Marion Jones:

Marion Jones Marion Jones, Kate Sekules, 2004 The Olympic champion relates her success in sports as a student the rigorous training required for a committed athlete the thrill of competing in the Olympics and the challenges of juggling her competitive career with motherhood *On the Right Track* Marion Jones, 2010-10-26 For more than a decade Marion Jones was hailed as the fastest woman on the planet At the 2000 Olympic Games in Sydney Australia she became the first woman ever to win five medals at one Olympics That same year the Associated Press and ESPN named her Athlete of the Year She was on the cover of Vogue and Time She seemed to have it all fame fortune talent and international acclaim Now she is a convicted felon The trouble started in 2003 when she lied to federal agents about her use of a performance enhancing drug and her knowledge of a check fraud scam In 2007 no longer able to live with the lies she admitted the truth In a sad end to what seemed like a storybook career she was stripped of her medals and her track and field records were wiped from the books She was incarcerated at Carswell federal prison in Fort Worth Texas a prison known for its violence and abuse While there she kept herself in shape and her sanity intact by running on a dirt track and a treadmill in the prison's improvised weight room But her imprisonment was not the end for Marion Jones In fact it marked a new beginning She is now using her story to change the lives of people the world over and inspire others who like her face obstacles that seem insurmountable *On the Right Track* is the candidly told story of how Marion came to grips with her lies and the consequences of her actions and how she found meaning in all of it What she tells her children and has now applied to her own life is that when you make a mistake you admit it you accept the consequences you move on you make the wrong a right She teaches her children and others to take a break and pause before making impulsive and potentially harmful decisions At the heart of this book are real issues that we all face learning to grow through pain making decisions that will help us far into the future overcoming failure and discouragement and applying practical principles that point the way to personal and spiritual breakthrough *Marion Jones* David Armentrout, Patricia Armentrout, 2005 Introduces the life of Olympic champion Marion Jones talent for running involvement school and college sports and participation in the 2000 Olympic Games **Marion Jones** Bill Gutman, 2001-02-15 Race for the record At the Sydney Games Marion Jones strove to become the first person ever to win five gold medals in track and field at a single Olympics making headlines for simply believing she could do it Driven to succeed at a very early age Marion won multiple titles at the Junior National Championships and set a junior record in the 200 meters A multisport athlete she helped lead the University of North Carolina women's basketball team to a national championship during her freshman year and also competed in track and field until an injury forced her to reevaluate her priorities Refocused on her track career Marion quickly became the woman to beat racking up an impressive thirty five wins of the thirty six events she entered in 1998 And after another injury sidelined her hopes of winning four gold medal at the 1999 World Championships Marion fought back in the 2000 season and is once again dominating the field Get the full story of this

amazing runner's race for the record from her childhood dreams of gold medals to her tough choice between two sports and her determined drive to become the fastest woman in the world Marion Jones Vicki Cox,2001-01-01 Examines the life and career of athlete Marion Jones gold medalist and star of the women's U S track and field team in the 2000 Olympics

