Marginal Jew Vol 2 Mentor Message And Miracles:

Life of Jesus John Dickson, 2010 Join historian John Dickson on this journey through the life of Jesus This book which features a self contained discussion guide for use with Life of Jesus DVD will help you and your friends whether believing or skeptical to dig deeper into what is known about Jesus life and why it matters *Dreams, Visions, Imaginations* Jens Schröter, Tobias Nicklas, Armand Puig i Tàrrach, 2021-02-08 The contributions in this volume are focused on the historical origins religious provenance and social function of ancient Jewish and Christian apocalyptic literature including so called Gnostic writings Although it is disputed whether there was a genre of apocalyptic literature it is obvious that numerous texts from ancient Judaism early Christianity and other religious milieus share a specific view of history and the world to come Many of these writings are presented in form of a heavenly divine revelation mediated through an otherworldly figure like an angel to an elected human being who discloses this revelation to his recipients in written form In different strands of early Judaism ancient Christianity as well as in Gnosticism Manichaeism and Islam apocalyptic writings played an important role from early on and were produced also in later centuries One of the most characteristic features of these texts is their specific interpretation of history based on the knowledge about the upper divine realm and the world to come Against this background the volume deals with a wide range of apocalyptic texts from different periods and various religious backgrounds

Resurrection and Responsibility Keith Dyer, David J. Neville, 2009-09-01 This collection of studies by friends colleagues students and associates of Thorwald Lorenzen centers on his pivotal research interests the theological and ethical implications of a relational understanding of the resurrection of Jesus Christ In two major works on the resurrection Lorenzen demonstrated the radical ramifications for Christian discipleship of affirming a relational perspective on the

resurrection especially with regard to social justice human rights ecumenical dialogue and holistic spirituality The purpose of this book is to honor the theological work of Thorwald Lorenzen by examining anew and pressing ahead with certain aspects of his own research interests whether in historical and systematic theology biblical exegesis and hermeneutics or social ethics and spirituality

The Disciples' Jesus Terrence W. Tilley, 2015-03-04

Did Jesus Really Say He Was God? Mikel Del Rosario, 2025-10-23

How to Make Sense of Jesus Divine Claims Do you ever wonder if Jesus really claimed to be God Maybe you've heard people say Jesus never said he was God or you've been asked Why believe Jesus is divine if he never claimed it These challenges aren't just from non-Christians they show up in church too Even if you're not coming from a place of skepticism you might still question how well church teachings about Jesus match up with what he actually said So did the historical Jesus really claim to be divine This book is here to give you confidence in the historicity of Jesus' claim to divinity It's designed to help you explain your faith in a world that increasingly doubts the Bible's portrayal of Jesus Instead of focusing on what Jesus' followers believed this book takes a different approach it looks at what Jesus' enemies thought How did they interpret his words and actions Their perspective can help you understand the historical validity of Jesus' divine claim In this book biblical scholar Mikel Del Rosario uses historiography to examine claims about Jesus' divinity analyzes ancient Greco-Roman Jewish and biblical sources to understand how Jesus' words and actions were interpreted by his adversaries and followers and argues that Jesus claimed divine authority a claim supported by strong historical evidence If you're a Christian this book will equip you to defend your faith against theories that suggest Jesus only claimed human authority not divine If you're someone who sees Christianity differently this book offers a serious investigation into the claims of the historical Jesus providing evidence that any theory of his identity must address Whether you're searching for answers to your own questions or trying to share about Jesus with others this book will help you communicate Jesus' divine claim with clarity and confidence

The Quest for the Real Jesus Jan van der Watt, 2013-07-11

The Radboud Prestige Lectures in New Testament 2010 were presented by Prof Michael Wolter University of Bonn His prestige lecture was entitled Which is the real Jesus In this lecture he challenged many of the current views within the historical Jesus research by critically evaluating the approaches in various categories Afterwards this lecture was presented to a variety of scholars from different disciplines who approach the problem from their particular perspectives thus bringing a rich texture of insights apart from engaging critically with Wolter's views Thus one can appreciate the role the quest for the historical Jesus plays within a wider framework This resulted in interesting articles that not only deal with historical but also with philosophical and hermeneutical issues

