Victorian Women Writers and the Woman Question Nicola Diane Thompson, 1999-07 This book was first published in 1999 This collection of essays by leading scholars from Britain the USA and Canada opens up the limited landscape of Victorian novels by focusing attention on some of the women writers popular in their own time but forgotten or neglected by literary history Spanning the entire Victorian period this study investigates particularly the role and treatment of the woman question in the second half of the century There are discussions of marriage patriarchy and divorce satire suffragette writing writing for children and links between literature and art Moving from Margaret Oliphant and Charlotte Mary Yonge to Mary Ward Marie Corelli Ouida and E Nesbit this book illuminates the complex cultural and literary roles and the engaging contributions of Victorian women writers

A Slave Girl's Story Kate Drumgoold, 2019-12-02 In *A Slave Girl's Story* Kate Drumgoold crafts a poignant and harrowing narrative that illuminates the lived experiences of enslaved women in the antebellum South Through lyrical prose and vivid imagery Drumgoold immerses the reader in the psychological and physical struggles faced by her protagonist offering a rich literary tapestry that intertwines personal resilience with the broader historical context of slavery and gender dynamics The story steeped in authenticity and historical detail highlights the impact of systemic oppression while celebrating the enduring spirit of its characters Kate Drumgoold a scholar and advocate for social justice draws inspiration from her extensive research into American history and the narratives of marginalized voices Her dedication to illuminating the complexities of the past is evident throughout the text as she incorporates both factual elements and imaginative storytelling to bring to life the extraordinary challenges faced by women in bondage Drumgoold's background in literature and history uniquely positions her to tackle these crucial themes lending credibility and depth to her narrative This compelling novel is not only an essential contribution to the canon of historical fiction but also a call to reflection and awareness Readers who seek to understand the intersection of race gender and history as well as those interested in stories of resilience and survival will find *A Slave Girl's Story* both enlightening and profoundly moving

The Historical Jesus and the Literary Imagination 1860-1920 Jennifer Stevens, 2010-07-14 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library Fictional reconstructions of the Gospels continue to find a place in contemporary literature and in the popular imagination Present day writers of New Testament fiction and drama are usually considered as part of a tradition formed by mid to late twentieth century authors such as Robert Graves Nikos Kazantzakis and Anthony Burgess This book looks back further to the late nineteenth and early twentieth centuries when the templates of the majority of today's Gospel fictions and dramas were set down In doing so it examines the extent to which significant works of biblical scholarship both influenced and inspired literary works Focusing on writers such as Oscar Wilde George Moore and Marie Corelli this timely new addition to the English Association

Monographs series will be essential reading for scholars working at the intersection of literature and theology

Language, Science and Popular Fiction in the Victorian Fin-de-Siècle Christine Ferguson, 2017-03-02 Christine Ferguson's timely study is the first comprehensive examination of the importance of language in forming a crucial nexus among popular fiction, biology and philology at the Victorian fin de siècle. Focusing on a variety of literary and non-literary texts, the book maps out the dialogue between the Victorian life and social sciences most involved in the study of language and the literary genre frequently indicted for causing linguistic corruption and debasement: popular fiction. Ferguson demonstrates how Darwinian biological, philological and anthropological accounts of primitive and animal language were co-opted into wider cultural debates about the apparent brutality of popular fiction and shows how popular novelists such as Marie Corelli, Grant Allen, H. G. Wells, H. Rider Haggard and Bram Stoker used their fantastic narratives to radically reformulate the relationships among language, thought and progress that underwrote much of the contemporary prejudice against mass literary taste. In its alignment of scientific, cultural and popular discourses of human language, *Language, Science and Popular Fiction in the Victorian Fin de Siècle* stands as a corrective to assessments of best-selling fiction's intellectual, ideological and aesthetic simplicity.

