Jasun Horsley, 2019-01-22 In today s post truth world we are becoming inundated with fantasy fictions alternate news and grossly oversimplified and wildly exaggerated conspiracy theories that identify cryptocratic power structures ruling our fates But suppose the truth is both stranger than any fiction and more nuanced and disturbing than any theory Suppose it is not

conspiracy but complicity that creates our world Beginning as an investigation into the author s childhood inside a closet aristocracy of progressive British entrepreneurs *The Vice of Kings* uncovers a history both disturbingly personal and shockingly universal By juxtaposing disc jockey Jimmy Savile s secret cultural criminal and political affiliations in the second half of the 20th century with the life and teachings of Aleister Crowley in the first it uncovers an alarming body of evidence that organized child abuse is not only the dark side of occultism but the shadowy secret at the heart of culture both ancient and modern

**Resistances to Fearlessness** R. Michael Fisher,B. Maria Kumar,2021-05-10 The current dominating worldview and its paradigms of operations are unhealthy and unsustainable Ecological economic political and psychological health are at stake As experts in a philosophy of fearism they apply a critical perspective on the dominant Fear Paradigm as root cause of the global crises in the 21st century They offer a worldview shift via the Fearlessness Paradigm This is a second major book on this topic of which the first was Fisher s *The World s Fearlessness Teachings* 2010 This follow up book is deep punchy and provocative It points to the failure of the world to understand the spirit of fearlessness that has existed from the beginning of Life some four billion years ago The authors from diverse backgrounds point to the resistances that work against the recognition and development of the natural gift of fearlessness and the design of a Fearlessness Paradigm both which can counter the abuses of the Fear Paradigm With

challenge to rethink and reframe our perceptions of the past in a way that is less influenced by our own modern ideas The Myths and Realities of the Viking berserkr will appeal to researchers and students alike studying the Viking Age Medieval History and Old Norse Literature     *Thinking Otherwise* David J.
