Understanding Ian S. Markham,Jeremy Means-Koss,2022-10-21 The common misconception is that first came the church and then came the sacraments The reality is that first came God s grace and then came the church and then the church found

visible ways to see the invisible grace God bestows The resulting perspective shift puts Christ where Paul would have us put him as the head of the church and author of our salvation This book invites us to see and write about the sacraments not as mere band aids to the problems we face but as lenses for examining our church Some of the authors delve deep into intellectual conceptions while others make plain what has always seemed so extravagant The thread they all hold onto however is the desire to help the reader see sacramentality as something wonderful rather than archaic and to find deep value for sacramentality and the visible signs of God's invisible grace
