The Trials of Margaret Clitherow Peter Lake,Michael Questier,2019-07-11 Thoroughly updated with newly discovered archival material this second edition of *The Trials of Margaret Clitherow* demonstrates that the complicated and controversial life story of Margaret Clitherow is not as unique as it was once thought In fact Peter Lake and Michael Questier argue that her case was comparable to those of other separatist females who were in trouble with the law at the same time in particular Anne Foster also of York In doing so they shed new light on the fascinating stories of these unruly women whose fates have been excluded from Catholic and women narratives of the period The result is a work which considers the questions of religious sainthood and martyrdom through a gender lens providing important insights into the relationship between society the state and the church in Britain during the 16th century This is a major contribution to our understanding of both English Catholicism and the Protestant regime of the Elizabethan period **The Women Who Saved Catholic**

England Martyn R. Beardsley,2025-01-16 Much has been written about the historical persecution of Catholics Priests in particular became prime targets during the heightened tensions of the Armada and the Gunpowder Plot But those whom they relied on for shelter have received little attention until now The underground network of lay supporters the Catholic Resistance mostly comprised courageous women of the great and sometimes not so great families of England and their houses riddled with priest holes These women fought a cat and mouse game with spymasters like Walsingham and Cecil and their spider s web of clandestine informants knowing that one slip might lead to arrest torture and execution The indomitable Anne Vaux and her sister Eleanor provide the focus of this story but there were others including their niece Frances who as an 11 year old boldly confronted armed raiders in search of priests and Margaret Clitherow of York arrested during a similar search and ultimately pressed to death To escape the clutches of Elizabeth s brutal torturer Richard Topcliffe and others like him men like Father John Gerard whose zipwire escape from the Tower of London is the stuff of Tom Cruise films and genius priest hole creator Little John turned to these Sisters of Mercy **Margaret Clitherow, C.1556-1586** Mary Claridge,1966
