The Mark Buntain Story Ron Hembree,1984-01-01 **Encyclopedia of Christianity in the United States** George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation **Do You Know Where You Are Going?** Sujo John,2002 On September 11 2001 Sujo John was on the 81st floor of the northern tower of the World Trade Center when the first plane struck the building Do You Know Where You Are Going tells in compelling detail the harrowing story of Sujo s descent down the stairwell and how as he was about to exit the building began to fall around him He talks about his desperate attempts to contact his pregnant wife who worked in the southern tower of the Twin Towers and how they finally arrived home some twelve hours after the planes struck But Do You Know Where You Are Going is much more than a gripping account of that terrible day It is a tale of faith in the power of Jesus Christ and a dynamic call for all of us to recognize how short and vulnerable are our lives and how important it is that we welcome Jesus Christ into our hearts As September 11 showed so vividly we may plan for a long life in this lifetime but much more pressing is how we plan for our next life Sujo argues that only through the saving grace of calling upon Jesus Christ can we be guaranteed the life to come and offers ways we can turn our lives over to Him Book jacket **A NEW DAWN** Dawn Lyon,2012-03-06 This book is for anyone who has suffered rejection abandonment and pain frankly anything that has come between them and being the best person they can be A New Dawn has been written according to what I remember and according to accounts given me by family members And please let me make it very clear it is not and never will be my desire to hurt or blame others for anything that has happened in my life Blame should never be an issue in the struggles of life However there were things from my past that influenced certain actions that took place as I grew up As you read my autobiography it could help you to avoid some of the same pitfalls I suffered Not only that but writing my life s story was extremely therapeutic as I put my feelings into words **Miracle in the Mirror** Mark Buntain,Ron

Strang, 2020-01-14 From the best selling author of *God and Donald Trump* which was brandished by the president at the World Economic Forum in Davos What s at stake in this

election EVERYTHING In 2016 God raised up Donald Trump to lead America at a pivotal time Evangelicals who recognized this backed him more than any other presidential candidate in history Heading into 2020 the stakes in his reelection are even higher This election nine months after this book releases is a new fight for the soul of America Stephen E Strang makes the case that God wants America to be great because God has raised up America beginning with our Founding Fathers to be a beacon of light and hope for the world We ve been the nation with religious liberty that has supported those who have spread the gospel around the world In this book Strang looks at the election Trump and America from a spiritual perspective and helps Christians and others see God s hand at work This book is as much about God and His purposes as about Donald Trump But it is also an articulate impassioned apologetic about why all Christians must support this imperfect president because he has God s blessing and because the destiny of America is riding on his reelection This book also explores why he might lose if his base is overconfident and doesn t vote or if his opponents are dishonest enough to steal the election God Trump and the 2020 Election is an inside look at how the political climate is affected by spiritual warfare an important subject for Bible believing Christians The satanic schemes are so brazen on key issues that the book was written to explain what s at stake Strang believes that the intersection of faith and politics needs to be part of the national discussion about the division in our country Other Books By Stephen E Strang God and Donald Trump 2017 ISBN 13 978 1629994864 Trump Aftershock 2018 ISBN 13 978 1629995557 **The Charismatic Movement** Charles Edwin Jones,1995 **Miracles** J.
