the deals made behind closed doors keep drugs in sports Johnson unwinds the doping culture from the early days when pills meant progress and uncovers the complex relationships that underlie elite sports culture the essence of which is not to play fair but to push the boundaries of human performance It s easy to assume that drugs in sports have always been frowned upon but that s not true Drugs in sports are old It s banning drugs in sports that is new Spitting in the Soup offers a bitingly honest clear eyed look at why that s so and what it will take to kick pills out of the locker room once and for all *The Ultimate Cardinals Record Book* Dan Moore,2012-04-01 Featuring every relevant team record statistic and award winner from the St Louis Cardinals incredible past this book includes a comprehensive collection of Redbirds all time leaders in every conceivable category from hits to strikeouts From Dizzy Dean s 30 wins or Lou Brock s 938 career stolen bases to Bob Gibson s single season ERA of 1.12 or Mark McGwire s 70 home runs in a season this reference captures the legends and lore of the Cardinals More than a collection of statistics this guide provides profiles of the men behind the records and explores the context in which they were set while featuring stories which in many cases are even more fascinating than the actual records Historical game details and evocative photographs blend with compelling statistics and the great players responsible for them to capture the rich history of this storied and celebrated franchise
