentials of microhistory and makes a central contribution to the new rural history It will be of interest to family and oral historians as well as to demographers and sociologists **Demographic Transition Theory** John C. Caldwell, 2007-09-21 This book has a strong theoretical focus and is unique in addressing both mortality and fertility over the full span of human history It examines the demographic transition in the change in the human condition from high mortality and high fertility to low mortality and low fertility It asks if fluctuating populations is a new phenomenon or if there has long been an inherent tendency in Man to maximize survival and to control family size *Virgin* Hanne Blank, 2008-03-04 A provocative social history examines the history of virginity and of noted virgins in Western culture describing the unique fascination civilization has had for virginity from a social political economic philosophical medical and legal standpoint Reprint *The British National Bibliography* Arthur James Wells, 1994 *The Victorian Novel* Louis James, 2008-04-15 This inspiring survey challenges conventional ways of viewing the Victorian novel Provides time maps and overviews of historical and social contexts Considers the relationship between the Victorian novel and historical religious and bibliographic writing Features short biographies of over forty Victorian authors including Wilkie Collins Charles Dickens George Eliot and Robert Louis Stevenson Offers close readings of over 30 key texts among them Charlotte Brontë's *Jane Eyre* 1847 and Bram Stoker's *Dracula* 1897 as well as key presences such as John Bunyan's *Pilgrim's Progress* Pt 1 1676 Pt 2 1684 Also covers topics such as colonialism scientific speculation the psychic and the supernatural and working class reading The Oxford Handbook of Victorian Literary Culture Juliet John, 2016-07-14 The Oxford Handbook of Victorian Literary Culture is a major contribution to the dynamic field of Victorian studies This collection of 37 original chapters by leading international Victorian scholars offers new approaches to familiar themes including science religion and gender and gives space to newer and emerging topics including old age fair play and economics Structured around three broad sections Ways of Being Identity and Ideology Ways of Understanding Knowledge and Belief and Ways of Communicating Print and Other Cultures the volume is sub

divided into nine sub sections each with its own lead essay on subjectivity politics gender and sexuality place and race religion science material and mass culture aesthetics and visual culture and theatrical culture The collection like today s Victorian studies is thoroughly interdisciplinary and yet its substantial Introduction explores a concern which is evident both implicitly and explicitly in the volume s essays that is the nature and status of literary culture and the literary from the Victorian period to the present The diverse and wide ranging essays present original scholarship framed accessibly for a mixed readership of advanced undergraduates graduate students and established scholars

The Top Books of the Year Making Of Victorian Sexuality Sexual Behaviour And Its Understanding The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Making Of Victorian Sexuality Sexual Behaviour And Its Understanding : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids' captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Making Of Victorian Sexuality Sexual Behaviour And Its Understanding Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Making Of Victorian Sexuality Sexual Behaviour And Its Understanding PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Making Of Victorian Sexuality Sexual Behaviour And Its Understanding PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Making Of Victorian Sexuality Sexual Behaviour And Its Understanding free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
