Maria Callas:

Maria Callas Arianna Huffington, 2002-10-14 For millions of people the great soprano Maria Callas 1923 1977 remains the focus of such unparalleled fascination that there is still no higher praise for singers than the best since Callas In this biography Callas career is brought brilliantly to life from her transformation from a chubby painfully shy girl into a magnificent celebrated soprano to her conflict with her larger than life image Huffington makes this struggle which was at the center of her life also the center of the biography Using a wealth of previously unpublished material and numerous first hand interviews Huffington documents Callas interminable conflict with her mother her deeply emotional relationship with her voice the gradual unraveling of her first marriage her passionate love affair with Aristotle Onassis her agony and humiliation at his leaving her and her secret abortion

Cast a Diva Lyndsy Spence, 2021-06-01 Call it charm call it magic call it Maria Dorle Soria The new face of Maria Callas is even more dramatic than how History with a capital H has already painted it Vogue Italia Maria Callas 1923 77 was the greatest opera diva of all time Despite a career that remains unmatched by any prima donna much of her life was overshadowed by her fiery relationship with Aristotle Onassis who broke her heart when he left her for Jacqueline Kennedy and her legendary tantrums on and off the stage However little is known about the woman behind the diva She was a girl brought up between New York and Greece who was forced to sing by her emotionally abusive mother and who left her family behind in Greece for an international career Feted by royalty and Hollywood stars she fought sexism to rise to the top but there was one thing she wanted but could not have a happy private life In *Cast a Diva* bestselling author Lyndsy Spence draws on previously unseen documents to reveal the raw tragic story of a true icon

The Definitive Diva John Louis DiGaetani, 2021-08-18 Maria Callas was perhaps the greatest opera singer of the 20th century Hers was a life lived on the world stage and her fame extended to the public consciousness of many parts of the world Even after her mysterious death in 1977 her singing and acting continue to thrill new generations of opera fans thanks to her many recordings and her fascinating life This new biography of Callas tells her story from difficult beginnings as the daughter of Greek immigrants to New York City in 1923 to her wonderful performances at La Scala Covent Garden and the Metropolitan Opera Callas was quite a diva and a master at creating a captivating public image She also became notorious because of her very public affair with Aristotle Onassis the wealthy ship owner who left Callas to marry Jacqueline Kennedy