Paul and the Miraculous Graham H. Twelftree, 2013-09-15

How can we explain the difference between the miraculous Christianity expressed in the Gospels and the nearly miracle-free Christianity of Paul In this historically informed study senior New Testament scholar Graham Twelftree challenges the view that Paul was primarily a thinker and reimagines him as an apostle of Jesus for whom the miraculous was of profound importance Highlighting often

overlooked material in Paul's letters Twelftree offers a fresh consideration of what the life and work of Paul might teach us about miracles in early Christianity and sheds light on how early Christians lived out their faith Deliver Us from Evil Richard H. Bell, 2007 My initial goal was to write a book on the defeat of Satan in New Testament theology covering all the witnesses of the New Testament using a title such as falling like lightning But it became evident that although the defeat of Satan is central to the exorcisms of the synoptic gospels many authors of the New Testament simply do not speak explicitly about a defeat of Satan For example Paul Ephesians and Colossians if they explicitly speak of the devil or allude to him speak instead of being redeemed from the dominion of Satan I therefore moved more in the direction of considering how the human being is redeemed from the effects of Satan Preface **A History of Apologetics** Avery Dulles, 2018-08-22 Making the case for the Christian faith apologetics has always been part of the Church's mission Yet Christians sometimes have had different approaches to defending the faith responding to the needs of their respective times and framing their arguments to address the particular issues of their day Cardinal Avery Dulles's A History of Apologetics provides a masterful overview of Christian apologetics from its beginning in the New Testament through the Middle Ages and on to the present resurgence of apologetics among Catholics and Protestants Dulles shows how Christian apologists have at times both criticized and drawn from their intellectual surroundings to present the reasonableness of Christian belief Written by one of Catholicism's leading American theologians A History of Apologetics also examines apologetics in the 20th and early 21st centuries including its decline among Catholics following Vatican II and its recent revival as well as the contributions of contemporary Evangelical Protestant apologists Dulles also considers the growing Catholic Protestant convergence in apologetics No student of apologetics and contemporary theology should be without this superb and masterful work Empowering the People Richard A. Horsley, 2022-03-25 In this innovative study Horsley builds on his earlier works concerning the problematic and misleading categories of magic and miracle to examine in depth the meaning and importance of the narratives of healing and exorcism in the Gospels Incorporating his work on oral performance and turning to important works in medical anthropology a new image emerges of how these narratives help us re-evaluate Jesus's place in first century Galilee and Judea In his exorcisms and healings Jesus in interaction was empowering the villagers in their struggles for renewal of personal and communal dignity in resistance to invasive Roman rule God at War Gregory A. Boyd, 2014-06-18 Modern Christians are often baffled by the problem of evil frequently attributing pain and suffering to some mysterious good purposes of God Gregory Boyd instead declares that biblical writers did not try to intellectually understand evil but rather grappled to overcome it **The Impact of Jesus in First-Century Palestine** Rosemary Margaret Luff, 2019-08-15 Uses archaeological and textual evidence to clarify the nature of Galilean discontent and the advent of Jesus' eschatological ministry **Back to the Well** Frances Taylor Gench, 2004-01-01 Exploring six Gospel texts in which women encounter Jesus Gench encourages readers to view these stories anew through the eyes of contemporary biblical scholarship **Jesus the Apocalyptic**