The Lonely Dreamer Hebe Elsna, 1996-09-1961 Marie Corelli was an astonishingly successful novelist to thousands; her work seemed wonderfully inspiring. Yet to the end of her life Marie was lonely. But was that chiefly because she was lost in a world of extravagant dreams? Hebe Elsna, in *Gamle Norge and Nineteenth-Century British Women Travellers in Norway* (Kathryn Walcheste, 2014-12-01), presents an account of the development of tourism in nineteenth-century Norway and considers the ways in which women travellers depicted their travels to the region. Tracing the motivations of various groups of women travellers such as sportswomen, tourists and aristocrats, this book argues that in their writing Norway forms a counterpoint to Victorian Britain: a place of freedom and possibility.

Silent Voices Brenda Ayres, 2003-04-30 Some of the greatest English novels were written during the Victorian era and many are still widely read and taught today. But many others written during that period have been neglected by scholars and modern readers alike. A number of these novels were written by women and were popular when published. Moreover, they reveal perspectives of 19th-century British culture not present in canonized works and therefore revise our understanding of Victorian life and attitudes. With the increasing interest in revising Victorian history and gender scholarship, especially through the rediscovery of lost texts written by women, this book is a timely and much-needed study. The expert contributors to this volume argue the value of novels by such Victorian women writers as Grace Aguilar, Catherine Crowe, Charlotte Elizabeth Tonna, Annie E. Holdsworth, Ella Hepworth Dixon, Flora Annie Steel, Anne Thackeray, Sarah Grand, Marie Corelli and others. Most of the chapters address numerous works by a particular writer. Each focuses on different social issues as well, though most of them share an interest in gender politics. Topics discussed include a 19th-century Jewish novelist's navigation through Protestant spirituality, the relationship of noncanonical governess novels to

class and gender issues and forgotten works by women crime writers Other chapters analyze how women writers impelled social reform and subverted patriarchally defined religious issues

Modernism and the Women's Popular Romance in Britain, 1885-1925 Martin Hipsky, 2011-10-15 Today's mass market romances have their precursors in late Victorian popular novels written by and for women In *Modernism and the Women's Popular Romance* Martin Hipsky scrutinizes some of the best selling British fiction from the period 1885 to 1925 the era when romances especially those by British women were sold and read more widely than ever before or since Recent scholarship has explored the desires and anxieties addressed by both low modern and high modernist British culture in the decades straddling the turn of the twentieth century In keeping with these new studies Hipsky offers a nuanced portrait of an important phenomenon in the history of modern fiction He puts popular romances by Mrs Humphry Ward Marie Corelli the Baroness Orczy Florence Barclay Rebecca West Elinor Glyn Victoria Cross Ethel Dell and E M Hull into direct relationship with the fiction of Virginia Woolf Katherine Mansfield James Joyce and D H Lawrence among other modernist greats

The New Penelope, and Other Stories and Poems Frances Fuller Victor, 2019-12-24 In *The New Penelope and Other Stories and Poems* Frances Fuller Victor crafts a compelling tapestry of narratives that delve into the complexities of feminine experience in a male dominated society Written during the late 19th century Victor's work melds lyrical poetry with rich prose employing a modernist lens that highlights both personal and universal themes The collection is set against the backdrop of burgeoning feminist discourse exploring the dualities of domesticity and independence as well as the roles women play in society and literature thus situating itself as a precursor to more radical feminist movements Frances Fuller Victor a prominent figure in the American literary scene was influenced by her own life experiences and her advocacy for women's rights As a pioneering journalist and historian her extensive engagement with issues like social justice and human rights informed her narratives Victor's appointments within literary circles and her vast repertoire of writings showcase her as a formidable voice of her time striving to illuminate the otherwise suppressed stories of women This collection is recommended for readers seeking to explore the intersections of gender literature and societal critique Victor's unique perspective and deft use of language provide an enriching experience that speaks to both historical contexts and contemporary discussions making it an essential read for anyone interested in American literature and women's voices
