however unexpectedly turned into a marriage proposal And when the family was forced to flee their home to escape the Nazis it was Maria who instructed them on how to survive using nothing but the power of their voices It s an inspirational story to be sure and as half of the famous Rodgers Hammerstein duo Hammerstein knows it has big Broadway potential Yet much of Maria s life will have to be reinvented for the stage and with the horrors of war still fresh in people s minds Hammerstein can t let audiences see just how close the von Trapps came to losing their lives But when Maria sees the script that is supposedly based on her life she becomes so incensed that she sets off to confront Hammerstein in person Told that he s busy she is asked to express her concerns to his secretary Fran instead The pair strike up an unlikely friendship as Maria tells Fran about her life contradicting much of what will eventually appear in *The Sound of Music* A tale of love loss and the difficult choices that we are often forced to make Maria is a powerful reminder that the truth is usually more complicated and certainly more compelling than the stories immortalized by Hollywood *Maria Von Trapp* ,1974-01-01
