The Mark of Zorro Johnston McCulley, 2023-05-24 While mild mannered Don Diego Vega seeks a bride cloaked crusader Se or Zorro Spanish for Mr Fox rides the dangerous highway of Mexican California armed with a sword whip and pistol righting wrongs defending the weak and punishing injustice The story is set in Reina de Los Angeles a town in southern California circa 1800 when California was still a part of Mexico and when Mexico was controlled by Spain The Los Angeles of this time is populated by four societies that must coexist but that coexistence is out of balance The oldest and weakest group is the natives who live in the pueblo Next come the clergy the friales who first planted the orchards and who live in the missions Then the gentry who live as dons and do as on feudal estates or haciendas Finally the land is ruled by the strongest of these powers an unjust governor in San Francisco de Asis He controls the army under whose rule the natives are abused the friales mistreated and the gentry disrespected This is the story of a young man of good blood who decides he must restore balance to this frontier society Johnston McCulley wrote stories of Zorro for forty years This his first Zorro story was originally serialized in a magazine as The Curse of Capistrano Se or Zorro went on to leave a deep impression on popular culture and has appeared in the work of many other authors and artists in many media ever since One reason the character of Zorro endures is that he carries on a tradition of daring and heroic figures both literary and historic who precede him Best known perhaps are the medieval Robin Hood of English folklore whose merry men are reminiscent of Zorro's avengers and the Scarlet Pimpernel of revolutionary France Lesser known is the real life figure William Lamport the Irish Zorro whose statue still stands in Mexico City

Why I Never Had Kids Michael Matre, 2020-03-23 After writing and publishing myriad newspaper and magazine articles beginning in my junior year of high school as a journalism major at Bowling Green State University and during my four year career as a military writer in the United States Air Force I wanted to write and publish a book Beyond the many plays I have written two of which have been produced by community theater groups writing a book is the only writer's challenge I have yet to accomplish Knowing that nonfiction is often the better choice for a first time author regarding publication as opposed to fiction I decided to write a memoir about my adventurous and mischievous childhood through my maturation as a fulfilled adult The title Why I Never Had Kids struck me as being appropriate because it is the truth Neither my wife Fran nor I ever wanted to deal with the childhood antics some just downright dangerous related in this book I started making the notes two years ago and wrote the book in about two months after retiring from my corporate job in late 2018 Most of the incidents were fun and easy to write but some were not The pieces Losing Pepper and The Wreck in West Virginia resurrected painful memories but had to be included This book

is absolutely a work of nonfiction The dialogue is as close to being exact as I can remember it The incidents are correct Everything you read here really happened Reference is made to my mother s sometimes stinging sense of discipline but she was in no way a child beater She was a lovely loving woman who made sure that my brother sister and I were properly fed clothed and grew up in a well maintained home She reveled in our successes and softened our failures but Mom had rules You didn t talk back swear sneak cigarettes or drink Dad s beer We all came out the better for that Mom and Dad did things that I do not think I could have done as a parent particularly the family vacations that took us hundreds of miles from home by car with Dad doing the driving I had a wonderful childhood and the intent of this work is to deliver testimony to that and to entertain you as well
