Marieluise Fleiber:

Heimat - A German Dream Elizabeth Boa, Rachel Palfreyman, 2000-09-21 The discourse of Heimat meaning homeland or roots has been a medium of debate on German identity between region and nation for at least a century Four phases parallel Germany's discontinuous history Heimat literature as a response to modernization and to regional tensions before the First World War the inter war period when Heimat divided into racist ideology left wing opposition and inner resistance to the Third Reich a post war dialectic between escapist 1950s Heimat films and right wing claims to the lost lands in the East to which anti Heimat theatre and films in the 1960s and 1970s were a response with the urban Heimat in GDR films adding a socialist twist regionalism and green politics in the 1980s and German identity beyond Cold War divisions A key point of reference in current debates on German history Heimat looks likely to continue in postmodern and multicultural mode

Ethnic Drag Katrin Sieg, 2023-06-20 The Holocaust is considered a singularly atrocious event in human history and many people have studied its causes Yet few questions have been asked about the ways in which West Germans have forgotten unlearned or reconstructed the racial beliefs at the core of the Nazi state in order to build a democratic society This study looks at ethnic drag Ethnomaskerade as one particular kind of performance that reveals how postwar Germans lived disavowed and contested Germanness in its complex racial national and sexual dimensions Using engaging case studies Ethnic Drag traces the classical and travestied traditions of Jewish impersonation from the eighteenth century onward to construct a pre history of postwar ethnic drag It examines how shortly after World War II mass culture and popular practices facilitated the repression and refashioning of Nazi racial precepts During a time when American occupation authorities insisted on remembrance and redress for the Holocaust the Wild West emerged as a displaced theater of the racial imagination where the roles of victim avenger and perpetrator of genocide were reassigned Ethnic Drag is an accessible and sophisticated critical and entertaining book that examines the phenomenon of cultural masquerade in order to examine racial feeling thought and behavior in postwar German culture Contributing to considerations of drag in postcolonial feminist and queer scholarships this book will be of interest to people in German studies theater performance ethnic studies and women's queer studies Katrin Sieg is Associate Professor Department of German and Center for German and European Studies Georgetown University

Shedding and Literally Dreaming Verena Stefan, 1994 A A A This volume brings together prose from three decades of writing by Verena Stefan one of the most influential contemporary feminist writers in the world A A A The original 1975 German publication of *Shedding* a novella that narrates the radical transformation of a young woman against the backdrop of the early 1970s women's civil rights and health care movements created such a stir that the work has been hailed as the feminist equivalent to Mao's little red book To date over 300 000 copies of *Shedding* have been sold in Germany Included here is the first English translation of *Literally Dreaming* a delightful collection of eight stories written in the 1980s drawing a portrait of life as the narrator of *Shedding* may have envisioned it women living together in natural and

rural settings independent of men Stefan has written for this volume a new essay Euphoria and Cacophony which traces the extraordinary reception and backlash that greeted Shedding in the 1970s and the effect on her both as a writer and as a symbol of the German women's movement A A A In resonant prose and with a refreshing honesty Stefan speaks to the universality of women's lives a concept popular in the 1970s and 1980s and ripe for re discussion now in the 1990s Stefan was a pioneer in experimental writing before the phrase was coined and her writing about women's lives is as immediate today as when it first exploded on the German literary scene A A A *Fassbinder's Germany* Thomas Elsaesser,1996 Rainer Werner Fassbinder is one of the most prominent and important authors of post war European cinema Thomas Elsaesser is the first to write a thoroughly analytical study of his work He stresses the importance of a closer understanding of Fassbinder's career through a re reading of his films as textual entities Approaching the work from different thematic and analytical perspectives Elsaesser offers both an overview and a number of detailed readings of crucial films while also providing a European context for Fassbinder's own coming to terms with fascism **German Feminist Writings** Patricia A. Women Writers in German-Speaking Countries Elke P. Frederiksen, Elizabeth G. Ametsbichler, 1998-02-28

Women have contributed to the literature of German speaking countries since the Middle Ages and they continue to write important works at the close of the 20th century While research on texts by women writers in German speaking countries has increased substantially most of these authors remain virtually unknown to English speaking scholars and students The first work of its kind in English this reference book contains alphabetically arranged entries for 54 Austrian German and Swiss women writers such as Hrotsvit von Gandersheim Louise Aston Elfriede Jelinek and Erica Pedretti from the tenth century to the present day Each entry includes a biography a discussion of major themes a survey of criticism and a bibliography of primary and secondary sources An introductory essay overviews the history of literature by women in German speaking countries and an extensive bibliography concludes the volume Women have actively shaped literature in German speaking countries from the Middle Ages to the present day These authors continue to enrich the world of letters and an increasing amount of scholarly attention is given to their writings In spite of their contributions however most of these writers are virtually unknown to English speaking scholars and students And though one of the explicit goals of feminist literary and cultural studies has been to provide a voice to a multitude of diverse authors feminist research still seems to focus heavily on texts by authors such as Christa Wolf Ingeborg Bachmann and Bettina von Arnim or on certain periods in 19th and 20th century German literature and culture As a result many other women authors have faded into obscurity Through entries written by expert contributors this reference book provides insights into the life and writings of 54 women authors from German speaking countries Entries are arranged alphabetically to facilitate use while an appendix lists the writers chronologically Included are profiles of authors from the tenth century to the present day such as Hrotsvit von Gandersheim Louise Aston Elfriede Jelinek and Erica Pedretti Each entry includes a biography a discussion of major themes and stylistic features a survey of criticism and a bibliography of primary and secondary sources An introductory essay

