that comes only from Jesus Now a diverse group of pastors representing urban and rural communities secular and Christian areas as well as diverse multicultural backgrounds and all known for successfully making new disciples have gathered these sermons to encourage others to be disciple makers too Discover How Jesus practiced the Great Commission before He ever preached it Why discipleship begins with a whole life understanding of worship When disciple making gets confused with church growth efforts These and countless other insights will help guide you in a faithful deliberate effort to fulfill the Great Commission no matter where you live or what communities in which you minister Included in the book are The sermon texts and their outline formats 12 study guides one for each sermon that can be used in small group or one on one settings in the week following the preaching of the sermon A final appendix providing a self evaluation tool that helps each person being discipled to evaluate the progress they are making in their walk with Christ *When God Is Not Enough* John

Greer,2015-12-09 Faith is messy We are often disappointed if not disillusioned with God Disappointment divorce sin and suffering often dominate our Christian landscape When these things come our way our response is often to find our needs met outside of God ministry or the church Consciously or not we say I tried God failed I ll meet my needs myself This often leads us down a path of even more disappointment broken relationships unsatisfied ambitions and heartfelt needs Is God really enough for all we need When God Is Not Enough brings to light God s sovereignty and love within the biblical narrative and through some of the characters of Scripture He has so lovingly chosen to reveal His glory In viewing His story and theirs we find meaning and purpose in our ownand this not just for ourselves but also for the life of the world But this story would be incomplete without its fulfillment in Jesus Christ and what He has done When God Is Not Enough takes a hard look at what it truly means to be not only a Christian but a disciple of Jesus Christ With Christ as our life we find it is in dying that we truly live and so to live is really to truly die This is the way Christ has made for us If Jesus in living this life to the fullest lost His life on the cross then it will surely cost us no less in attempting to do the same When God Is Not Enough gives an honest look at what it takes to live a life for God and what is truly available through Him for our joy and for the life of the world **Echoing the Word** Grant S.
