**Reading** Malcolm Torry, 2022-05-19 This might look like an ordinary commentary on Mark's Gospel but it isn't one It understands reality as Action actions change diversity movement and the dynamic rather than as Being beings the unchanging the unitary rest and the static and it reads Mark's Gospel in the light of that distinctive understanding of reality It is all about action change and diversity and it understands God Jesus and ourselves as action change and diversity The initial chapter introduces the action based understanding of reality as action in changing patterns an actology rather than an ontology Then follows a section by section close study of the Gospel The result is a unique and somewhat unexpected reading of the text and a distinctive theology to match The Characterisation of Jesus the Davidic Shepherd in Mark's Gospel

Sweat, 2013-08-15 Scholarship on the Gospel of Mark has long been convinced of the paradoxical description of two of its primary themes christology and discipleship This book argues that

paradoxical language pervades the entire narrative and that it serves a theological purpose in describing God's activity. Part One focuses on divine action present in Mark 4:10-12. In the first paradox, Mark portrays God's revelatory acts as consistently accompanied by concealment. The second paradox is shown in the various ways in which divine action confirms yet counters scripture. Finally, Mark describes God's actions in ways that indicate both wastefulness and goodness: deeds that are further illuminated by the ongoing yet defeated presence of evil. Part Two demonstrates that this paradoxical language is widely attested across Mark's passion narrative as he continues to depict God's activity with the use of the three paradoxes observed in Mark 4. Through paradoxical narrative, Mark emphasizes God's transcendence and presence, showing that even though Jesus has brought revelation, a complete understanding of God remains tantalizingly out of their grasp until the eschaton (4:22).

**The Moral Life According to Mark** M. John-Patrick O'Connor, 2022-04-21. M. John Patrick O'Connor proposes that, in contrast to recent contemporary scholarship that rarely focuses on the ethical implications of discipleship and Christology, Mark's Gospel as our earliest life of Jesus presents a theological description of the moral life. Arguing for Mark's ethical validity in comparison to Matthew and Luke, O'Connor begins with an analysis of the moral environment of ancient biographies, exploring what types of Jewish and Greco-Roman conceptions of morality found their way into Hellenistic biographies. Turning to the Gospel's own examples of morality, O'Connor examines moral accountability according to Mark, including moral reasoning, the nature of a world in conflict, and accountability in both God's family and to God's authority. He then turns to images of the accountable self, including an analysis of virtues and virtuous practices within the Gospel. O'Connor concludes with the personification of evil, human responsibility, punitive consequences, and evil's role in Mark's moral landscape.

**The Gospel According to Mark** Marie Noonan Sabin, 2016-12-01. New Collegeville Bible Commentary: The Gospel According to Mark, Volume 2. The absence of stories of Jesus' birth and infancy, a minimum of Jesus' parables, and a resurrection scene without sight or sound of the risen Jesus have tempted readers to shortchange Mark's Gospel. Thanks to the insightful analysis and inspiring reflections of Marie Noonan Sabin, anyone studying this premier Gospel with her guidance will recognize the genius of the original author. Sabin asserts that Mark's Gospel is not an eyewitness account or a work of biography or history. She writes, "What Mark gives us is far richer. He interprets Jesus in the light of the Hebrew Bible, showing Jesus to be not only a teacher of wisdom but wisdom itself, calling his followers to an unconventional wisdom, a way of living and a way of dying that he himself exemplifies." The cover of this commentary from The Saint John's Bible highlights Sabin's thesis that the transfiguration of Jesus is pivotal to the Gospel. The scene (9:2-8) overshadows both parts of the Gospel, emphasizing God's creative, transforming, transfiguring power to restore life. Sabin gives special attention to Mark's key words and phrases, e.g., "release," "rise up," "or be raised straightway," and "ecstasy," and his pattern of twos and threes. Especially helpful are the summaries at the end of each chapter. Here is a commentary that will restore Mark's prime place among the other two Synoptic Gospels. Marie Noonan Sabin, Ph.D., has taught the Gospel of Mark at Bangor Theological

Lee Magness, 2002-01-29 J Lee Magness offers a fresh literary analysis of the suspended ending to the second gospel In the course of Mark s study the author describes how open endings have been interpreted by modern literary theory and secondly how such endings have been used in ancient literary and biblical texts A close rereading of Mark concludes the study in which Magness offers the thesis that Mark s sense of absence encourages his

readers to make sense of that absence for themselves in a positive and powerful way *Obedience, Suspicion and the Gospel of Mark* Lydia Marlene Harder, Lydia Neufeld Harder, 1998-10-26 Lydia Neufeld Harder explores these questions from the vantage point of a scholar a feminist and a member of a faith community She begins by clarifying the theological convictions and the discourse patterns in each of the hermeneutic communities that have shaped her own approach to the Bible A hermeneutics of obedience rising out of the Mennonite theological tradition and a hermeneutics of suspicion advocated by many feminist theologians seem to represent opposite approaches to the Bible's authority The resulting polarization could easily have led to static definitions of authority and the subtle domination of those who differ from the majority However by focusing on the common theological concept of discipleship Harder has constructed a critical dialogue beginning a process of creative change in her own view of authority BOOK JACKET

**Jesus in a World of Colliding Empires, Volume One: Introduction and Mark 1:1–8:29** Mark J. Keown, 2018-03-20 At the time of Christ world politics was an ebb and flow of colliding empires and forces The world knew only dynastic succession and rule by force Israel was swept up in this world Her expectations of deliverance while diverse had in common the anticipation of violent liberation by an alliance of God the expected one Theo and Israel's forces Her vision included the subjugation of the world to Yahweh Any messianic claimant would be expected to fulfill this hope Mark's story of Jesus must be read against such expectations of military power Mark knows that Jesus' plan of salvation differed radically from this Rather than liberation through revolution it involved deliverance through humble loving service and cross bearing However the disciples follow Jesus but do not understand Jesus' purpose They constantly expect war So the Gospel is then read from Mark's full understanding and the disciples' flawed perspective In volume two of *Jesus in a World of Colliding Empires* Keown continues to unpack Mark's Gospel 8:30-16:8 in which Jesus teaches the disciples what it means to be a Servant Messiah rather than a military conqueror The then draws a range of conclusions and applications from Mark for life today *Mark* Warren Carter, 2020-04-03 The Academy of Parish Clergy 2020 Reference Book of the Year 2020 Association of Catholic Publishers first place award in Scripture 2020 Catholic Press Association third place award for best new religious book series This reading of Mark's Gospel engages this ancient text from the perspective of contemporary feminist concerns to expose and resist all forms of domination that prevent the full flourishing of all humans and all creation Accordingly it foregrounds the Gospel's constructions of gender in intersectionality with the visions structures practices and personnel of Roman imperial power This reading embraces a rich tradition of feminist scholarship on the Gospel as well as masculinity studies particularly pervasive hegemonic masculinity Its politically engaged discussion of Mark's Gospel provides a resource for clergy students and laity concerned with contemporary constructions of gender power and a world in which all might experience fullness of life
