*Redefining Journalism in the Era of the Mass Press, 1880-1920* John Steel, Marcel Broersma, 2018-02-02 At the turn of the 20th century the significant social political and technological changes that were occurring in society also heralded new roles and functions for journalism as a profession and as an aspect of a burgeoning mass mediated society Redefining Journalism in the Era of the Mass Press 1880 1920 examines journalism's roles products and practices during an era of rapid change and transformation and how these changes within the field reflected broader social political economic and technological changes The era of the mass press was one within which the speed and impact of change both reflected and contributed to transformations in journalism transformations that would endure until the rise of the Internet disrupted the field once again This book was originally published as a special issue of Media History

The Brand of Print Andie Silva, 2019-10-01 The Brand of Print offers a comprehensive analysis of the ways printers publishers stationers and booksellers designed paratexts to market printed books as cultural commodities This study traces envoys to the reader visual design in title pages and tables of contents and patron dedications illustrating how the agents of print branded their markets by crafting relationships with readers and articulating the value of their labor in an

increasingly competitive trade Applying terms from contemporary marketing theory to the study of early modern paratexts Andie Silva encourages a consideration of how print agents labor and agency made visible through paratextual design continues to influence how we read study and digitize early modern texts **Brands** Jonathan E. Schroeder, 2014-11-27 Branding has emerged as a cornerstone of marketing practice and corporate strategy as well as a central cultural practice In this book Jonathan Schroeder brings together a curated selection of the most influential and thought provoking papers on brands and branding from Consumption Markets and Culture accompanied by new contributions from leading brand scholars Giana Eckhardt John F Sherry Jr Sidney Levy and Morris Holbrook Organised into four perspectives cultural corporate consumer critical these papers are chosen to highlight the complexities of contemporary branding through leading consumer brands such as Disney eBay Guinness McDonalds Nike and Starbucks They address key topics such as celebrity branding corporate branding place branding and retail branding and critique the complexities of contemporary brands to provide a rich trove of interdisciplinary research insights into the function of brands as ethical ideological and political objects This thought provoking collection will be of interest to all scholars of marketing consumer behaviour anthropology and sociology and anyone interested in the powerful roles brands play in consumer s lives and cultural discourse *Feminists, Feminisms, and Advertising* Kim Golombisky, Peggy J. Kreshel, 2017-10-16 Women and advertising are both globally ubiquitous Yet advertising remains one of the most unabashedly misogynist heterosexist and racist industries This edited volume of original unpublished chapters is the first ever to offer explicitly feminist views on advertising *Feminists Feminisms and Advertising* provides feminist analyses of the historical relationships between the advertising industry and the women s movement in the United States Contributors consider the ways that advertisers encode race ethnicity gender and heteronormativity into advertising practices and messages exported around the world They further explore the ways that intersectional audiences such as women of color Latinas and lesbian and gay audiences decode reinterpret resist and subvert advertising With this book the editors and contributors address the present lack of feminist scholarship research knowledge or curriculum in advertising and begin a more honest dialogue about diversity and intersectional gender in the advertising academy as well as the advertising industry Celebrity and the Feminist Blockbuster Anthea Taylor, 2017-02-21 In the first book length study of celebrity feminism Anthea Taylor convincingly argues that the most visible feminists in the mediasphere have been authors of bestselling works of non fiction feminist blockbusters *Celebrity and The Feminist Blockbuster* explores how the authors of these popular feminist books have shaped the public identity of modern feminism in some cases over many decades Maintaining a distinction between women who are famous because of their feminism and those who later add feminism to their brand Taylor contends that Western celebrity feminism as a political mode of public subjectivity cannot in any simple way be seen as homologous with other forms of stardom Moving deftly from the 1960s to the present focusing on how feminist authors have actively worked to manufacture their public personas she demonstrates that the blockbuster remains

crucial to feminist celebrification but is now often augmented with digital media Advancing celebrity studies by placing the figure of the feminist front and centre *Celebrity and the Feminist Blockbuster* is essential reading for all those interested in gender popular feminism and the politics of renown **Consumer Culture, Branding and Identity in the New Russia**

Graham H.J. Roberts, 2016-04-14 As shopping has been transformed from a chore into a major source of hedonistic pleasure a specifically Russian consumer culture has begun to emerge that is unlike any other This book examines the many different facets of consumption in today's Russia including retailing advertising and social networking Throughout emphasis is placed on the inherently visual not to say spectacular nature both of consumption generally and of Russian consumer culture in particular Particular attention is paid to the ways in which brands both Russian and foreign construct categories of identity in order to claim legitimacy for themselves What emerges is a fascinating picture of how consumer culture is being reinvented in Russia today in a society which has one nostalgic eye turned towards the past and the other utopian eye set firmly on the future Borrowing concepts from both marketing and cultural studies the approach throughout is interdisciplinary and will be of considerable interest to researchers students and practitioners wishing to gain invaluable insights into one of the most lucrative and exciting of today's emerging markets *The Why of Consumption* Cynthia

Huffman, David Glen Mick, S. Ratneshwar, 2003-09-02 This book brings together an international collection of authors from a variety of disciplines who offer new and critical perspectives summarize key findings and provide important theoretical frameworks to guide the reader through the why of consumption The book answers questions such as What is the nature of motives goals and desires that prompt consumption behaviours Why do consumers buy and consume particular products brands and services from the multitude of alternatives afforded by their environments How do consumers think and feel about their cravings Unique in focus and with multifaceted approach which anyone interested in consumption and consumer research will find fascinating this topical book provides an excellent overview of current research and imparts key insights to illuminate the subject for both academics and practitioners alike *Integrating Gender Equality into Business and*

*Management Education* Patricia M. Flynn, Kathryn Haynes, Maureen A. Kilgour, 2017-09-08 This volume addresses the need to integrate gender equality into business and management education and provides examples of leading initiatives illustrating how this can occur from various disciplinary and global perspectives Gender inequality has a long history in business schools and the workplace and traditions are hard to change Some disciplines remain resolutely gendered affecting both women and men and case materials on women leaders and managers are still rare The chapters provide conceptual and research rationales as to why responsible management education must address the issue of gender equality They also identify materials and resources to assist faculty in integrating gender issues and awareness into various disciplines and fields These include specific case studies and innovations that assess or address the role of gender in various educational environments The book is designed to help faculty integrate the topic of gender equality into their own teaching and research and gain

support for the legitimacy of gender equality as an essential management education topic This is the first book in a series on gender equality as a challenge for business and management education published with the Principles of Responsible Management Education PRME Working Group on Gender Equality