Marion Jones Bert Rosenthal,2001-04 Written for sports fans of all ages the Sports Snaps series profiles well known sports figures in a scrapbook style format Included in each are quotes from players and coaches about the athlete statistics records and the player's biography With commentary provided by some of the sporting world's best writers and action packed colour photos from top sports photographers these books provide fans with an intimate look at their heroes The public persona and personal struggles of one of the world's fastest women are chronicled in this look at Olympian Marion Jones In 1998 she became the first American woman to be ranked number one in three different events and in the 2000 Summer Olympics she took home three gold medals and two bronze medals See how She Runs Ron Rapoport,2000 Explores the life and career of the woman known as the fastest woman in the world **See How She Runs** Ron Rapoport,2001-01-01 A portrait of American athlete Marion Jones discusses the life and career of a champion sprinter and basketball player tracing her quest to achieve success at the 2000 Olympics in Sydney Australia *Marion Jones* Bill Gutman,2000-09-01 Examines the life and career of the amazing track star who set a goal to come home from the Sydney Olympics with a record five gold medals in track and field events *Marion Jones, Sprinting Sensation* Mark Stewart,1999 A biography of the young woman who excelled at both basketball and track at the University of North Carolina but has focused on running and long jump events since 1997 Marion Jones Heather Feldman,2002 **Marion Jones** Heather Feldman,2000 **Marion Jones** Rachel Rutledge,2000-01-01 Covers the life and career of the Olympic champion sprinter tracing her triumphs and disappointments in her quest to achieve success *Jet* ,2004-08-09 The weekly source of African American political and entertainment news A Locker Room of Her Own David C. Ogden,Joel Nathan Rosen,2013-06-03 Female athletes are too often perceived as interlopers in the historically male dominated world of sports Obstacles specific to women are of particular focus in *A Locker Room of Her Own* Race sexual orientation and the similar qualities ancillary to gender bear special exploration in how they impact an athlete's story Central to this volume is the contention that women in their role as inherent outsiders are placed in a unique position even more complicated than the usual experiences of inequality and discord associated with race and sports The contributors explore and critique the notion that in order to be considered among the pantheon of athletic heroes one cannot deviate from the traditional demographic profile that of the white male These essays look specifically and critically at the nature of gender and sexuality within the contested nexus of race reputation and sport The collection explores the reputations of iconic and pioneering sports figures and the cultural and social forces that helped to forge their unique and often problematic legacies Women athletes discussed in this volume include Babe Didrikson Zaharias the women of the AAGPBL Billie Jean King Venus and Serena Williams Marion Jones Chris

Evert and Martina Navratilova Sheryl Swoopes Florence Griffith Joyner Roberta Gibb and Kathrine Switzer and Danica Patrick Marion Jones Jeff Savage,2005-01 Corruption and Scandal in American Sports Jimmy Sanderson,2023-08-24

Scandals about cheating and corruption have dogged amateur and professional sports in the United States since the nation's earliest days This work examines the most infamous and consequential of these controversies and scandals both on and off the field Authoritative Individual essays tackle notorious events in popular American sports ranging from the 1919 Black Sox scandal to revelations of sign stealing by the Houston Astros throughout their 2020 championship season with stops in between to survey horrific sex abuse scandals at Penn State Baylor and Michigan State steroid and drug scandals that brought down once admired athletes like Mark McGwire and Lance Armstrong and cheating betting controversies that tainted individual players Pete Rose teams Boston College New England Patriots and entire leagues including the Little League World Series in 2001 But this work does more than just recount these events it will also examine the cultural and economic pressures and forces that contributed to these events as well as the lessons learned and steps taken if any to enact reform and help the sport recover **Athletes Breaking Bad** John C. Lamothe, Donna J. Barbie, 2020-06-24 At their basic level sporting events are about numbers wins and losses percentages and points shots and saves clocks and countdowns However sports narratives quickly leave the realm of statistics The stories we tell and retell sometimes for decades make sports dramatic and compelling Just like any great drama sports imply conflict not just battles on the field of play but clashes of personalities goals and strategies In telling these stories we create heroes but we also create villains This book is about the latter those players who transgress norms and expectations and who we label the bad boys of sports Using a variety of approaches these 13 new essays examine the cultural social and rhetorical implications of sports villainy Each chapter focuses on a different athlete and sport questioning issues such as how notorious sports figures are defined to be bad within particular sports and within the larger culture the role media play in creating antiheroes fan reactions when players cross boundaries and how those boundaries shift depending on the athlete's gender sexuality and race **Ebony** ,1964-07 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Sports Stars: Marion Jones** Mark Alan Stewart, J.D., Mark Stewart, 2000-03 A biography of the young woman who excelled at both basketball and track at the University of North Carolina but has focused on running and long jump events since 1997
