Global Bible Commentary Teresa Okure, 2004 The Global Bible Commentary invites its users to expand their horizon by reading the Bible with scholars from all over the world and from different religious persuasions These scholars have approaches and concerns that often are poles apart Yet they share two basic convictions biblical interpretation always matters and reading the Bible with others is highly rewarding Each of the short commentaries of the Global Bible Commentary is a readily accessible guide for reading a biblical book Written for undergraduate and seminary students and their teachers as well as for pastors priests and Adult Sunday School classes it introduces the users to the main features of the biblical book and its content Yet each short commentary does more It also brings us a precious gift namely the opportunity of reading this biblical book as if for the first time By making explicit the specific context and the concerns from which she he reads the Bible the scholar points out to us the significance of aspects of the biblical text that we simply took for granted or overlooked Need more info Download Global Bible Commentary Marketing Brochure PDF Free Adobe Acrobat Reader If any book demonstrates the value of cultural criticism and the importance of particularity in interpretation this is it Scholars from diverse social locations in every continent bring their distinctive context to bear on the act of interpreting In so doing they shed eye opening light on the biblical texts The resulting critical dialogue with the Bible exposes the oppressive as well as the liberating dynamics of the texts while at the same time showing how the Bible might address the social political cultural and economic dynamics of our world today This collection can change the way you read the Bible scholars and students clergy and laity alike David Rhoads Professor of New Testament Lutheran School of Theology Chicago IL Contributors Daniel Patte Professor of New Testament and Early Christianity at Vanderbilt University Nashville TN USA A French Huguenot glise R form e de France he taught two years in Congo Brazzaville and read the Bible with people in France
