Mark Thomas Live Mark Thomas,1998-10-01 *Mark Thomas Presents the People's Manifesto* Mark

Thomas,2010-04-13 Mark Thomas has been touring the country for months getting audiences to come up with policies aimed at sorting out the country's political chaos and taking back the power for the people Sick to death of bailing out bankers and subsidising MPs homes the audience vote on the best policy of the night to be included in the brand new People's Manifesto From the inspiring to the downright hilarious you'll wonder why these fantastic ideas aren't part of the constitution already For example All politicians will be forced to wear the names and logos of the companies sponsor that them or with whom they have financial links Anyone who supports ID cards is banned from having curtains All models have to be picked at random from the electoral register Anyone found guilty of homophobic hate crime has to serve their sentence in drag CEOs convicted of fraud will be made to dress as pirates in whatever job they get in the future The People's Manifesto will outline 50 policies of the manifesto shouted out in bold type on a page to themselves with Mark's commentary opposite Mark has even road tested some of them like hosting a party in an MP's second home which clearly belongs to the taxpayer and getting university boffins to work out a way of SAT testing MPs to rank them by value And Mark's guerrilla antics won't end there Power to the people is really happening

though it is we are generally reluctant to consider comedy's social consequences. When comedians offend we seem ready to consider the potential for stand up to do some wider harm yet we rarely consider the good that it might do. This book looks at the social and political impact of stand up comedy in both its positive and negative forms. Drawing on exclusive interviews with comedians such as Stewart Lee, Josie Long, Joe Wilkinson and Mark Thomas and examples of comic material on everything from revolution, terrorism and homosexuality to knitting and the inefficiency of the home shower, it explores comedy's role in determining our attitudes and opinions. While revealing the conventions comics use to manage audience response, Sophie Quirk demonstrates how comedy audiences allow themselves to be manipulated and the potential harm and real benefits that may arise from just being funny.
