Bitel, 2015-08-25 For more than twenty years Maria Paula Acu has claimed to see the Virgin Mary once a month at a place called Our Lady of the Rock in the Mojave Desert of California Hundreds of men women and children follow her into the desert to watch her see what they cannot While she sees and speaks with the Virgin onlookers search the skies for signs from heaven snapping photographs of the sun and sky Not all of them are convinced that Maria Paula can see the Virgin yet at each vision event they watch for subtle clues to Mary's presence such as the unexpected scent of roses or a cloud in the shape of an angel The visionary depends on her audience to witness and

authenticate her visions while observers rely on Maria Paula and the Virgin to create a sacred space and moment where they too can experience firsthand one of the oldest and most fundamental promises of Christianity direct contact with the divine Together visionary and witnesses negotiate and enact their monthly liturgy of revelations Our Lady of the Rock which features text by Lisa M Bitel and more than sixty photographs by Matt Gainer shows readers what happens in the Mojave Desert each month and tells us how two thousand years of Christian revelatory tradition prepared Maria Paula and her followers to meet in the desert Based on six years of observation and interviews chapters analyze the rituals iconographies and physical environment of Our Lady of the Rock Bitel and Gainer also provide vivid portraits of the pilgrims who they are where they come from and how they practice the traditional Christian discernment of spirits and visions Our Lady of the Rock follows three pilgrims as they return home with relics and proofs of visions where out of Maria Paula s sight they too have learned to see the Virgin The book also documents the public response from the Catholic Church and popular news media to Maria Paula and other contemporary visionaries Throughout Our Lady of the Rock locates Maria Paula and her followers in the context of recent demographic and cultural shifts in the American Southwest the astonishing increase in reported apparitions and miracles from around the world the latest developments in communications and visual technologies and the never ending debate among academics faith leaders scientists and citizen observers about sight perception reason and belief

Fatima's Third Secret Explained Thomas W. Petrisko, 2001 This book seeks to explain in reader friendly terms the controversial Third Secret of Fatima as released by the Catholic Church on June 26 2000 Included in this work is the commentary written by Cardinal Ratzinger and titled The Message of Fatima Discover the increasingly important role private revelation plays in the lives of Christians worldwide Esoteric Catholicism / Esoterischer Katholizismus Viktoria Vitanova-Kerber, Helmut Zander, 2025-05-06 Catholicism and esotericism seem to have hostile relations but in fact the opposite is true In both traditions we find stigmata revelations visions magic spiritualistic contacts We explore which are the theological and sociological concepts which make this possible The porous transfer zone between orthodox theology and heretical ideas is central For example the legitimating structure of scripture and tradition allowed for the integration of religious practices that did not originate in Christianity or justified revelations apart from the Bible This kept groups within the church which in Protestantism were often eparated and thus hardly noticed by researchers This means for religious studies to revise the strongly Protestant boundary work to determine the demarcation lines of a Christian orthodoxy and thereby to redefine the role of spiritualistic theologies Catholicism is characterized here by a border landscape in which

esoteric ideas were flexibly adapted and in which one often renounced the definition of a precise eliminatory boundary line

McGregor,Paul Morrissey,2017-04-24 Since the Second Vatican Council the place of Mary in theology and generally in the life of the Church has been at times muted This is perhaps understandable given the debates concerning Mary s place in the documents of Vatican II In an ecumenical age it was argued the church needed a less triumphalist Mariology and piety with a greater focus on Mary as model disciple In certain respects this has led to a dichotomy between the continued Marian piety of many faithful and truth be told the piety of the post conciliar popes and a theological timidity concerning Mary This collection of chapters seeks to address the current situation of Mariology Taken as a whole these chapters represent a welcome call for renewal and reawakening in Mariology The collection is also delightfully eclectic both in terms of topics covered and in terms of the denominational and academic backgrounds of the authors *Magical Realism, Latin American*

Theology, and the Appearance of a Pre-Critical Theory Alfredo Ignacio Poggi,2024-01-04 *Magical Realism Latin American Theology and the Appearance of a Pre Critical Theory* Mary versus Ideology explores why the greatest boom of Marian apparitions in history related by poor rural women and children occurred simultaneously with the rise of urban elites secularizing ideologies and often in the same countries This unique glimpse goes beyond the simple stories and symbols of the Marian apparitions revealing a critique of the modern and postmodern social imaginaries that gave life to innumerable ideologies Utilizing the Latin American hermeneutic lenses of liberation theology and magical realism this book demonstrates how popular religion with its mythical narrative nucleus is a space of resistance against the totalizing projects of modernity Modern and postmodern proposals like those of Marxist or poststructuralist argue that one must use critical thinking to evade or at least expose ideologies Alfredo Ignacio Poggi on the contrary maintains that a naive or more aptly pre critical perception of the world is the best starting point for challenging contemporary ideologies *The Bible in Folklore*

Worldwide Eric Ziolkowski,2023-12-31 *The Bible in Folklore Worldwide* a two volume illustrated Handbook provides readers with original studies of the reception of the Bible in the folklores of different cultures around the world This second volume focuses on biblically derived characters tales and motifs in Asian African Oceanic and American cultures **Women in**
