## **Mark A Bible Study Commentary:**

*The Mark Commentary Collection* David E. Garland, Mark L. Strauss, Walter W. Wessel, 2016-12-20 This Mark commentary bundle features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Expositor's Bible Commentary series authored by David E. Garland, Mark L. Strauss, and Walter W. Wessel. The diverse features from each of the volumes give you all the tools you need to master the book of Mark. Commentary on Mark James R. Edwards, 2019-10-01 Comprehensive, accessible, and fully illustrated, this commentary on Mark is a must-have resource. You want a deeper understanding of the Scriptures, but the notes in your study Bible don't give you enough depth or insight. This commentary was created with you in mind. Each volume of *The Baker Illustrated Bible Commentary* is a nontechnical, section-by-section commentary on one book or section of the Bible that provides reliable and readable interpretations of the Scriptures from leading evangelical scholars. This information-packed commentary will help you gain a deeper understanding of the Bible in your own personal study or in preparation for teaching. It tackles problematic questions, calls attention to the spiritual and personal aspects of the biblical message, and brings out important points of biblical theology, making it invaluable to anyone seeking to get the most out of their Bible study. Mark Timothy J. Gedder, 2001-01-23 Timothy J. Gedder views Mark as a profound theologian and accomplished writer, not a mere compiler of traditions. Mark's text provokes careful reflection on its subtle and challenging message of hope and its call to faithfully follow Jesus on the way. Mark's Gospel speaks plainly yet sometimes in riddles of God as revealed in Jesus of Nazareth, the Christ, the Son of God. Mark presents God's reign, its present hiddenness and future glory, and its surprising way of coming. Mark is also about Jesus and his followers crossing barriers to pass God's grace on to those formerly excluded. Mark's resurrection message is open-ended. Readers supply their own ending, not just in words but by following their resurrected Lord. Includes essays on themes useful for teaching, preaching, and Bible study; bibliographies; charts; two maps; and an index of ancient sources. Mark David E. Garland, 2011-03-01 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written. **The Gospel of Mark** Mary Healy, Peter S. Mott, 1926      **Mark** Robert Gundry, 2000-05 This monumental work presents a careful well argued alternative reading of the Greek text of Mark a reading that pays special attention to such literary devices as word order chiasm inclusio asyndeton and the historical present tense Driving the commentary is Gundry's provocative seldom defended thesis that Mark's Gospel constitutes a straightforward apology for the shameful manner of Jesus' death as such Mark is essentially an evangelistic tract rather than an obliquely written handbook of Christian discipleship and church life Sure to become recognized as the heavyweight English commentary on the Gospel of Mark This massive commentary rich with exegetical detail and critical assessment of the secondary literature makes an important contribution not only to Markan research but also to the study of the historical Jesus Christian Scholars Review      Mark's Story of Jesus Dewey Mulholland, 1999-05-26 A missionary scholar who has been studying and teaching the Gospel of Mark for over forty years Dr Mulholland is an insightful expounder of its message guiding us through this account of Jesus the mighty miracle worker who is the Messiah of all nations Informed by the best of academic research Mulholland's lucid and detailed study will prove eye opening as well as soul challenging for its readers Dr Vernon C Grounds Chancellor Denver Seminary During his many years of work as a missionary in Brazil the Rev Dewey Mulholland was enabled to strengthen the church there in a most strategic way In the seminary he helped found in Brasilia the capital he made the inductive study of the Bible in Portuguese central for the training of Christian workers He wanted to teach people how to study the Bible for themselves No boring sermons and Bible lessons from these graduates Studying the Bible the way Mulholland taught them they keep coming up with new exciting insights into the inspired meanings of the Bible Learning to comprehend the biblical text for themselves his students often opened Mulholland's eyes to vital insights into the Marcan meaning This English version of his Marcan commentary makes this accumulation of insights available to us in the Euro American world Seeing the significance that Mark has for people in Latin America helps us to be more enlightened world Christians Dr Daniel P Fuller Senior Professor of Hermeneutics Fuller Theological Seminary The author skillfully combines Mark's emphasis upon Jesus as the Messiah whose Kingdom embraces people of all nations with his portrayal of the Servant who reigns through suffering This message is very relevant to the developing nations where many politicians and clergymen use their positions to dominate I recommend this commentary for it enlarges our understanding of the Messiah and calls upon us to fulfill the task Jesus has delegated to us Edouard Kitoko Nsiku Ph D United Bible Societies Moputo Mozambique Africa      **Biblical Studies on the Internet** Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including

ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use
