The Seer Sonia Orin Lyris, 2016-02-16 Everybody Wants Answers No One Wants the Truth The Arunkel empire has stood a thousand years forged by wealth and conquest but now rebellion is stirring on the borders and treachery brews in the palace halls Elsewhere in a remote mountain village a young mother sells the prophesies of her sister Amarta in order to keep them and her infant child from starving It s a dangerous game when such revelations draw suspicion and mistrust as often as they earn coin Yet Amarta s visions are true And often not at all what the seeker wishes to hear Now in a tapestry of loyalty intrigue magic and gold Amarta has become the key to a ruler s ambitions But is she nothing beyond a tool As Amarta comes into her own as a seer she realizes she must do more than predict the future She must create it At the publisher s request this title is sold without DRM Digital Rights Management About The Seer Compelling characters a fully imagined world and a gripping narrative The Seer announces Sonia Lyris as a new and exciting voice in epic fantasy I highly recommend this novel and I look forward to her next David B Coe author of best selling Winds of the Forelands series The Seer is something extremely rare these days a fantasy which is complex complete so intricate that you feel the picture goes on far far beyond the parts of it which are in the book There is a wonderful depth to it and the characters and the setting in which the characters find themselves both horrific and fascinating made it compelling reading The story s separate threads left me wondering how the author could possibly weave them together She did so brilliantly it was masterful and I was very impressed Dave Freer author of the critically acclaimed Dragon s Ring series
