Mark Rothkos Chapel In Houston:

The Rothko Chapel Paintings Sheldon Nodelman, 1997 The paintings executed in 1964 1967 by American artist Mark Rothko for the Rothko Chapel in Houston represent the fulfillment of the artist's lifelong ambition and a breakthrough in twentieth century art Unlike previous sets of paintings commissioned for the Seagram Building and Harvard University the Chapel commission allowed Rothko to determine the architectural setting and lighting in which the paintings would appear This proved to be the catalyst for a new mode of pictorial dynamics based on a kind of interaction of paintings architecture and light previously unknown No painting in the set could be understood in isolation from the rest or apart from its place in the architectural setting The Rothko Chapel Paintings explores this interdependence of paintings and place As viewers move about the Chapel's octagonal enclosure over whose walls the fourteen panels are continuously distributed they discover systems of pictorial interactions which become the terms or characters of a cosmological drama in which the viewer is a necessary participant In the act of vision the embodied viewer is prompted not merely to witness but also to reenact that questioning of human destiny which has preoccupied the Western spiritual tradition The Rothko Chapel Dominique de Menil, 2010 This elegant collection commemorates the timeless words and inspired thoughts of Dominique de Menil a woman whose life's task was to inspire a better world With her husband John Dominique founded the inter religious Rothko Chapel in Houston in 1971 The de Menils dream was for the Chapel to promote interfaith dialogue human rights and the arts They famously commissioned the artist Mark Rothko to create a suite of paintings specifically for the Chapel Gathered here is a selection of de Menil's thought provoking speeches interviews letters and other commentaries beginning with her inaugural address for the Rothko Chapel and concluding with remarks she offered at a human rights award ceremony in 1997 The writings testify to de Menil's profound belief in the transcendent dimension of life and in the motivating power of the principles of truth and justice More relevant today than ever her visionary ideas seem both prescient and deeply important in the strife ridden world of the 21st century Rothko Chapel Pamela Smart, Stephen Fox, 2021-03-09 A first look at the recently restored Rothko Chapel a world renowned destination for spiritual renewal with all new photography and scholarship of the renovated building and campus published on the occasion of its 50th anniversary The Rothko Chapel home to 14 monumental modernist paintings by the pioneer Abstract Expressionist Mark Rothko is an interfaith sacred space dedicated to global human rights art and spirituality located in Houston The Chapel was founded in 1971 by arts patrons and philanthropists Dominique and John de Menil who placed their utmost faith in Rothko's vision to express the profound the miraculous and regard for the sanctity of the human spirit in this oasis for the intellect and the spirit Through photographic testimony and the insights of scholars this large format volume gives an intimate look at this sacred space where visitors seek solace and inspiration within this truly ecumenical sanctuary featuring Rothko's iconic paintings Pamela Smart discusses the spiritual side and Stephen Fox puts the architecture in the context of Houston The Chapel has been reworked

within an expanded campus to enhance the experience for its many visitors As viewers sit in stillness or move about the Chapel s serene octagonal enclosure the reinstalled skylight better reveals the nuances of Rothko s powerful panels and allows for better connection to the outdoors as conditions shift such as when clouds pass above **The Rothko Chapel**

In the politically fraught world we live in is the felt experience even something worth fighting for In this soul searching collection of vignettes Patrick Summers gives us an adamant impassioned affirmative Art he argues nurtures freedom of thought and is more necessary now than ever before As artistic director of the Houston Grand Opera Summers is well positioned to take stock of the limitations of the professional arts world a world where the conversation revolves almost entirely around financial questions and whose reputation tends toward elitism and to remind us of art s fundamental relationship to joy and meaning Offering a vehement defense of long form arts in a world with a short attention span Summers argues that art is spiritual and that music in particular has the ability to ask spiritual questions to inspire cathartic pathos and to express spiritual truths Summers guides us through his personal encounters with art and music in disparate places from Houston s Rothko Chapel to a music classroom in rural China and reflects on musical works he has conducted all over the world Assessing the growing canon of new operas performed in American opera houses today he calls for musical artists to be innovative and brave as opera continues to reinvent itself This book is a moving credo elucidating Summers s belief that the arts especially music help us to understand our own humanity as intellectual aesthetic and ultimately spiritual
