Ever since 1989 the Faculty of Organizational Sciences University of Belgrade has been the host of SymOrg an event that promotes scientific disciplines of organizing and managing a business Traditionally the Symposium has been an opportunity for its participants to share and exchange both academic and practical knowledge and experience in a pleasant and creative atmosphere This time however due the challenging situation regarding the COVID 19 pandemic we have decided that all the essential activities planned for the International Symposium SymOrg 2020 should be carried out online between the 7th and the 9th of September 2020 We are very pleased that the topic of SymOrg 2020 Business and Artificial Intelligence attracted researchers from different institutions both in Serbia and abroad Why is artificial intelligence a disruptive technology Simply because it significantly alters the way consumers industries or businesses operate According to the European Commission document titled Artificial Intelligence for Europe 2018 AI is a key disruptive technology that has just begun to reshape the world The Government of the Republic of Serbia has also recognized the importance of AI for the further development of its economy and society and has prepared an AI Development Strategy for the period between 2020 and 2025 The first step has already been made the Science Fund of the Republic of Serbia after a public call has selected and financed twelve AI projects This year more than 200 scholars and practitioners authored and co authored the 94 scientific and research papers that had been accepted for publication in the Proceedings All the contributions to the Proceedings are classified into the following 11 sections Information Systems and Technologies in the Era of Digital Transformation Smart Business Models and Processes Entrepreneurship Innovation and Sustainable Development Smart Environment for Marketing and Communications Digital Human Resource Management Smart E Business Quality 4 0 and International Standards Application of Artificial Intelligence in Project Management Digital and Lean Operations Management Transformation of Financial Services Methods and Applications of Data Science in Business and Society We are very grateful to our distinguished keynote speakers Prof Moshe Vardi Rice University USA Prof Bla Zupan University of Ljubljana Slovenia Prof Vladan Deved i University of Belgrade Serbia Milica uri Jovi i PhD Director Science Fund of the Republic of Serbia and Harri Ketamo PhD Founder Chairman of HeadAI ltd Finland Also special thanks to Prof Dragan Vukmirovi University of Belgrade Serbia and Prof Zoran evarac University of Belgrade Serbia for organizing workshops in fields of Data Science and Machine Learning and to Prof Rade Mati Belgrade Business and Arts Academy of Applied Studies and Milan Dobrota PhD CEO at Agremo Serbia for their valuable contribution in presenting Serbian experiences in the field of AI The Faculty of Organizational Sciences would to express its gratitude to the Ministry of Education Science and Technological Development and all the individuals who have supported and contributed to the organization of the Symposium We are particularly grateful to the contributors and reviewers who made this issue possible But above all we are especially thankful to the authors and presenters for making the SymOrg 2020 a

success      *Social Media Marketing* Githa Heggde,G. Shainesh,2018-02-08 This book focuses on the role of social media as the next major game changer Social media has emerged as the defining trend in the last decade and continues to restructure communication and interactions between individuals communities governments and businesses Researchers and marketers are still struggling with the profound impact of rapidly evolving social media on viral user generated content its ability to shape consumer perceptions and the constantly changing landscape for developing business cases to proactively engage with stakeholders The growing opportunities to hear about customer priorities and concerns on company managed channels as well as third party review sites including social media pages across the digital space are accompanied by the challenges of responding to these conversations in real time which calls for a massive shift in the way marketing functions engage in dialogue with customers As leading users of social media in emerging markets Indians are increasingly logging into their Facebook and Twitter accounts with the country recording the highest growth in social networking This book begins by discussing the impact of social media on marketing from brand building communications and advertising to customization and customer engagement The book approaches the subject matter systematically identifying broad trends concepts and frameworks in the first few chapters It then goes on to address the varied application of social media in marketing for different sectors Primarily focusing on understanding digital consumers the book integrates social media with marketing and the outcome It also presents new selected cases of successful digital companies in emerging markets never before considered Researchers and managers alike will find this book to be a handy reference guide