Theorising Green Criminology Rob White, 2021-09-30 Rob White s pioneering work in the establishment and growth of green criminology has been part of a paradigm shift for the field of criminology as it has moved to include crimes committed against the environment For the first time this book brings together a selection of White s essays that explore the theories research approaches and concepts that have been instrumental to our understanding of environmental harm and eco justice The book provides an additional foundation for scholarship that goes beyond expression of opinion or immediate empirical finding the emphasis is on systematic analysis and theoretically informed consideration of complex realities It

serves as a platform for further debate and discussion of green criminology's theories, perspectives, approaches, and concepts and their application to specific sub-areas such as environmental law, enforcement, wildlife trafficking, pollution, and climate change. Its aim is not to provide answers but to stimulate further dedicated theoretical contemplation of environmental harms, threats to biodiversity, and extinction of species. This is essential reading for all those engaged with green criminology as well as criminological theory, eco-justice, and environment and sustainability studies. *Challenging Notions, Third Edition*

Tammy C. Landau, 2024-01-05 The expanded third edition of *Challenging Notions* introduces students to both the theoretical and the applied aspects of victimology and provides a critical foundation for evaluation. Tammy C. Landau, an expert in criminal justice, explores patterns of victimization in Canada, the experiences of Indigenous peoples in the criminal justice system, restorative approaches to victimization, and the challenges presented when the state is the perpetrator of crime. This new edition contains updated statistics, census data, case studies, and discussion questions. New intersectional topics include trauma-informed justice and social movements such as defunding the police and Indian residential schools, as well as information from the Truth and Reconciliation Commission. With current scholarship, carefully curated cases, and thoughtful chapter discussion questions, this uniquely Canadian text is a valuable resource for second and third-year university victimology classrooms.

Understanding Societies Gillian Balfour, 2021-12-13T00:00:00Z This book is a collection of critical readings that animate contemporary sociological theory and research. Students will learn how sociology can be relevant in their everyday lives as they are introduced to scholars who challenge conventional thinking about how the world works. Designed as a companion reader for introductory sociology students, each reading is set in context with clear linkages to Joanne Naiman's *How Societies Work*. Students will read about racial profiling, wrongful convictions, homophobia, human trafficking, professional sports, sweatshop labour, and residential schools. Each chapter illustrates how sociologists think about social inequality, power, and social transformation. *Critical Approaches Toward a Cosmopolitan Education* Sandra R.

Schechter, Carl E. James, 2021-08-29 This book aims to reconceptualize teaching and learning in spaces with diverse populations of young people. Chapters focus on the schooling experiences and social and cultural adaptation issues of individuals who, through the meaning that they assign to their lived experiences, ascribe to multiple identity qualifiers. Contributors explore the impact of this cosmopolitan awareness on students, educators, and educational institutions, presenting issues such as curricular concerns around civic engagement, individual subjectivity versus social identity, and the convergence of context-specific policy and teaching environments on global dynamics in education reform. An emphasis on this understanding promises to better equip educators and policy makers to plan instructional approaches and devise pedagogic resources that serve the needs and career aspirations of an expanding cohort of multifaceted learners. **Critical Perspectives on Social Control and Social Regulation in Canada** Mitch Daschuk, 2020-08-25T00:00:00Z How does social regulation shape who is deviant and who is normal? *Critical Perspectives on Social Control and Social Regulation* in

Canada is an introduction to the sociology of what has traditionally been called deviance and conformity This book shifts the focus from individuals labelled deviant to the political and economic processes that shape marginalization power and exclusion Class gender race and sexuality are the bases for understanding deviance and it is within these relations of power that the labels deviant and normal are socially developed and the behaviours of those less powerful become regulated This textbook introduces readers to theories and critiques of traditional approaches to deviance and conformity Using vivid and timely examples of contemporary social regulation and control this textbook brings to life how forces of social control and marginalization interact with social media sex work immigration anti colonialism digital surveillance and social movements and much more Theories and critiques are clarified with summaries definitions rich illustrative examples discussion questions recommended resources and test banks for instructors

Racial Profiling in Canada Carol Tator, Frances Henry, Charles Smith, Maureen Brown, 2006-01-01 Informed by a wealth of research and theoretical approaches from a wide range of disciplines *Racial Profiling in Canada* makes a major contribution to the literature and debates on a topic of growing concern

