Matter of Life and Death Charles Hoffacker, 2003-04-25 With the sensitivity born of time and experience Charles Hoffacker presents an unusually warm and caring approach to preaching at a pivotal transition in human life one which goes to the very heart of the Good News of Jesus Christ Hoffacker teaches the reader whether a seasoned preacher or a novice homilist to find the key to unlocking the mystery of Jesus promise of eternal life in a mortal life now ended The Matters of Life, Death, and More Aleksandar Hemon, 2014-06-03 As the world's eyes turn to the World Cup every four years Aleksandar Hemon's *The Matters of Life Death and More* reminds us of a sad fact an average life seldom contains more than twenty World Cups our games are tragically numbered We need to pay attention to absorb the joy the skill the agony the triumph the beauty everything that soccer is And soccer is of course everything In these pages Hemon revisits memories of his first World Cup 1974 for which his then homeland Yugoslavia qualified in dramatic fashion only to quickly lose their way out of the tournament He takes us through the World Cups of the eighties nineties up to South Africa in 2010 and Brazil in 2014 which was a special one for Hemon the first time in the country's history that Bosnia and Herzegovina qualified Played out on the world stage both in the World Cup and in soccer's international professional leagues soccer is a high stakes enterprise full of extreme passion extreme talent extreme money and often extreme politics But Hemon is also quick to point out that a game of soccer requires only a reasonably flat surface a sufficiently round object and someone to show up and he regales us with stories of the heated games of his youth in Sarajevo's gravel courtyards of the frozen pick up games of his adulthood in Chicago and now of his daughter's slightly less intense soccer practices replete with cones and shin guards Hemon has been celebrated far and wide for his fiction and essays but here he takes on what is truly his lifelong animating passion soccer It's more than a sport it's certainly not exercise and it's not even enough to say soccer is life as Shankly pointed out Soccer is in fact the beautiful game and never more so than in these pages Even if despite all of America's best efforts Hemon still occasionally insists on calling it football The genius of Aleksandar Hemon's prose is a well established universally acknowledged fact But his ability to read a soccer match to really deeply understand it will strike readers with the force of pure ecstatic revelation His essays on the game are the very definition of pleasure Franklin Foer author of *How Soccer Explains the World* Some people believe football is a matter of life and death I am very disappointed with that attitude I can assure you it is much much more important than that Bill Shankly legendary Liverpool F C manager A Matter of Life and Death Rosalind Bradley, 2016-08-18 This book brings together contributors from different backgrounds including a Holocaust survivor and a death row inmate to explore perspectives on death Each contributor offers commentary on a written or visual work that best expresses death to them A meaningful volume for the bereaved and those working in bereavement or spirituality **International Who's Who of Authors and Writers 2004** Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and