Prophet Cecilia Wassen, Tobias Hägerland, 2021-01-14 In this new English language translation of *Den okände Jesus* The Unknown Jesus Cecilia Wassen and Tobias Hägerland consider Jesus as an apocalyptic prophetic figure within the context of first century Judaism and reconstruct the life of Jesus from his birth to his death with a focus on understanding him in the context of his own time and place Engaging critically with the sources they examine Jesus' life in order of events and draw together the threads of scholarly discussion on the history archaeology and geography of first century Galilee forming a complete picture of Jesus' world suitable for non specialists and university students Wassen and Hägerland provide a strictly historical reconstruction distinguishing between the rhetorical aims of the New Testament texts and the information about the past that these texts contain They enhance the texts surrounding Jesus in the context of first century Galilee with historical and archaeological reflections and discussion including penetrating insights from the Dead Sea Scrolls Illustrated throughout with photographs taken by the authors specifically to offer insights into the world of Jesus and the New Testament writings *Jesus the Apocalyptic Prophet* provides a deeply informed introduction to Jesus in his first century context

Jesus, the Galilean Exorcist Amanda Witmer, 2012-02-23 Amanda Witmer presents an investigation of exorcism in the activities of the historical Jesus particularly the connection between spirit possession and exorcism on the one hand and the socio political context of first century Galilee on the other Witmer draws on research from the areas of sociology anthropology archaeology and biblical studies to illuminate this aspect of Jesus' career as well as the broader social implications of spirit possession in those he treated and the exorcisms themselves Evidence found in the strands underlying the Synoptic Gospels is evaluated using the criteria of authenticity and comparative analysis in order to establish early and historical material Questions posed and answered concern the historical plausibility of Jesus' role as exorcist the possibility that his own career began with a period of spirit possession and the meaning that his exorcisms conveyed to his first century audience Thus the methodology includes textual analysis sociological analysis of general cultural patterns within which first century Palestine can be fitted and anthropological analysis of the plausible functions of both spirit possession and exorcism in agrarian societies

A Marginal Jew: Mentor, message, and miracles John P. Meier, 1991

The Light Shines On in the Darkness Robert Spitzer, 2017-06-20 Why would an all loving God allow suffering Are not suffering and love opposed to one another Does suffering have any meaning or benefit Is there any objective evidence for God for a soul that will survive bodily death for the resurrection of Jesus Who is God anyway benevolent and loving or angry and retributive Fr Robert Spitzer S J gives a comprehensive response to these questions and many others explaining the contemporary evidence for God the soul and the resurrection He discusses how God uses suffering to lead us to compassion for others and eternal life He also shows how the Holy Spirit guides us through times of suffering toward our salvation explaining the signs and the interior movements that reveal the Spirit's actions Fr Spitzer not only addresses the perplexing questions associated with suffering but teaches us how to suffer well He points out some of the most common mistakes people make when trying to

interpret God's motives for allowing or alleviating suffering. He demonstrates why suffering in combination with love is one of the most powerful motivating agents for personal, cultural, and societal development. *Escape From Evil's Darkness* Robert Spitzer, 2021-02-19. In this second volume of the *Called Out of Darkness* trilogy, Father Robert Spitzer, S.J., draws together some of the best advice given by Catholic spiritual masters across the ages and brings it into harmony with modern scientific research, offering practical ways to live out the gospel in our busy days. It is a roadmap to a deeper relationship with the Lord and to authentic transformation through the imitation of Christ. Giving evidence that Jesus established just one Church with Peter as its head, Spitzer shows that the Catholic Church, with its rich array of sacraments, teachings, prayer traditions, and lived examples of holiness, continues to be fertile ground for profound Christian conversion. But no true conversion is purely spiritual; it must bear fruit in our daily lives. Father Spitzer guides readers through the workings of moral transformation with detailed sketches of all the cardinal and theological virtues, especially love. Using insights from Saint Ignatius of Loyola as well as from modern psychology, *Escape from Evil's Darkness* concludes with an in-depth study of the sacrament of confession and the staggering power of God's loving mercy. **On the Resurrection, Volume 2** Gary Habermas, 2024-09-15. In *On the Resurrection Volume 2: Refutations*, Gary Habermas offers detailed analyses and rebuttals of the alternate theories surrounding Jesus's resurrection. This is the second volume of four in his magnum opus *On the Resurrection*.
