Marilyn and Me Susan Strasberg, 1993-09-01 The daughter of acting teachers Lee and Paula Strasberg discusses her relationship with Marilyn Monroe when the screen idol came to New York to study with her parents Like a Natural Woman Kirsten Pullen, 2014-08-08 Bathing beauty Esther Williams bombshell Jane Russell exotic Carmen Miranda chanteuse Lena Horne and talk show fixture Zsa Zsa Gabor are rarely hailed as great actors or as naturalistic performers Those terms of praise are given to male stars like Marlon Brando and James Dean whose gritty dramas are seen as a departure from the glossy spectacles in which these stars appeared Like a Natural Woman challenges those assumptions revealing the skill and training that went into the work of these five actresses who employed naturalistic performance techniques both onscreen and off Bringing a fresh perspective to film history through the lens of performance studies Kirsten Pullen explores the ways in which these actresses who always appeared to be playing themselves responded to the naturalist notion that actors should create authentic characters by drawing from their own lives At the same time she examines how Hollywood presented these female stars as sex objects focusing on their spectacular bodies at the expense of believable characterization or narratives Pullen not only helps us appreciate what talented actresses these five women actually were but also reveals how they sought to express themselves and maintain agency even while meeting the demands of their directors studios families and fans to perform certain feminine roles Drawing from a rich collection of classic films publicity materials and studio archives Like a Natural Woman lets us take a new look at both Hollywood acting techniques and the performance of femininity itself An Actress Prepares Rosemary Malague, 2013-06-17 Every day thousands of women enter acting classes where most of them will receive some variation on the Stanislavsky based training that has now been taught in the U S for nearly ninety years Yet relatively little feminist consideration has been given to the experience of the student actress What happens to women in Method actor training An Actress Prepares is the first book to interrogate Method acting from a specifically feminist perspective Rose Malague addresses the Method not only with much needed critical distance but also the crucial insider s view of a trained actor Case studies examine the preeminent American teachers who popularized and transformed elements of Stanislavsky s System within the U S Strasberg Adler Meisner and Hagen by analyzing and comparing their related but distinctly different approaches This book confronts the sexism that still exists in actor training and exposes the gender biases embedded within the Method itself Its in depth examination of these Stanislavskian techniques seeks to reclaim Method acting from its patriarchal practices and to empower women who act I ve been waiting for someone to write this book for years a thorough going analysis and reconsideration of American approaches to Stanislavsky from a feminist perspective lively intelligent and engaging Phillip Zarrilli University of Exeter Theatre people of any gender will be transformed by Rose Malague s eye opening study An Actress Prepares This book will be useful to all scholars and practitioners determined to make gender equity central to how they hone their craft and their thinking Jill Dolan Princeton University Strasberg
