Conflict Benson J. Lossing, Benson John Lossing, 1996 A comprehensive narrative and collection of photographs of the Civil War *Mathew Brady's Illustrated History of the Civil War, 1861-1865* Benson John Lossing, 1912 *Mathew Brady* Stuart A P Murray, 2014-12-18 In a spellbinding account of her two year teaching stint and travels in China Woronov provides through numerous anecdotes insight into the everyday life of the modern Chinese people 20 photos **Mathew Brady** Leni Donlan, 2007-09-28 Crucial eras and events in American history are brought to life through primary resources in this high interest series written especially for less able readers The personal struggles of the people making history guide the reader through each book Background knowledge of the subject matter is incorporated into the text and vocabulary is defined at the point of use The books use clear predictable text structures and have been leveled by a literacy expert to ensure accessibility

Teaching the Literatures of the American Civil War Colleen Glenney Boggs, 2016-08-01 Offers pedagogical techniques for teaching the literatures of the American Civil War in the college classroom including considerations of history slavery literary realism race gender landscapes violence trauma life writing and performance Includes information on editions reference works biographies and online resources Gives syllabus suggestions for undergraduate and graduate courses **A History of the Civil War** Benson John Lossing, 1915 This book explains the beginnings of the Civil War and the causes of the conflict The photos in the book were taken by Mathew Brady *The Civil War and Reconstruction* Stanley Harrold, 2007-11-28 This new volume deals with two momentous and interrelated events in American history the American Civil War and Reconstruction and offers students a collection of essential documentary sources for these periods Provides students with over 60 documents on the American Civil War and Reconstruction Includes presidential addresses official reports songs poems and a variety of eyewitness testimony concerning significant events ranging from 1833 1879 Contains an informative introduction focused on the kinds of materials available and how historians use them Each chapter ends with questions designed to help students engage with the material and to highlight key issues of historical debate **The Evolution Of Joint Operations During The Civil War** LCDR Michael A. Reed, 2015-11-06 History has demonstrated that amphibious assaults are among the most complex and challenging of all joint operations The myriad of factors that evolved

independently throughout the war did not become fully integrated until the winter of 1864-65. This thesis explores the maturation of joint amphibious operations during the U.S. Civil War specifically through the assaults on Fort Fisher. This analysis will use modern joint doctrine as the framework to compare and contrast the two assaults. It will elaborate on how seaborne assaults differ from riverine assaults. Utilizing Fort Fisher as the focus develops an understanding of the interrelationship of these various factors and the challenges posed in their synchronization to achieve success. This study concludes that the operations reflected jointness but also marked the emergence of modern amphibious assault concepts.

The Illustrated History of American Military Commissaries Peter D. Skirbunt, 2008. Presents a comprehensive history spanning the 233 years of the four major services' sales commissaries. *The Civil War Dead and American Modernity* Ian Finseth, 2018-01-02. *The Civil War Dead and American Modernity* offers a fundamental rethinking of the cultural importance of the American Civil War dead. Tracing their representational afterlife across a massive array of historical visual and literary documents from 1861 to 1914, Ian Finseth maintains that the war dead played a central, complex, and paradoxical role in how Americans experienced and understood the modernization of the United States. From eyewitness accounts of battle to photographs and paintings and from full dress histories of the war to fictional narratives, Finseth shows that the dead circulated through American cultural life in ways that we have not fully appreciated and that require an expanded range of interpretive strategies to understand. While individuals grieved and relinquished their own loved ones, the collective Civil War dead, Finseth argues, came to form a kind of symbolic currency that informed Americans' melancholic relationship to their own past. Amid the turbulence of the postbellum era as the United States embarked decisively upon its technological, geopolitical, and intellectual modernity, the dead provided an illusion of coherence, intelligibility, and continuity in the national self. At the same time, they seemed to represent a traumatic break in history and the loss of a simpler world, and their meanings could never be completely contained by the political discourse that surrounded them. Reconstructing the formal rhetorical and ideological strategies by which postwar American society reimagined and continues to reimagine the Civil War dead, Finseth also shows that a strain of critical thought was alert to this dynamic from the very years of the war itself. *The Civil War Dead and American Modernity* is at once a study of the politics of mortality, the disintegration of American Victorianism, and the role of visual and literary art in both forming and undermining social consensus. [The Illustrated History of American Military Commissaries: The Defense Commissary Agency and its predecessors, since 1989](#) Peter D. Skirbunt, 2008. Presents a comprehensive history spanning the 233 years of the four major services' sales commissaries. *Robert E. Lee in War and Peace* Donald A. Hopkins, 2013-10-19. Robert E. Lee is well known as a Confederate general and as an educator later in life, but most people are exposed to the same handful of images of one of America's most famous sons. It has been almost seven decades since anyone has attempted a serious study of Lee in photographs and with Don Hopkins's painstakingly researched and lavishly illustrated *Robert E. Lee in War and Peace*, the

wait is finally over Dr Hopkins a Mississippi surgeon and lifelong student of the Civil War and Southern history with a recent interest in Robert E Lee s from life photographs scoured manuscript repositories and private collections across the country to locate every known Lee image 61 in all in existence today The detailed text accompanying these images provides a sweeping history of Lee s life and a compelling discussion of antique photography with biographical sketches of all of Lee s known photographers The importance of information within the photographer s imprint or backmark is emphasized throughout the book Hopkins offers a substantial amount of previously unknown information about these images how each came to be and the mistakes in fact and attribution other authors and writers have made describing photographs of Lee to the reading public Many of the images in this book are being published for the first time In addition to a few rare photographs and formats that were uncovered during the research phase of Robert E Lee in War and Peace the author offers for the first time definitive and conclusive attribution of the identity of the photographer of the well known Lee in the field images and reproduces a startling imperial size photograph of Lee made by Alexander Gardner of Washington D C Students of American history in general and the Civil War in particular as well as collectors and dealers who deal with Civil War era photography will find Hopkins s outstanding Robert E Lee in War and Peace a true contribution to the growing literature on the Civil War About the Author Born in the rural South Donald A Hopkins has maintained a fascination with Southern history since he was a child In addition to published papers in the medical field he has written several Civil War articles and The Little Jeff The Jeff Davis Legion Cavalry Army of Northern Virginia for which he received the United Daughters of the Confederacy s Jefferson Davis Historical Gold Medal Dr Hopkins served as Battalion Surgeon for the 1st Battalion 9th Marines better known as The Walking Dead in Vietnam He was awarded the purple heart and the Bronze Star with combat V Dr Hopkins is a surgeon in Gulfport Mississippi where he lives with his wife Cindy and their golden retriever Dixie *Mathew Brady* Robert Wilson,2014-09-23 A portrait of the visual historian illuminates his role in establishing photography as a valued documenting tool analyzing his portraits of period dignitaries and his self sacrificing effort to capture images of the Civil War **Lens of War** J. Matthew Gallman,Gary W. Gallagher,2015-04-15 Lens of War grew out of an invitation to leading historians of the Civil War to select and reflect upon a single photograph Each could choose any image and interpret it in personal and scholarly terms The result is a remarkable set of essays by twenty seven scholars whose numerous volumes on the Civil War have explored military cultural political African American women s and environmental history The essays describe a wide array of photographs and present an eclectic approach to the assignment organized by topic Leaders Soldiers Civilians Victims and Places Readers will rediscover familiar photographs and figures examined in unfamiliar ways as well as discover little known photographs that afford intriguing perspectives All the images are reproduced with exquisite care Readers fascinated by the Civil War will want this unique book on their shelves and lovers of photography will value the images and the creative evocative reflections offered in these essays
