BELLOC by Robert Lynd G K CHESTERTON A CRITICAL STUDY by Julius West and more *The Wisconsin Agriculturist*, 1907 **Life Is Easy If You Make It Easy** Dr. Manisha Maiduly, 2022-06-28 In every chapter of this book it's been tried to make you optimistic towards the life I shared some of my personal experiences where I learned that we can make our life very easy by doing small alterations in our day to day activities I tried to share the understanding of human nature which will always help in simplifying the life I believe you can make someone want to do what you want them to by seeing the situation from the other person's point of view You learn how to make people like you win people over to your way of thinking and change people without causing offence or arousing resentment To find long standing cheerfulness you need to reinstruct your brain from a negative mind set to a positive mind set Choose a optimistic mantra for the day something you will repeat to yourself such as Today is divine or I feel indebted for all I have And when things go different take a instant to try and see it from a optimistic light Never underestimate the importance of recognizing the silver coatings in life This book will help you to get out of psychological pothole think new thoughts acquire new visions and discover new motivations The book also helps you to lever grievances avoid quarrels keep your human contacts smooth and pleasant **Peaceful Neighbor** Michael Long, 2015-03-13 Fred Rogers was one of the most radical pacifists of contemporary history We do not usually think of him as radical partly because he wore colorful soft sweaters made by his mother Nor do we usually imagine him as a pacifist that adjective seems way too political to describe the host of a children's program known for its focus on feelings We have restricted Fred Rogers to the realm of entertainment children and feelings and we've ripped him out of his political and religious context Rogers was an ordained Presbyterian minister and although he rarely shared his religious convictions on his program he fervently believed in a God who accepts us as we are and who desires a world marked by peace and wholeness With this progressive spirituality as his inspiration Rogers used his children's program as a platform for sharing countercultural beliefs about caring nonviolently for one another animals and the earth To critics who dared call him namby pamby Rogers said Only people who take the time to see our work can begin to understand the depth of it This is the invitation of Peaceful Neighbor to see and understand Rogers's convictions and their expression through his program Mister Rogers Neighborhood it turns out is far from sappy sentimental and shallow it's a sharp political response to a civil and political society poised to kill
