Remembering a Great American Hero Marian Anderson Emile Henwood,2020-12-28 There is a massive amount of historical information available about Marian Anderson in over twenty biographies her extensive personal papers at the University of Pennsylvania Library the National Marian Anderson Historical Society s Residence Museum various PBS documentaries the Smithsonian Institute the Internet and undocumented verbal stories that have circulated in her home town of Philadelphia for years Researching her long 96 year life was an exciting privilege but time consuming Those who may remember Marian Anderson as simply a great singer are probably missing 90% of what this trailblazing humanitarian s contribution to our society really accomplished Readers of this condensed chronological compilation can now more quickly realize and learn to appreciate the teachable lessons of Marian Anderson s well lived long life possibly in just one or two sittings stimulating further future study of her from the above sources and the list of books included in the Appendix At one time the press consistently covered Marian Anderson and she was written into history books but that is no more If students do not learn about her and people don t talk about her they forget Through a series of events in March of 2019 I discovered the National Marian Anderson Historic Society that is headquartered in the Anderson Family s home that is now an official historic residence museum in my

hometown of Philadelphia It took me a few more visits to begin to absorb what is there After each visit I left with mixed feelings of awe newfound respect and embarrassment How could I having lived in Philadelphia for so long not far from the very home Marian Anderson purchased in 1924 now a museum in a neighborhood I went through frequently have absolutely no idea that I was passing in the vicinity of such greatness After reading Marian Anderson s autobiography my hunger to know more lead me to discover over twenty other biographies from excellent books for school children up to several well researched works by distinguished scholars It is with the latter academic group that I have principally drawn on to compile and condense the information presented in this book along with additional expert creditable eyewitness sources not previously publicly disclosed Who's who in Gay and Lesbian History Robert Aldrich,Garry Wotherspoon,2002 500 entries from more than 100 contributors profiling gay and lesbians throughout history ranging from Sappho to Andre Gide most entries are accompanied by a bibliography **The Catholic Library World** John M. O'Loughlin,Francis Emmett Fitzgerald,2000 **School Library Journal** ,2001-07 The Kindest People Who Do Good Deeds: Volume 2 David Bruce,2008-11-01 This book collects 250 stories about good deeds including this one When the great 19th century actor Sir Henry Irving discovered an old woman who needed money to survive but who couldn t work he would hire her to take care of the cats in his theater Later he was going to hire an old woman to take care of the cats but then he discovered that he had already hired three old women to take care of the cats Therefore he hired this old woman to take care of the three old women who took care of the cats *Jet* ,1998-07-20 The weekly source of African American political and entertainment news
