Reports of Patent, Design, and Trade Mark Cases, 1903 *Mark Twain's Letters* Mark Twain, 1929 Like his other writings Mark Twain's letters attest that he was not the greatest of all humorists but that he did have an amazing gift of depicting the average American and what is more that he could do it sympathetically and from the inside of the house not ironically through the window as Thackeray depicted the absurdities of his contemporaries The letters show also what a storybook life he led Born obscurely in a western town without advantages half educated as a typesetter for a country newspaper a runaway a soldier riding a small yellow mule to the aid of the Confederacy a runaway again a mining prospector familiar with mountain gambling saloons a news reporter he at last acquired some fame with his Jumping Frog His reputation travelled east and he became a lecturer and special correspondent Then of a sudden he made himself conspicuous to the