overviews the history of literature by women in German speaking countries and provides a theoretical context for the work and an extensive bibliography of secondary sources concludes the volume **"Entfremdung" in den dramatischen Schriften von Marieluise Fleißer** Angelika Döpfer-Henrich, 1996 *An Encyclopedia of German Women Writers, 1900-1933* Brian Keith-Smith, 1997 In Ten Volumes with three supplementary volumes Anthology with biographical and bibliographical notes and portraits where obtainable Writers have been represented by works that either reveal their development in one genre or by a cross section of works from different genres or by a group of works on one topic Occasionally a much longer work is included to highlight neglected or unknown areas Notes and biographies in English original texts in German **Theorie und Praxis der Biographie am Beispiel von Marieluise Fleißer** Kerstin Brummack, 2007-06-23 Magisterarbeit aus dem Jahr 2003 im Fachbereich Germanistik Neuere Deutsche Literatur Note 1,5 Freie Universität Berlin Institut für Deutsche und Niederländische Philologie Sprache Deutsch Abstract Zentrum und Spezifik literaturwissenschaftlicher Biographik ist die Realisierung des Brückenschlags zwischen Lebensbeschreibung und Werkanalyse Die Gliederung dieser Arbeit orientiert sich an der historischen Entwicklung der Biographie im deutschsprachigen Raum seit dem 18. Jahrhunderts ist Marieluise Fleißer, die keinen Nobelpreis bekommen durfte, da sie ihn ja gar nicht annehmen wollte. Elfriede Jelinek: Das neue Heft zu Marieluise Fleißer 1901-1974 nimmt ihren 50. Todestag und ihren 125. Geburtstag zum Anlass, eine unverwechselbare Stimme in der Literatur des mittleren 20. Jahrhunderts neu zu vernehmen. Der Band will die Aufmerksamkeit zum einen auf bislang weniger beachtete Werke und zum anderen auf neue Aspekte bekannter Texte lenken. In den Blick kommt so das Gesamtwerk nun auch in seinen medialen Kontexten: Buch, Zeitschrift, Hörfunk und Film. Über die bislang meistdiskutierten Arbeiten der 1920er Jahre hinaus richtet sich dieser Blick zudem auf Projekte aus dem Nachlass. Damit verbindet sich erstmals die Frage nach Kontinuität und Veränderungen im Œuvre sowie die Frage nach dem Ort Fleißers in literaturbuch- und kulturgeschichtlichen Prozessen. Dazu gehört auch die Aneignung und Selbstkanonisierung seit den 1960er Jahren, die in den gesammelten Werken im Suhrkamp Verlag kulminiert. Im Mittelpunkt der bereits 1962 gegründeten Zeitschrift für Literatur **TEXT KRITIK** stehen Autorinnen und Autoren sowie aktuelle Themen der deutschsprachigen Literatur vor allem der Gegenwart, aber auch der Literaturgeschichte. Die Spannweite reicht von Martin Luther über Juli Zeh bis hin zu Mangas, Comics und Graphic Novels und zu Fragen digitaler Literatur und künstlicher Intelligenz. **TEXT KRITIK** vermittelt Literatur macht mit Analysen und kritischen Essays Lust auf Lektüre und richtet sich an alle, die an literarischen Fragen interessiert sind und sich mit Literatur beschäftigen. Die Herausgebenden und Beitragenden der Reihe sind ausgewiesene Fachleute aus Wissenschaft, Journalismus und Kulturvermittlung sowie die Autorinnen und Autoren selbst. **Acta Universitatis Lodzensis**, 1990 **A Companion to Twentieth-Century German Literature** Raymond Furness, Malcolm Humble, 2003-09-02 Containing entries on over four hundred authors of fiction, poetry and drama from Germany, Austria and Switzerland, this invaluable work of reference presents material of a range and depth that no other book on the subject in English attains. For the second edition, the entries have been updated to include the most recent works of German literature. A number of new entries have been added, dealing in particular with the East German literary scene and the changing literary landscape after reunification. In addition to basic biographical facts, the Companion offers summaries, information on involvement in literary groups and political developments, schools and movements, critical terms and aspects of the other arts, including film. *Sociological Abstracts* Leo P. Chall, 1995 *Encyclopedia of German Literature* Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities, the *Encyclopedia of German Literature* includes more than 500 entries on writers, individual work and topics essential to an understanding of this rich literary tradition. Drawing on the expertise of an international group of experts, the essays in the encyclopedia reflect developments of the latest scholarship in German literature, culture and history, and society. In addition,

to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings **Women & Theatre Occasional Papers** ,1994