to social media in emerging markets      Connecting With Consumers Allan J. Kimmel,2010-06-03 These are exciting times for business managers and marketing professionals yet the challenges imposed by ongoing social and technological developments are daunting In an age in which marketers can reach their audiences with greater facility than ever before firms have never been less in control of their customer targets This increasing connectedness of consumers provides a range of unique and promising opportunities for product and brand managers Connecting With Consumers describes the various strategies and techniques that can be utilized to harness consumer influence The book traces evolving developments in the consumer marketplace considers their impact on the potential reshaping of the marketing profession and describes the emerging set of tools that can enable marketers to respond to new marketplace realities It provides clear up to date coverage of a number of topics currently on the minds of many Web 2 0 word of mouth buzz the social web social media metrics customer engagement viral and guerrilla marketing The book critically assesses emerging marketing strategies and tools within the context of research and theory and provides numerous applied examples to illustrate marketing successes and common pitfalls to avoid It argues throughout for a more collaborative relationship between companies and consumers towards their mutual benefit Although the balance of power has shifted to the consumer for each of the various aspects of the marketing process collaboration is what the future of marketing likely will be all about Marketers can avoid irrelevance in the face of change but this will require a clear

commitment to connecting with consumers rather than searching for ways to regain control over them The book challenges marketers to make a choice embrace the ongoing changes as opportunities for reshaping relationships with consumers or cling to the past at the risk of becoming irrelevant This is the book for those who choose the first alternative *CIM Professional Diploma* BPP Learning Media,2012-06 A core text book for the CIM Qualification Integrated communication Marita Vos and Henny Schoemaker,2011-12-01 The book offers an integrated approach of communication for organisations to professionals and students in communication management public relations and communication sciences **CIM Coursebook 03/04 Marketing Communications** Chris Fill,2013-05-13 Each coursebook includes access to MARKETINGONLINE where you can Annotate customise and create personally tailored notes using the electronic version of the coursebook Receive regular tutorials on key topics Search the coursebook online for easy access to definitions and key concepts *Content Marketing: Key Concepts* Cybellium,2024-10-26 Designed for professionals students and enthusiasts alike our comprehensive books empower you to stay ahead in a rapidly evolving digital world Expert Insights Our books provide deep actionable insights that bridge the gap between theory and practical application Up to Date Content Stay current with the latest advancements trends and best practices in IT AI Cybersecurity Business Economics and Science Each guide is regularly updated to reflect the newest developments and challenges Comprehensive Coverage Whether you re a beginner or an advanced learner Cybellium books cover a wide range of topics from foundational principles to specialized knowledge tailored to your level of expertise Become part of a global network of learners and professionals who trust Cybellium to guide their educational journey [www.cybellium.com](http://www.cybellium.com) *Multichannel Marketing* Bernd W. Wirtz,2024-09-27 Increasing customer demands and innovations in digital sales require targeted management and flexible organisation of multiple sales channels Multi channel marketing can be used to achieve outstanding competitive advantages This book provides a comprehensive and systematic overview of the fundamentals and management of multi channel marketing The book understands multi channel marketing as an integrative marketing system with special consideration of digital technologies Multi Channel Marketing is with increasing frequency a key success factor for companies in competition for customers Bernd Wirtz textbook provides a clearly patterned incorporated and theoretically funded overview for this purpose The author excellently succeeded in illustrating in a descriptive way the considerable complexity and breadth of applicability and contemporaneously establishing a high practical relevance Dr Rainer Hillebrand Member of the Supervisory Board Otto Group 2019 Member of the Executive Board of the Otto Group for Strategy E Commerce Business Intelligence 1999 2019 Wirtz examines the whole path down from theoretical basic knowledge of Multi Channel Marketing right up to the practical realization This book is a needed approach which is at the same time a reference book for specific issues The Wirtz is essential for everyone who is concerned with this highly topical subject in his studies or in practice already Dr Arno Mahler Chief Executive Officer Tchibo Holding AG 2004 2009 Member of the Board of Directors Peek Cloppenburg KG and