STILL Blaming Children Bernard Schissel, 2021-01-10T00:00:00Z The media enhanced moral panic surrounding youth has continued unabated over the past two decades Its form and substance varies but the politics of blaming and exploiting children underlies it all Despite the reality that rates for most youth crime have gone down the public condemnation of youth especially through the news media continue unabated and the position of children and youth in our societies is still as precarious as ever Put bluntly the lives of too many children and youth are fraught with potential danger Not only are they the victims of excessive legal scrutiny and scapegoats for panic driven public policy but they also go off to war proportionately more than adults and they work at unskilled jobs for no benefits and insultingly low wages Children and youth live outside the protections of human rights **STILL Blaming Children** an expanded and updated version of *Blaming Children* shows how getting tough on young offenders ignores the reality of their lives and the reality of their misconduct The book ends by describing more humane and mindful alternatives for youth offenders based on the human rights our children deserve

Power and Resistance, 7th ed. Jessica Antony, Wayne Antony, 2022-06-30T00:00:00Z *Power and Resistance* debunks the dominant neoliberal hyper individualist approach to society s problems that sees poverty as a result of laziness environmental crises as a result of market demands for products that pollute and Indigenous Peoples struggles as a result of not assimilating We argue that it is social inequality and oppression that are the underlying causes of social problems In a society like ours powerful groups make choices that benefit them and force those choices onto others creating life problems for others and society as a whole The powerful also have influence over what is and is not called a social problem Solving social problems requires changing the structures of inequality and oppression For example industrial corporate agriculture has created huge profits for a few gigantic food corporations but left much of the world hungry But farmers and their allies are pushing back through agroecology an agriculture based on local small scale ecologically sustainable farming that brings

eaters and growers closer to one another The seventh edition of *Power and Resistance* includes new chapters on anti Black racism in schools Indigenous people and mental health food security and sovereignty and work in the gig economy *Reena Virk* Mythili Rajiva, Sheila Batacharya, 2010 The murder of British Columbia teen Reena Virk shocked Canadians and provoked an outpouring of media commentary academic explanation plays and novels But while much attention was paid to the problem of violence and girl bullying race and related issues hardly figured in mainstream conversation This collection aims to refocus the conversation about Reena Virk by considering how racism colonialism and hierarchies of gender class age and sexuality figure in this crime and our understanding of it The ten thoughtful chapters by both prominent and emerging scholars force us to grapple with the difficult and at times ugly implications of Reena Virk's murder for Canadian national identity *Popular Culture* Laura Buzzard, Don LePan, Nora Ruddock, Alexandria Stuart, 2023-07-24 *Popular Culture* A Broadview Topics Reader is an accessible collection of non fiction writing for composition students and students of popular culture The anthology takes an expansive view of its subject encompassing advertising code switching social media emerging technologies the body positivity movement cultural appropriation and more A wide variety of genres are represented from personal and literary essays to journalism and academic writing Selections are arranged by theme the book also includes an alternative table of contents listing material by genre and rhetorical style as well as suggested pairings of pieces that complement each other Headnotes explanatory notes and discussion questions facilitate student engagement with each piece A selection of color images features advertisements journalistic photography and other materials that aim to prompt classroom discussion **Anarchy and Society** Jeffrey Shantz, Dana M. Williams, 2013-11-14 *Anarchy and Society* explores the many ways in which the discipline of Sociology and the philosophy of anarchism are compatible The book constructs possible parameters for a future anarchist sociology by a sociological exposition of major anarchist thinkers including Kropotkin Proudhon Landauer Goldman and Ward as well as an anarchist interrogation of key sociological concepts including social norms inequality and social movements Sociology and anarchism share many common interests although often interpreting each in divergent ways including community solidarity feminism crime and restorative justice and social domination The synthesis proposed by *Anarchy and Society* is reflexive critical and strongly anchored in both traditions

Forever Loved: Exposing the hidden Crisis of Missing and Murdered Indigenous Women and Girls in Canada Lavell Memee, D Harvard, 2016-05-01 The hidden crisis of missing and murdered Indigenous women and girls in Canada is both a national tragedy and a national shame In this ground breaking new volume as part of their larger efforts to draw attention to the shockingly high rates of violence against our sisters Jennifer Brant and D Memee Lavell Harvard have pulled together a variety of voices from the academic realms to the grassroots and front lines to speak on what has been identified by both the Inter American Commission on Human Rights and the United Nations as a grave violation of the basic human rights of Aboriginal women and girls Linking colonial practices with genocide through their exploration of the current

statistics root causes and structural components of the issue including conversations on policing media and education the contributing authors illustrate the resilience strength courage and spirit of Indigenous women and girls as they struggle to survive in a society shaped by racism and sexism patriarchy and misogyny This book was created to honour our missing sisters their families their lives and their stories with the hope that it will offer lessons to non Indigenous allies and supporters so that we can all work together towards a nation that supports and promotes the safety and well being of all First Nation Métis and Inuit women and girls
