**Ingredient X** Nick Grosso, 2014-03-10 I've always said I'll stop just as soon as The X Factor stops The X Factor stops I stop that's the deal It's Saturday night and the judges are gathering for their prime time slot feeding the nation their weekly fix Except the harshest critics are sitting on your sofa and the mute button doesn't seem to work Frank a recovering drug addict Katie his long suffering wife and Rosanna their next door neighbour and X Factor addict gather for tv and dinner on a Saturday night The evening begins with football and banter but it soon descends into arguments and revelations While Frank is a newly recovered addict battling with both his recovery and the suspicions of others Rosanna festers in resentment against her husband who prioritised cocaine over family Deanne is an alcoholic and Katie is simply addicted to addicts themselves Written by Nick Grosso the author of hit plays including Koshier Harry and Real Classy Affair this character driven play is full of piercing dark humour and veils uncompromising truths behind quick fire banter Portraying the devastating effects of addiction on lives and relationships the characters must try to cope and carry on in the face of addictive lures Ingredient X is a tough abrasive new comedy exploring the dynamics of different types of addiction in modern life from The X Factor to Class A drugs

**The Duchess (of Malfi)** Zinnie Harris, 2019-06-13 You should know I sing at parties I wear colourful dresses I am headstrong I won't wear my hair up because you say I should or do this because you prefer it in fact I might do the other just to be contrary but I am utterly and always myself The Duchess is a young widow Her husband is dead she is free But her financial position sexual freedom and youth mean that she could be dangerous she could get to determine her own life That is if she isn't stopped first Terrified by her sudden power and its implications her brothers Ferdinand and The Cardinal seek to block The Duchess desire to re marry repress her agency and dismantle both her authority and spirit through any means necessary with horrifying results and bloody vengeance from the most unexpected of sources The Duchess of Malfi premiered at the Royal Lyceum Theatre Edinburgh in May 2019

**The North East of England on Film and Television** James Leggott, 2021-06-28 This book analyses the representation of North East England in film and television It is a response to the way a number of important British films and programmes for example Get Carter 1971 Whatever Happened to the Likely Lads 1973 74 Our Friends in the North 1996 and Billy Elliot 2000 have used this particular setting to explore questions of class identity and history It

argues for the significance and coherence of a North East corpus of film and television through a series of case studies relating to specific eras or types of representation These include regional writers working for television in the 1970s the achievements of the workshop movement in the 1980s and works produced within the genres of documentary crime drama comedy period drama and reality television The book discusses how the communities and landscapes of the region have been used to explore processes of cultural change and legacies of de industrialisation **Rafts and Dreams & Outside the**
