Wherry,Juliet B. Schor, Consulting Editor,2015-09-01 Economics is the nexus and engine that runs society affecting societal well being raising standards of living when economies prosper or lowering citizens through class structures when economies perform poorly Our society only has to witness the booms and busts of the past decade to see how economics profoundly affects the cores of societies

around the world From a household budget to international trade economics ranges from the micro to the macro level It relates to a breadth of social science disciplines that help describe the content of the proposed encyclopedia which will explicitly approach economics through varied disciplinary lenses Although there are encyclopedias of covering economics especially classic economic theory and history the SAGE Encyclopedia of Economics and Society emphasizes the contemporary world contemporary issues and society Features 4 volumes with approximately 800 signed articles ranging from 1 000 to 5 000 words each are presented in a choice of print or electronic editions Organized A to Z with a thematic Reader s Guide in the front matter groups related entries Articles conclude with References Future Readings to guide students to the next step on their research journeys Cross references between and among articles combine with a thorough Index and the Reader s Guide to enhance search and browse in the electronic version Pedagogical elements include a Chronology of Economics and Society Resource Guide and Glossary This academic multi author reference work will serve as a general non technical resource for students and researchers within social science programs who seek to better understand economics through a contemporary lens **Popular Photography** ,1992-10 Popular Photography ,1992-08 **43**

**Ways to Finance Your Feature Film** John W. Cones,2008-03-06 Author Cones breaks financing options down into six main areas gifts and grants investor financing domestic government subsidies and tax incentive programs lender financing international finance options and studio or industry financing Beginning with the forms of financing most likely to be accessible to independent feature film producers Cones proceeds to other forms that become increasingly available as the producer s career matures He provides specific concise information regarding the many possible strategies and lists the distinct pros and cons of each strategy Cones also counters much of the bad advice being provided by pseudoprofessional film finance consultants and points out scams that may separate unwary film producers from their money Although the book focuses on financing feature films much of its information is relevant to the financing of other kinds of projects such as short films documentaries videos and multimedia and theatrical endeavors From publisher description Popular Photography ,1991-01 **Popular Photography** ,1991-01
