Marcus, or The Boy -Tamer Walter Aimwell,2022-06-10 Excerpt The Aimwell Stories are designed to portray some of the leading phases of juvenile character and to point out their tendencies to future good and evil This they undertake to do by describing the quiet natural scenes and incidents of every day life in city and country at home and abroad at school and upon the play ground rather than by resorting to romantic adventures and startling effects While their main object is to persuade the young to lay well the foundations of their characters to win them to the ways of virtue and to incite them to good deeds and noble aims the attempt is also made to mingle amusing curious and useful information with the moral lessons conveyed It is hoped that the volumes will thus be made attractive and agreeable as well as instructive to the youthful reader
